Item 1.01 Entry into a Material Definitive Agreement

On July 18, 2018, Carbonite, Inc., a Delaware corporation (the “Company”), and a selling stockholder beneficially owned by David Friend, a co-founder and director, entered into an underwriting agreement (the “Underwriting Agreement”) with Barclays Capital, Inc., Jefferies LLC and RBC Capital Markets, LLC as representatives of the several underwriters listed therein (the “Underwriters”), relating to the public offering of an aggregate of 5,463,237 shares of common stock, par value \$0.01 per share (the “Shares”), at the public offering price of \$37.50 per Share (the “Offering Price”).

Pursuant to the Underwriting Agreement, 4,765,157 Shares will be issued and sold by the Company and 698,080 Shares will be sold by the selling stockholder. In addition, the Company has granted the Underwriters a 30-day option to purchase up to an additional 819,485 Shares at the Offering Price less any underwriting discounts and commissions (the “Option”).

The estimated net proceeds to the Company from the sale of the Shares to be issued and sold by the Company are expected to be approximately \$170.4 million, or approximately \$199.8 million if the Underwriters exercise the Option in full. The Company intends to use the net proceeds from the offering to repay outstanding amounts under its existing \$130 million revolving credit facility and for general corporate purposes, including potential acquisitions. The Company will not receive any of the proceeds from the sale of Shares from the selling stockholder. The offering is expected to close on or about July 23, 2018, subject to customary closing conditions.

The Shares being offered were registered by the Company under an automatically effective shelf registration statement on Form S-3 (File No. 333-225380) filed with the SEC on June 1, 2018 and are being offered pursuant to a preliminary prospectus supplement, dated July 16, 2018, and a final prospectus supplement, dated July 18, 2018, describing the terms of the offering.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and the selling stockholder, customary conditions to closing, indemnification obligations of the Company, the selling stockholder and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions.
