REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
-----

Participants and Administrator of  
CEMEX, Inc. Savings and Investment Plan  
for Union Employees:

We have audited the accompanying statements of net assets available for benefits of the CEMEX, Inc. Savings and Investment Plan for Union Employees (the Plan) as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

CEMEX, INC. SAVINGS AND INVESTMENT PLAN  
FOR UNION EMPLOYEES

Notes to Financial Statements  
December 31, 2005 and 2004

1. Plan Description

The CEMEX, Inc. Savings and Investment Plan for Union Employees (the Plan) was adopted effective August 1, 1998 for the benefit of certain union employees of CEMEX, Inc. Effective April 1, 2005, the union employees of the Clinchfield, Georgia plant, which represented all of the participants in the Plan, ceased participating in the Plan and became participants in the CEMEX, Inc. Savings Plan. In connection therewith, assets of \$3,579,154 were transferred from the Plan to the CEMEX, Inc. Savings Plan during fiscal year 2005. Effective December 31, 2005, the Plan was merged into the CEMEX, Inc Savings Plan.

The Plan is qualified under section 401(a) of the Internal Revenue Code (IRC) as a defined contribution plan and is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan provisions in place during 2005 and prior to the merger on December 31, 2005 were as follows:

Eligibility

-----

Union employees of the Clinchfield, Georgia plant of CEMEX, Inc. with at least three months of service are eligible to participate in the Plan, with Plan entry dates being the first day of the calendar quarter coinciding with or following the completion of service. Effective April 1, 2005, union employees of the Clinchfield, Georgia plant ceased participating in the Plan.

Contributions

-----

Edgar Filing: CEMEX SA DE CV - Form 11-K

Participants may contribute from 1% to 16% of their eligible pay, up to an annual maximum subject to IRC limitations. Participants may also rollover certain amounts from other qualified defined benefit or contribution plans. Participants direct 100% of their account balances.

CEMEX, Inc. (the Employer and Sponsor) matches 50% of the amount contributed by each participant up to the first 6% of eligible pay. The Employer contributions are in the form of American Depository Shares representing common stock of CEMEX, S.A. de C.V. (CEMEX stock). A participant may, at any time after the CEMEX stock is credited to his or her account, make a diversification election and exercise investment discretion with respect to the Employer matching contribution. The Employer may make additional contributions in accordance with the provisions of the Plan Agreement. During fiscal year 2005, no additional contributions were made by the Employer.

Participant accounts  
-----

Separate accounts are maintained for each participant. Participant accounts are credited with the participant's contribution and allocations of the Employer's contributions and Plan earnings. Allocations are based on each participant's earnings or account balance, as defined in the Plan Agreement. Each participant is entitled to the benefit that can be provided from the participant's account.

Vesting  
-----

Participants are immediately and fully vested in all contributions plus actual earnings thereon.

Benefit payments  
-----

Benefits are payable from participant account balances, subject to certain restrictions, upon termination of employment, retirement, reaching the age of 59 1/2, or by incurring a disability or financial hardship, as defined in the Plan Agreement. Participants elect the method of distribution which may be either in the form of a direct rollover to an eligible retirement plan, lump sum payment or, if in excess of \$5,000, payment over a period of time not to exceed the shorter of 10 years or certain life expectancies as defined in the Plan Agreement.

Participant loans  
-----

## Edgar Filing: CEMEX SA DE CV - Form 11-K

A participant may obtain a loan from his or her separate account balance. Each loan is evidenced by a promissory note and may not be less than \$1,000. The loans are secured by the balance in the participant's account and bear interest at the rate established by the Loan Committee. Provisions of the Plan require the aggregate of each loan outstanding not to exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Repayment terms for loans are not to exceed five years and principal and interest is paid ratably through monthly payroll deductions.

Administrative expenses  
-----

Loan fees are paid by the borrowing participant and all other administrative costs are paid by the Sponsor.

### 2. Significant Accounting Policies

Basis of presentation  
-----

The financial statements have been prepared on an accrual basis and present the net assets available for plan benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

|   |    | =====     |

### 4. Federal Income Tax Status

The Plan obtained its latest determination letter on June 14, 2002 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan's management believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC. Therefore, the Plan's management believes that the related trust was tax-exempt and accordingly, no provision for Federal income taxes has been included in the Plan's financial statements.
