**Item 1.01 Entry into a Material Definitive Agreement.**

On April 4, 2007 CMS Energy Corporation ("CMS Energy") announced that it had entered into an Agreement of Purchase and Sale, dated as of March 30, 2007 and fully executed on April 4, 2007 (the "Agreement") with Petroleos de Venezuela, S.A. ("PDVSA") that is owned by the Bolivarian Republic of Venezuela. Pursuant to the Agreement CMS Energy will sell its interest in Sistema Electrico de Nueva Esparta, C.A. ("SENECA") including its 88 percent equity ownership interest, certain associated generating equipment and other assets for US\$105.5 million. A CMS Energy-issued News Release dated April 4, 2007, which is attached as Exhibit 99.1 and incorporated by reference, contains additional information with respect to the transaction. The original Agreement is in Spanish. A convenience translation into English is filed as Exhibit 10.1 and is incorporated by reference into this Form 8-K.

The Agreement contains a number of representations and warranties covering matters typically addressed in stock purchase and asset sale agreements. The Agreement includes a post-closing indemnity pursuant to which CMS Energy and PDSVA shall indemnify each other for damages arising from breaches of representations and warranties. The survival period is generally one year from the date of the Agreement.

Closing is subject to certain conditions, including the accuracy of all representations and warranties in all material respects and no material adverse change in the financial condition or operations of SENECA. The Agreement requires closing to occur by April 30, 2007. However, CMS Energy cannot predict with certainty whether or when the closing conditions will be satisfied or whether or when this transaction will be consummated.
