Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 31, 2007, the Board of Directors (the "Board") of Core Molding Technologies, Inc. (the "Company") amended and restated the Company's by-laws (the "Amended and Restated By-Laws") effective as of such date. The amendments amended Sections 1, 2 and 3 of Article VI of the Company's current By-Laws (the "Current By-Laws") in order to provide for the issuance and transfer of uncertificated shares of the Company's capital stock, thereby enabling the Company to participate in the Direct Registration System (the "DRS"), as required by Rules 778 and 135 of the AMEX Company Guide. The DRS allows for book-entry ownership of stock or other securities without the issuance of physical certificates. A conforming amendment was also made to the Current By-Laws to reflect the Company's current name as "Core Molding Technologies, Inc."

The foregoing description is qualified in its entirety by reference to the Amended and Restated Bylaws, a copy of which is attached as Exhibit 3.1 and incorporated by reference herein.
