Section 8 – Other Events

Item 8.01 Other Events.

On August 30, 2010, HUGHES Telematics, Inc. (the “Company”) executed an agreement with a large insurance company (the “Partner”) to provide its in-Drive telematics services to certain customers of the Partner (the “Program Customers”). Pursuant to the agreement, the Company will configure its telematics platform to support the program and provide its aftermarket hardware device to the Program Customers to enable the delivery of telematics services to the Partner and the Program Customers. In addition, the Company will be responsible for, among other things, certain website development to allow the Program Customers to access program information and maintenance and support of the hardware devices, including warranty.

Pursuant to the agreement and subject to the Company’s fulfillment of its obligations thereunder, the Company will receive minimum aggregate payments from the Partner of approximately \$24.4 million over the next two years for, among other things, the configuration of the Company’s telematics platform to support the program, development of the program website, the final testing and deployment of the hardware device, other program launch activities and the procurement by the Company of an agreed upon minimum number of hardware devices which the Company will provide to the Program Customers. The Company will receive approximately \$5.5 million of such amounts by the end of 2010 and expects to receive an additional \$15.0 million in 2011 and the remaining balance in 2012. In addition, the Company expects to receive recurring payments from the Program Customers subject to and in connection with their subscription to the offered telematics services.
