The sale of the Units to the subscribers is herein referred to as the “Offering”. We issued an aggregate of 164,247 Shares and Warrants to acquire an aggregate of 164,247 shares of our common stock to the subscribers of the Units in the Final Closing.

Subscription Agreement

The Units were offered and sold to the subscribers in the Offering (each, a “Subscriber” and collectively the “Subscribers”) pursuant to a subscription agreement (the “Subscription Agreement”).

Piggy-Back Registration Rights. The Subscribers were granted piggy-back registration rights with respect to the shares of common stock underlying the Warrants (the “Warrant Shares”).

Forward Split. The Company intends to effectuate a 1:4 forward stock split of its common stock (the “Forward Split”) as soon as reasonably practicable following the closing of the Offering. Accordingly, the equivalent price per share of the Shares immediately following the Forward Split shall be \$0.75; and (ii) the exercise price of the Warrants immediately following the Forward Split (assuming no other adjustments to the exercise price of the Warrants) shall be \$1.50 per share.

Warrants

The Warrants have a five-year term and are exercisable for an aggregate of 164,247 shares of our common stock at an initial per share exercise price of \$6.00, subject to adjustment upon certain events, such as stock splits, combinations, dividends, distributions, reclassifications, mergers or other corporate changes. The Warrants are exercisable on a cash basis.

The issuance of these securities was exempt from registration pursuant to Section 4(2) of the Securities Act and Rule 506 of Regulation D (“Regulation D”) promulgated under the Securities Act of 1933, as amended (the “Securities Act”). The Company made this determination based on the representations of the investors which included, in pertinent part, that each such investor was an “accredited investor” within the meaning of Rule 501 of Regulation D and upon such further representations from each investor that (i) such investor is acquiring the securities for its own account for investment and not for the account of any other person and not with a view to or for distribution, assignment or resale in
