Item 1.01 Entry into a Material Definitive Agreement.

On December 6, 2005, the Organization and Compensation Committee (the "Committee") of the Board of Directors of Brush Engineered Materials Inc. (the "Company") adjusted executive officers' salary levels effective January 1, 2006. The changes for the executive officers named in the Company's 2005 Proxy Statement (other than Gordon Harnett, President and Chief Executive Officer, whose salary will remain at \$623,700) will be as follows:

Richard J. Hipple, President and Chief Operating Officer: from \$325,000 to \$365,000;

John D. Grampa, Vice President Finance and Chief Financial Officer: from \$280,000 to \$289,800;

Daniel A. Skoch, Senior Vice President, Administration: from \$280,000 to \$289,800.

The Committee also determined to increase the percentage of Mr. Hipple's base pay to be used to establish target payouts under future long-term incentive plans from 45% to 70% and approved reimbursement to Mr. Hipple for initiation fees and annual club dues for two clubs. The expected cost of these reimbursements in 2006, together with related tax gross-ups, totals \$107,524.

SPECIAL AWARDS

In 2002 the Company discontinued its Supplemental Retirement Benefit Plan for Mr. Grampa and Mr. Skoch in exchange for amounts paid in settlement of the Company's obligation. As a result, their retirement benefits are limited to the amounts provided by the qualified pension plan. At its December 6, 2005 meeting, consistent with prior years, the Committee exercised its discretion to authorize special awards in lieu of a supplemental plan for Mr. Grampa in the amount of \$38,311 and for Mr. Skoch in the amount of \$79,544, payable on January 2, 2006.
