On August 18, 2009, the Board of Directors of Footstar, Inc. declared a liquidating cash distribution of \$0.40 per share of common stock outstanding. The distribution will be paid on September 10, 2009 to shareholders of record as of the close of business on August 28, 2009.

The distribution is expected to be treated as a return of capital for tax reporting purposes, but shareholders will receive further information on Form 1099 after the end of 2009 and are encouraged to consult with their own tax advisors regarding the tax treatment of the distribution. Under NASDAQ rules, it is anticipated that Footstar's stock will trade ex dividend the day after the payment of the distribution, but no assurance can be given by Footstar that this will be the case.
