Item 8.01 Other Events.

On January 14, 2012, the board of directors of Westinghouse Solar, Inc., a Delaware corporation, (“we” or the “Company”) approved actions to further reduce our operating costs for the period through the anticipated merger closing with CBD Energy Limited (“CBD”). As a result of the decision, on January 15, 2012, the Company implemented a 12 person employee headcount reduction. No restructuring charges or severance payments were incurred.

CBD and the Company are working toward completion of the Form F-4 Registration Statement and Proxy, planned to be filed in the coming weeks with the Securities and Exchange Commission. The companies currently anticipate merger closing early in the second quarter of this year. CBD has applied for listing on the NASDAQ Stock Exchange, to be effective upon consummation of the merger. CBD intends to delist from the ASX upon merger closing, subject to shareholder approval.

The Company is actively working with CBD to produce Westinghouse Solar modules at a CBD facility in Australia. The processes to obtain necessary product certifications for both U.S. and Australian distribution are currently underway and are expected to be completed during the first quarter of this year. Once the certifications are received, the Company anticipates shipping product from the new production line to customers by early in the second quarter of this year.

On December 28, 2012, the Company filed a complaint against Lennar Homes, LLC (“Lennar”) in the United States District Court for the Southern District of Florida stating claims for breach of contract under a supply agreement with the Company. As previously disclosed, Lennar had agreed to purchase solar power systems from the Company for residential housing Lennar was developing and constructing. Under the agreement, Lennar had a 600 home order commitment by March 1, 2012, with stated penalty amounts payable for any shortfall below that minimum. Through December 28, 2012, Lennar had only ordered and paid for solar power systems for 234 new homes.
