## INFORMATION REQUIRED IN REGISTRATION STATEMENT

### Item 1. Description of Registrant's Securities to be Registered

The securities to be registered hereby are the ordinary shares, nominal value Euro 0.02 per share (the Ordinary Shares), of ASML Holding N.V. (the Company). On March 23, 2006, the Supervisory Board, the Priority Shareholders and the General Meeting of Shareholders of the Company approved amendments to the Company's articles of association, primarily to give effect to cancellation of the Company's priority shares, nominal value Euro 0.02 per share (the Priority Shares). The amendments to the articles of association are summarized below.

In order to cancel the Priority Shares, the Company converted the Priority Shares into Ordinary Shares which reduced the Company's authorized share capital to EUR 36,000,000 from EUR 36,000,462. All references to Priority Shares and all provisions requiring the approval of Priority Shareholders were removed from the Company's articles of association.

The articles of association were also amended to take into account a possible change in Netherlands law regarding the deadline by which a shareholder must give notice of his or her intention to attend the Company's general meeting.

In addition, the articles of association were amended in accordance with the introduction of Rule Book II of Euronext Amsterdam N.V. to reflect the requirement that the Company consult with Euronext Amsterdam N.V. before proposing to its shareholders an amendment to its Articles of Association.

These amendments to the Company's articles of association became effective on April 13, 2006. An unofficial English translation of the Amended and Restated Articles of Association, dated April 13, 2006, is set forth in Exhibit 1.1 hereto.
