Division of Corporate Finance  
Washington, DC

Ref.: Payment of Intermediary Interest on Own Capital  
. Banco Bradesco S.A.

Gentlemen,

The Board of Directors of this Bank, in a meeting held on this date, approved the Board of Executive Officer's proposal for the payment to the Company's stockholders of intermediary interest on own capital related to the first half of 2005, in the amount of R\$0.57000 for common stock and R\$0.62700 for preferred stock, which represent ten times the amount regular of Interests paid monthly, benefiting the stockholders registered in the Company's records on this date (June 29, 2005).

The payment will be made on July 20, 2005, at the net amount of R\$0.48450 for common stock and R\$0.53295 for preferred stock, after deduction of Withholding Income Tax of fifteen percent (15%), except for the legal entity stockholders that are exempt from such taxation, which will receive the declared amount.

The Interests relating to stocks under custody at CBLC - Brazilian Company and Depository Corporation will be paid to CBLC which will be transferred to the stockholders through the depository Brokers.

The respective Interests will be computed, net of withholding Income Tax, in the calculation of the mandatory dividend for the year, as provided in the Corporate Bylaws.

Cordially,

Banco Bradesco S.A.  
Milton Almicar Silva Vargas  
Executive Vice President

## **FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
