Item 2.02 Results of Operations and Financial Condition.

(a)

Halo Technology Holdings, Inc. (the "Company") hereby amends its Current Report on Form 8-K filed May 15, 2006, as follows:

In the Company's third quarter earnings release, dated May 15, 2006, and furnished to the Securities and Exchange Commission ("SEC") as a Current Report on Form 8-K on May 15, 2006, the Company reported that it had achieved "positive cash flow from operations" and that it was generating "positive operating cash flow (on a pro forma EBITDA basis)." In making this statement, the Company included in its calculation of EBITDA (earnings before interest, taxes, depreciation and amortization) historical deferred revenues from acquired companies (as recorded on the historical financial statements of the acquired companies prior to acquisition) without giving effect to the "deferred revenue fair value reduction" required by GAAP and purchase accounting when concluding that its cash flow on a pro forma EBITDA basis was positive for the quarter ended March 31, 2006. Without the inclusion of this historical deferred revenues from acquired companies or if the Company had given effect to the "deferred revenue fair value reduction", the Company would not have reported positive cash flow from operations on an EBITDA basis for the quarter ended March 31, 2006. After discussions with the Company's independent auditors and staff at the Securities and Exchange Commission, the Company has agreed not to use the measure "pro forma EBITDA basis." The Company will be amending its Quarterly Report on Form 10-QSB for the fiscal quarter ended March 31, 2006 to remove pro forma information with respect to "Deferred Revenues" included in the Management's Discussion and Analysis of Financial Condition and Results of Operations under the heading "Non-GAAP Financial Measures."

This information shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
