On February 12, 2013, the Compensation Committee of the Board of Directors (the “Board”) of Alpha and Omega Semiconductor Limited (the “Company”) approved an amendment to the Company's incentive bonus plan for the fiscal year period from July 1, 2012 to June 30, 2013 (the “Incentive Plan”). The amendment makes the following two changes to the Incentive Plan: (i) the corporate performance goals for fiscal year 2013 relating to operating income were revised to be based on Non-GAAP operating income instead of GAAP operating income; and (ii) the minimum percentage of target performance goals that must be achieved for bonus payout was revised to 80% from 90%. In addition, on February 14, 2013, the independent directors of the Board, based upon the recommendation of the Compensation Committee, approved discretionary cash bonus payments to the Company's executive officers (except for the Chief Executive Officer) and certain key employees based on its assessment of each such individual's performance and the Company's financial results for the period from July 1, 2012 to December 31, 2012.
