Item 1.01. Entry into a Material Definitive Agreement

On July 2, 2015, Tableau Software, Inc. (the "Company") entered into an Office Lease Agreement (the "Lease") with Northedge Developers LLC, a Delaware limited liability company (the "Landlord"), pursuant to which the Company will lease approximately 210,000 square feet of space located in Seattle, Washington (the "Premises").

The Lease provides for a term of 132 months (the "Term"), commencing 120 days after the Landlord delivers the Premises to the Company. The target completion date by the Landlord of the Premises is expected to be on or before May 9, 2016.

Pursuant to the Lease, annual base rent will be approximately \$7.5 million for the first year following the twelve month abatement period from the commencement of the Term and is subject to annual increases of 3.0%. The base rent payments do not include the Company's proportionate share of any operating expenses, including real estate taxes, for the Premises. The Company has the option to extend the Term for the Premises for up to two renewal terms of seven years each, provided that the rent would be subject to market adjustment at the beginning of each renewal term.

The foregoing description of the Lease is a summary, is not complete, and is qualified in its entirety by the terms and conditions of the actual Lease, which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2015.
