III. SABESPREV s assets shall result from its own resources or, in case the Company needs to transfer any personal or real property, make investments, bear any costing expenses or provide guaranties to SABESPREV, it shall have the prior and express approval of the CODEC or of the Secretary of the State Treasury, whose values shall be offset by the contribution fixed in item I of this article, upon the monthly transfers.

IV. In order to avoid the indirect distribution of funds beyond the prefixed limit, the assignment of Company s employees to SABESPREV or the hiring of any services between SABESPREV and the Company, shall be subject to offset and to prior opinion to be provided by CODEC or of the Secretary of the State Treasury.

V. The Company s Officers, in addition to their responsibilities provided for by law, shall also be liable for any failure to comply with the rules provided for in the Bylaws, and in connection with SABESP s sponsorship to SABESPREV.

**Justification:** The conformity of Article 46 of the Company s Bylaws is necessary in order to implement a new private pension plan SABESPREV MAIS. The current plan SABESPREV Básico, is a Defined Benefit plan, and as an unfunded plan, it shows growing negative surplus risks, especially due to participants life expectancy, which increases and requires benefits payments for longer periods.

São Paulo, July 8, 2010.	
The documents related to the matter to be discussed at the Extraordinary Shareholders Meeting will be available to shareholders at the Company s headquarters and via electronic means, at CVM website, in the form and term set forth by CVM Rule 481/2009.	
The evidence as shareholder may occur at any time before the Extraordinary Shareholders Meeting is called to order, by submitting his/her identity document, a receipt issued by the trustee of book-entry shares informing their respective number and, in the event of attorney-in-fact, the appropriate proxy instrument duly notarized and granted less than one year ago.	
Once approved SABESPREV MAIS plan, the entry of new participants in SABESPREV Básico plan will no longer be allowed, which starts to be extinguished.	
SABESPREV MAIS is a Defined Contribution plan, in which the accounts are separated by participant, different from current plan in which assets are managed jointly (co-ownership). In this new plan, contributions are paid according to the capital accumulated by each participant from quotas contributions and profitability, without any financial risks for Sabesp.
