NOTICE TO THE MARKET

São Paulo, March 12, 2013 - Companhia Brasileira de Distribuição ("CBD") and Via Varejo S.A. ("Via Varejo") hereby inform its shareholders and investors the following changes: (i) the appointment of Daniela Sabbag as Grupo Pão de Açúcar's Investor Relations Officer, replacing Vitor Fagá, and (ii) the appointment of Vitor Fagá as Chief Financial Officer (CFO) and Investor Relations Officer for Via Varejo, replacing Claudia Elisa Soares. Election of these executives will be resolved on the coming Board of Directors meetings of Via Varejo and CBD, scheduled for March 21, 2013 and April 19, 2013, respectively.

New Boards of Executive Officers

In continuation of the process of integrating, deploying strategic management and capturing synergy between GPA and Via Varejo, under the command of Ramatis Rodrigues, CEO of Via Varejo, Ney Santos becomes the Information Technology (IT) and Logistics Officer. Santos served as IT Officer at GPA. Jorge Herzog will continue on Via Varejo's Board of Executive Officers and will serve as Vice President of Operations.

Mara Maehara has been promoted to IT Officer at GPA and will report to the Management Control and Strategic Planning Executive Office.

São Paulo, March 12, 2013

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
