MURICY I, located at Avenida Muricy, 1859, Área Industrial Leste – Polo Petroquímico – CEP: 42810-235 - Camaçari – BA, is a corporation that is part of the current corporate structure of Petrobras.

The upholding of various administrative structures, in addition to result in an increase of operating costs, implies also to the loss of significant synergies in the conduct of matters of interest to the Company.

NOW, THEREFORE, the PARTIES hereby establish and agree upon to enter this Protocol and Justification of Merger ("Protocol and Justification"), in accordance with the Articles of Incorporation of MURICY I and Articles 224, 225 and 227 of Law at. 6.404/76, which the following terms and conditions will guide the proposed Merger to be submitted to their respective shareholders:

CLAUSE ONE – BASIS FOR THE PROPOSED OPERATION AND JUSTIFICATION

1.1. Proposed operation. The operation consists of the merger of MURICY I by PETROBRAS, with the transfer of MURICY I's full equity into PETROBRAS at book value ("Transaction" or "Merger").

1.1.1. As a result of the Transaction, MURICY I will be extinguished by operation of law, for all legal purposes, so that the Merger Company will fully succeed MURICY I in all its rights and obligations, all in accordance with Article 227 of Law 6404/76.

1.2. The assessment of MURICY I's net equity, for the purposes of the respective accounting entries in PETROBRAS, was made at book value by the specialized company AUDILINK & CIA AUDITORES as indicated in item 2.1., on the base date established in section 2.2 of this Protocol and Justification, based on the criteria set out in the Civil Code and Law No. 6.404/76, relative to financial statements preparation.

1.3. The management of PETROBRAS will be responsible to perform all acts necessary for the implementation of the Merger, and bear all costs and expenses arising from such implementation.

1.4. Justification of Operation. PETROBRAS has assessed the best alternatives for conducting its activities and management policies, taking into account the intention to streamline costs and increase its business through the consolidation of its activities, taking into consideration that the maintenance of various administrative structures would lead to an increase in operating costs, and at the same time would result in loss of relevant synergies in conducting the affairs of its interest;

1.4.1. The merger aims at transferring all the assets, rights and obligations of MURICY I to PETROBRAS and is part of a corporate reorganization process whose goal is to simplify the corporate structure, reduce cost and provide a more efficient management of the assets involved.

1.4.2. Considering that Petrobras holds 100% (one hundred percent) of the shares representing the capital stock of MURICY, the proposed Merger will not lead into a change in the capital stock of Petrobras, in that the financial statements of Petrobras consolidate the accounting records of MURICY I.

CLAUSE TWO – APPRAISAL OF MURICY I's NET EQUITY AND MERGER BASE DATE

2.1. The indication of the specialized company AUDILINK & CIA AUDITORES, enrolled with the CNPJ under no. 02.163.578/0001-50, head offices at Rua Butantã 461, conjuntos 1 and 72, Pinheiros, São Paulo, SP, as responsible for the development of the accounting appraisal report of the Merged Company's net equity to be transferred to PETROBRAS ("Accounting Appraisal Report"), must be approved by deliberation of MURICY I's General Meeting and PETROBRAS's Extraordinary General Meeting, in accordance with article 227 of Law 6.404/76.

2.2. AUDILINK & CIA AUDITORES is a company specialized in accounting valuation that performed at the request of the administration of the PARTIES, (i) the assessment of the net equity of the MURICY I at book value, based on the information contained in the audited Balance Sheet of the MURICY I, on July 31, 2014 ("Merger Base Date"), which has verified the value of the net equity to be transferred to PETROBRAS, and (ii) the preparation of the Accounting Appraisal Report (Annex I to this Protocol and Justification), which shall be submitted to the prior review and approval of the shareholders of Petrobras under the law.

CLAUSE THREE – TOTAL NET EQUITY TO BE MERGED

3.1. According to the assessment made in the Valuation Report, the book value of MURICY I's net equity to be transferred to PETROBRAS is BRL\$ 187,193,099.71 (one hundred eighty-seven million, one hundred ninety-three thousand and ninety nine cents and seventy-one reais), subject to the provisions of Clause Four below.

3.2. The value of the net equity calculated matches exactly to the active account investment of PETROBRAS, since MURICY I is a wholly owned subsidiary of PETROBRAS. Thus, as a result of the Merger, it shall be operated in the accounts of PETROBRAS, a mere replacement of PETROBRAS assets represented by its investment account relative to the participation in the capital of MURICY I by the assets and liabilities included in MURICY I Balance Sheet.

3.3. The replacement of PETROBRAS investments in MURICY I by the assets and liabilities shown in the Balance Sheet of MURICY I does not imply a change in the value of PETROBRAS net equity.

3.4. The balances of the credit and debit accounts of MURICY I shall be entered in the accounting books of PETROBRAS, with all the necessary adjustments

3.5. The assets, rights and obligations of the MURICY I that make up the net equity to be transferred to PETROBRAS, re those detailed in the appraisal report, at book value.

CLAUSE FOUR – EQUITY VARIATION UP TO THE MERGER DATE

4.1. The equity variations in the period between the Base Date of the Merger and the Merger will be effectively absorbed by PETROBRAS and transferred to the books of PETROBRAS by their respective values on the date of the Merger without changing the values adopted in this Protocol and Justification for the realization of the merger.

CLAUSE FIVE – EXTINCTION OF MURICY I'S SHARES

5.1. For the purposes of the Merger proposed in this protocol and Justification, it shall not be assigned shares of Petrobras to the members, provided that Petrobras owns all of the shares issued by MURICY I.

5.2. As a result, the 120,835,324 (hundred and twenty million, eight hundred thirty-five thousand, three hundred and twenty four) all common, registered nonpar shares issued by MURICY I, shall be extinct, based on article 226, paragraph 1 of Law no. 6.404/76, with all the necessary adjustments in the accounting records of PETROBRAS.

5.3. No cancellation or issuance of new shares of PETROBRAS shall occur under the Merger, nor there will be no change in the amount of its capital stock, so that at the end of the Merger, the capital of PETROBRAS will remain unchanged in the amount of BRL\$ 205,431,960,490.52 (two hundred five billion, four hundred thirty-one million nine hundred sixty thousand four hundred and ninety reais and fifty-two cents), divided into 13,044,496,930 (thirteen billion, forty-four million four hundred ninety-six thousand, nine hundred and thirty) non par shares, being 7,442,454,142 (seven billion, four hundred forty-two million, four hundred and fifty-four thousand, one hundred forty-two) common shares and 5,602,042,788 (five billion, six hundred and two million, forty-two thousand, seven hundred eighty-eight) preferred shares. Consequently, there will be no change in the Articles of Incorporation of PETROBRAS.

CLAUSE SIX – REPORT TO THE BOARD OF DIRECTORS AND APPROVAL BY MURICY I'S GENERAL MEETING AND BY PETROBRAS SHAREHOLDERS' GENERAL MEETING

6.1. Board of Directors. In compliance with the Articles of Incorporation of Petrobras and Articles of Incorporation of MURICY I, the Board of Directors of Petrobras must be informed of the Transaction, confirming the hiring of audit company to assess the net equity of the MURICY I and, in accordance with article 142, subsection IV of Law No. 6.404/76, convene the Extraordinary General Meeting of Petrobras to decide on the transaction.

The upholding of various administrative structures, in addition to result in an increase of operating costs, implies also to the loss of significant synergies in the conduct of matters of interest to the Company.

In this scenario, taking into account the intent to streamline costs and increase business, integrating the assets, promoting synergy and economy of the System, the merger represents a strategy of the Gas and Energy Business Area for better handling of its activities.

Considering that the Company holds 100% (one hundred percent) of the shares representing the capital stock of AREMBEPE, there will be no change in the capital stock of Petrobras, to the extent that its financial statements already envisage the accounting records of the company to be merged.

Finally, the merger aims to transfer all assets, rights and obligations of AREMPEBE to the Company and is part of a corporate reorganization process whose goal is to simplify the corporate structure, reduce cost, provide a more efficient management of the assets involved and better relationships with regulatory agents, particularly with ANEEL.

Thus, the Board of Directors submits to the high consideration and resolution of this Extraordinary General Meeting, with the assent of the Fiscal Council, the proposed merger of AREMBEPE into Petrobras, pursuant to the Merger Protocol and Justification signed between the Company and AREMBEPE, the respective appraisal report and other provisions contained in item "II" of the Agenda referred to in the Call Notice.

All relevant documentation and information related to the exercise of right to vote of shareholders, the information required by CVM Instruction 481, Annex 21, are attached to the Assembly Manual.

(vi) The merger of AREMBEPE by PETROBRAS will be submitted for approval by the shareholders of both companies.

NOW, THEREFORE, the PARTIES hereby establish and agree upon to enter this Protocol and Justification of Merger ("Protocol and Justification"), in accordance with the Articles of Incorporation of AREMBEPE and Articles 224, 225 and 227 of Law at. 6.404/76, which the following terms and conditions will guide the proposed Merger to be submitted to their respective shareholders:

CLAUSE ONE – BASIS FOR THE PROPOSED OPERATION AND JUSTIFICATION

1.1. Proposed operation. The operation consists of the merger of AREMBEPE by PETROBRAS, with the transfer of AREMBEPE's full equity into PETROBRAS at book value ("Transaction" or "Merger").

1.1.1. As a result of the Transaction, AREMBEPE will be extinguished by operation of law, for all legal purposes, so that the Merger Company will fully succeed AREMBEPE in all its rights and obligations, all in accordance with Article 227 of Law 6404/76.

1.2. The assessment of AREMBEPE's net equity, for the purposes of the respective accounting entries in PETROBRAS, was made at book value by the specialized company AUDILINK & CIA AUDITORES as indicated in item 2.1., on the base date established in section 2.2 of this Protocol and Justification, based on the criteria set out in the Civil Code and Law No. 6.404/76, relative to financial statements preparation.

1.3. The management of PETROBRAS will be responsible to perform all acts necessary for the implementation of the Merger, and bear all costs and expenses arising from such implementation.

1.4. Justification of Operation. PETROBRAS has assessed the best alternatives for conducting its activities and management policies, taking into account the intention to streamline costs and increase its business through the consolidation of its activities, taking into consideration that the maintenance of various administrative structures would lead to an increase in operating costs, and at the same time would result in loss of relevant synergies in conducting the affairs of its interest;

1.4.1. The merger aims at transferring all the assets, rights and obligations of AREMBEPE to PETROBRAS and is part of a corporate reorganization process whose goal is to simplify the corporate structure, reduce cost and provide a more efficient management of the assets involved.

1.4.2. Considering that Petrobras holds 100% (one hundred percent) of the shares representing the capital stock of AREMBEPE, the proposed Merger will not lead into a change in the capital stock of Petrobras, in that the financial statements of Petrobras consolidate the accounting records of AREMBEPE.

CLAUSE TWO – APPRAISAL OF AREMBEPE’S NET EQUITY AND BASE

DATE

2.1. The indication of the specialized company AUDILINK & CIA AUDITORES, enrolled with the CNPJ under no. 02.163.578/0001-50, head offices at Rua Butantã 461, conjuntos 71 and 72, Pinheiros, São Paulo, SP, as responsible for the development of the accounting appraisal report of the Merged Company’s net equity to be transferred to PETROBRAS (“Accounting Appraisal Report”), must be approved by deliberation of AREMBEPE’s General Meeting and PETROBRAS’s Extraordinary General Meeting, in accordance with article 227 of Law 6.404/76.

2.2. AUDILINK & CIA AUDITORES is a company specialized in accounting valuation that performed at the request of the administration of the PARTIES, (i) the assessment of the net equity of the AREMBEPE at book value, based on the information contained in the audited Balance Sheet of the AREMBEPE, on July 31, 2014 (“Merger Base Date”), which has verified the value of the net equity to be transferred to PETROBRAS, and (ii) the preparation of the Accounting Appraisal Report (Annex I to this Protocol and Justification), which shall be submitted to the prior review and approval of the shareholders of Petrobras under the law.

CLAUSE THREE – TOTAL NET EQUITY TO BE MERGED

3.1. According to the assessment made in the Valuation Report, the book value of AREMBEPE’s net equity to be transferred to PETROBRAS is BRL\$ 348,273,017.88 (three hundred forty-eight million, two hundred seventy-three thousand, seventeen reais and eighty-eight cents), subject to the provisions of Clause Four below.

3.2. The value of the net equity calculated matches exactly to the active account investment of PETROBRAS, since AREMBEPE is a wholly owned subsidiary of PETROBRAS. Thus, as a result of the Merger, it shall be operated in the accounts of PETROBRAS, a mere replacement of PETROBRAS assets represented by its investment account relative to the participation in the capital of AREMBEPE by the assets and liabilities included in AREMBEPE Balance Sheet.

3.3. The replacement of PETROBRAS investments in AREMBEPE by the assets and liabilities shown in the Balance Sheet of AREMBEPE does not imply a change in the value of PETROBRAS net equity.

3.4. The balances of the credit and debit accounts of AREMBEPE shall be entered in the accounting books of PETROBRAS, with all the necessary adjustments

3.5. The assets, rights and obligations of the AREMBEPE that make up the net equity to be transferred to PETROBRAS, are those detailed in the appraisal report, at book value.

CLAUSE FOUR – EQUITY VARIATION UP TO THE MERGER DATE

4.1. The equity variations in the period between the Base Date of the Merger and the Merger will be effectively absorbed by PETROBRAS and transferred to the books of PETROBRAS by their respective values on the date of the Merger without changing the values adopted in this Protocol and Justification for the realization of the merger.

CLAUSE FIVE – EXTINCTION OF AREMBEPE’S SHARES

5.1. For the purposes of the Merger proposed in this Protocol and Justification, it shall not be assigned shares of Petrobras to the members, provided that Petrobras owns all of the shares issued by AREMBEPE.

5.2. As a result, the 186,290,217,187 (one hundred eighty-six billion, two hundred ninety million two hundred and eighteen thousand, one hundred eighty-seven) all common, registered nonpar shares issued by AREMBEPE, shall be extinct, based on article 226, paragraph 1 of Law no. 6.404/76, with all the necessary adjustments in the accounting records of PETROBRAS.

5.3. No cancellation or issuance of new shares of PETROBRAS shall occur under the Merger, nor there will be no change in the amount of its capital stock, so that at the end of the Merger, the capital of PETROBRAS will remain unchanged in the amount of BRL\$ 205,431,960,490.52 (two hundred five billion, four hundred thirty-one million nine hundred sixty thousand four hundred and ninety reais and fifty-two cents), divided into 13,044,496,930 (thirteen billion, forty-four million four hundred ninety-six thousand, nine hundred and thirty) non par shares, being 7,442,454,142 (seven billion, four hundred forty-two million, four hundred and fifty-four thousand, one hundred forty-two) common shares and 5,602,042,788 (five billion, six hundred and two million, forty-two thousand, seven hundred eighty-eight) preferred shares. Consequently, there will be no change in the Articles of Incorporation of PETROBRAS.

CLAUSE SIX – REPORT TO THE BOARD OF DIRECTORS AND APPROVAL BY AREMBEPE’S GENERAL MEETING AND BY PETROBRAS SHAREHOLDERS’ GENERAL MEETING

6.1. Board of Directors. In compliance with the Articles of Incorporation of Petrobras and Articles of Incorporation of AREMBEPE, the Board of Directors of Petrobras must be informed of the Transaction, confirming the hiring of audit company to assess the net equity of the AREMBEPE and, in accordance with article 142, subsection IV of Law No. 6.404/76, convene the Extraordinary General Meeting of Petrobras to decide on the transaction.
