PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Blue Earth, Inc. (the Company) for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at 8:00 a.m., Pacific Coast Time, on July 18, 2014, at Sun City MacDonald Ranch Community Association, 2020 W. Horizon Ridge Parkway, Henderson Nevada 89012 and any adjournment thereof. This proxy material is being mailed to stockholders commencing on or about June 16, 2014.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on July 18, 2014.

This Proxy Statement, the form of proxy, the Company's Annual Report and Quarterly Report are available at <http://ir.stockpr.com/blueearthinc/proxy-materials>.

VOTING SECURITIES; PROXIES

The Company will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, certain officers and employees of the Company, without additional remuneration, may also solicit proxies personally by telecopier and by telephone. In addition to mailing copies of this material to stockholders, the Company may request persons who hold stock in their names or custody or in the names of nominees for others, to forward such material to those persons for whom they hold stock of the Company and reimburse them for their expenses in connection therewith, and to request their authority for execution of the proxies.

A majority of the outstanding shares of the Company's common stock, par value \$.001 per share (the Common Stock), present in person or represented by proxy shall constitute a quorum at the Annual Meeting. The approval of a plurality of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for election of the nominees as directors. The approval of the Amended Articles of Incorporation requires the affirmative vote of the majority of the outstanding shares of Common Stock and Preferred Stock present in person or represented by proxy at the Annual Meeting, and voting together as one class, is required for adoption of such matters.

The form of proxy solicited by the Board of Directors affords stockholders the ability to specify a choice among approval of, disapproval of, or abstention with respect to each matter to be acted upon at the Annual Meeting. This proxy statement is accompanied by a copy of our Annual Report on Form 10-K/A, Amendment No. 4 for the period ended December 31, 2013 and Quarterly Report on Form 10-Q for the period ended March 31, 2014. Shares of Common Stock represented by the proxy will be voted, except as to matters with respect to which authority to vote is specifically withheld. Where the solicited stockholder indicates a choice on the form of proxy with respect to any matter to be acted upon, the shares will be voted as specified. Abstentions and broker non-votes will not affect the outcome of the election of directors or the adoption of proposals 3 and 4, advisory votes on compensation. With respect to all other matters to be voted on by stockholders at the Annual Meeting, abstentions will have the same effect as no votes, and broker non-votes will have the effect of a no vote with respect to proposal 2, the charter amendment and no effect on the outcome of the other votes.

At the close of business on May 20, 2014, there were 63,974,389 shares of Common Stock outstanding and eligible for voting at the Annual Meeting. There were 460,900 shares of Series C Convertible Preferred Stock entitled to vote 5,162,080 shares on an as converted basis. Thus, there are 69,136,469 shares to be voted at the Annual Meeting. Each stockholder of record is entitled to one vote for each share of Common Stock held on all matters that come before the Annual Meeting. Only stockholders of record at the close of business on May 20, 2014, are entitled to notice of, and to vote at, the Annual Meeting.

How to Vote

Stockholders as of the record date may have their shares voted by submitting a proxy or may vote in person at the special meeting by following the instructions provided on the enclosed proxy card. Stockholders who hold their shares beneficially in street name and wish to submit a proxy must provide instructions to the broker, bank, trustee or other nominee that holds their shares of record as to how to vote their shares with respect to the applicable proposals.

Stockholders of record may submit a proxy in one of three ways or vote in person at the special meeting:

Internet: Stockholders may submit their proxy over the Internet at the web address shown on their proxy card. Stockholders will be given an opportunity to confirm that their voting instructions have been properly recorded. Stockholders who submit a proxy via the Internet should NOT send in their proxy card.

Mail: Stockholders may submit their proxy by properly completing, signing, dating and mailing their proxy card in accordance with the instructions contained on the proxy card.

In Person: Stockholders may vote in person at the special meeting or by sending a representative with an acceptable proxy that has been signed and dated. Attendance at the special meeting will not, however, in and of itself constitute a vote or a revocation of a prior proxy.

Stockholders are encouraged to submit a proxy promptly. Each valid proxy received in time will be voted at the annual meeting according to the choice specified, if any. Executed, but uninstructed proxies (i.e., proxies that are properly signed, dated and returned, but are not marked to tell the proxies how to vote) will be voted in accordance with the recommendations of the Company's board of directors.

Revocability of Proxy

A stockholder who has given a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary of the Company, by executing and delivering to the Company a later dated proxy reflecting contrary instructions, or by appearing at the Annual Meeting and taking appropriate steps to vote in person.

No Dissenter's Rights

Under Nevada law, stockholders are not entitled to dissenter's rights of appraisal with respect to Proposals 2 and 3.

All shares of Common Stock represented by properly executed proxies, which are returned and not revoked will be voted in accordance with the instructions, if any, given therein. If no instructions are provided in a proxy, the shares of Common Stock represented by such proxy will be voted **FOR** the Board's nominees for director, **FOR** the increase in the authorized shares of the Company's Common Stock to 500,000,000 shares, **FOR** adoption on advisory vote on executive compensation and **FOR** say on pay votes every three years, and in accordance with the proxy-holder's best judgment as to any other matters raised at the Annual Meeting.

Stockholder Vote Required

COMPENSATION DISCUSSION & ANALYSIS

We seek to have compensation programs for our named executive officers that are intended to achieve a variety of goals, including, but not limited to:

attracting and retaining talented and experienced executives in the evolving and competitive energy efficiency industry;

motivating and fairly rewarding executives whose knowledge, skills and performance are critical to our success; and

providing fair and competitive compensation.

During 2012 and 2013, the entire Board of Directors consisting of Laird Cagan, Chairman of the Board and Johnny Thomas, Chief Executive Officer, determined all matters and there was no compensation committee. During 2012, the sole Named Executive Officers were Johnny Thomas, Chief Executive Officer, and John C. Francis, Vice President of Corporate Development, who resigned as an executive officer effective May 16, 2013, with the appointment of new management from the Company's acquisition of IPS Engineering, Inc. The cash compensation of Messrs. Thomas and Francis consisting of salaries of \$174,000 and \$150,000 was pursuant to at will employment contracts first entered into as of September 1, 2010 (as subsequently amended) and approved by a prior independent Board of Directors, which subsequently resigned when the Company entered into a new industry. The relatively small base salaries to Messrs. Thomas and Francis were requested by those officers in view of the Company's cash needs as an emerging growth company. The warrants granted under the employment agreements and subsequent regrants were the primary incentive to management to grow the Company.

The additional named executive officers hired in 2013 each negotiated their compensation in connection with the sale of their respective companies to the Company and had no prior relationship with the Company.

The Compensation Committee took office on January 1, 2014. In determining executive compensation for fiscal year 2014 the Compensation Committee intends to compensate named executive officers and reward them for both Company-wide and individual performance and to attempt to link pay and performance. This policy is intended to assure that our compensation practices are competitive with those in the industry. However, given the fact that our named executive officers are working under employment contracts which generally include performance based equity compensation the only flexibility the Compensation Committee will have is with new hires or cash bonuses to existing officers for extraordinary performance. Our chief executive officer, as he did for prior fiscal years, intends to assist the Compensation Committee in determining compensation for the other named executive officers.

Elements of Executive Officer Compensation

Overview. Total compensation paid to our executive officers is divided among three principal components. Base salary is fixed under employment contracts and does not vary based on our financial and other performance. Other components, such as cash bonuses and stock options, are variable and dependent upon the Company performance. Judgments about these elements will be made subjectively by the Compensation Committee. The value of the stock options and warrants is dependent upon our future stock price and, accordingly, is intended to reward the named executive officers for favorable Company-wide performance.

Our Compensation Committee will review total compensation particularly to any new hires to see if it falls in line with peer companies and may also look at overall market data. Our goal will be to promote pay for performance and emphasize the variable elements of overall compensation over fixed base salaries. In this regard, it will be our policy to emphasize long-term equity awards over short-term cash bonuses as the long-term awards are intended to align with

goals such as total shareholder return.

Base Salary. We pay our executives a base salary, which we review annually based on existing employment contracts. We believe that a competitive base salary is a necessary element of any compensation program. Base salaries are established, in part, based on the executive's individual position, responsibility, experience, skills, historic salary levels with his prior business. We will seek going forward to align base compensation levels comparable to our competitors and other companies similarly situated. We do not view base salaries as primarily serving our objective of paying for performance. Furthermore, we believe that our salary levels when combined with long-term equity awards will allow us to hire new executive officers when and as required.

Cash Incentive Bonuses. Consistent with our emphasis on pay-for-performance incentive compensation programs, our executives will be eligible to receive cash incentive bonuses based upon extraordinary performance during the year.

Equity Compensation. We believe that stock options and warrants are an important long-term incentive for our executive officers and other employees and generally align officer interest with that of our stockholders. They are intended to further our emphasis on pay-for-performance.

The Compensation Committee will not have any formal plan or obligation that requires it to grant equity compensation to any executive officer. The authority to make equity grants to our executive officers rests with our full Board of Directors based upon recommendations made by the Compensation Committee. The Committee will consider the input of our chief executive officer in setting the compensation of our other executive officers, including in the determination of appropriate levels of equity grants.

Regulatory Considerations

We account for the equity compensation expense for our employees under the rules of FASB Accounting Standard Codification 718, Compensation - Stock Compensation, or ASC 718.

As disclosed in Note 9 to the audited financial statements for the year ended December 31, 2013, The Company estimates the fair value of share-based compensation utilizing the Black-Scholes option pricing model, which is dependent upon several variables such as the expected option term, expected volatility of our stock price over the expected option term, expected risk-free interest rate over the expected option term, expected dividend yield rate over the expected option term, and an estimate of expected forfeiture rates. The Company believes this valuation methodology is appropriate for estimating the fair value of stock options granted to employees and directors which are subject to ASC Topic 718 requirements. These amounts are estimates and thus may not be reflective of actual future results, nor amounts ultimately realized by recipients of these grants. The Company recognizes compensation on a straight-line basis over the requisite service period for each award. The following table summarizes the assumptions the Company utilized to record compensation expense for stock warrants and options granted during the years ended December 31, 2013:

Expected term (years)	5.0 - 10.0

Employment Agreements

There are no material plans, contracts or arrangements pursuant to which any executive officer is a party or in which he participates other than those available to all officers and directors of the Company.

On August 31, 2010, the Company entered into an "at will" employment agreement, effective as of September 1, 2010, with Dr. Johnny R. Thomas, as Chief Executive Officer and President of the Company. Dr. Thomas' base salary was initially ninety nine thousand dollars (\$99,000.00) per annum. He is eligible to receive a bonus to be established by the Compensation Committee of the Board of Directors for extraordinary performance. The agreement provides for a non-competition and non-solicitation period of one-year from the termination of employment. In the event that an officer is terminated without cause: (i) he shall receive a cash settlement of \$75,000, and (ii) 50% of all unvested warrants issued under his employment agreement, as amended, shall vest immediately. Dr. Thomas was granted warrants to purchase an aggregate of one (1) million shares of Common Stock, exercisable for ten (10) years at \$1.00 per share, all of which have vested.

On August 31, 2010, the Company entered into an at will employment agreement, effective as of September 1, 2010, with John C. Francis, by resolution of the board as Vice-President, Corporate Development and Investor Relations of the Company. Mr. Francis's base salary was initially seventy-five thousand dollars (\$75,000.00) per annum. All other terms of employment are the same as set forth in Dr. Thomas' agreement described above.

On March 1, 2011, the Board of Directors of the Company amended the employment agreements of Dr. Johnny R. Thomas and John C. Francis by resolution of the Board. Each of their employment agreements dated September 1, 2010 were amended effective February 1, 2011, pursuant to Board of Directors resolutions to increase their annual salaries by \$75,000. Johnny R. Thomas's salary increased from \$99,000 to \$174,000 and John Francis's salary from \$75,000 to \$150,000. Effective as of May 16, 2013, upon the Company entering the employment agreements with Robert Potts and Brett Woodard, John Francis was no longer deemed to be an executive officer of the Company.

Johnny R. Thomas and John C. Francis were each awarded five-year performance warrants to purchase 1,000,000 shares each at an exercise price of \$1.25 per share. In November 2012 the warrant exercise price was reduced to \$0.01 per share, the warrants was extended to ten years and the vesting criteria was amended to remove the milestone criteria. All of these warrants also vest when the holders exercise the warrants and purchase Common Stock and are therefore deemed to be currently exercisable. All of these warrants are fully vested.

On August 5, 2013, the Board of Directors of the Company approved a three-year extension to Dr. Thomas's employment agreement through August 31, 2016. Dr. Thomas's salary remained at \$174,000 per annum. The Board approved the grant of ten (10)-year warrants to purchase 1,000,000 shares at an exercise price of \$.01 per share. The warrants vested one quarter (250,000 shares) upon grant and 62,500 shall vest quarterly on the last day of each calendar quarter until the remaining 750,000 warrants vest on September 30, 2016.

On August 5, 2013, the Board of Directors of the Company approved a three-year extension to Mr. Francis employment agreement through August 31, 2016. The Board approved the grant of ten (10)-year warrants for services rendered to purchase 400,000 shares at an exercise price of \$.01 per share which vest over a three-year period.

On October 5, 2013, the Board of Directors granted Mr. Francis ten-(10) year warrants to purchase 200,000 shares at an exercise price of \$.01 per share for services rendered, all of which were fully vested. All of the foregoing issuances were simultaneous with the assignment of a part of the warrants for estate planning purposes. The Board evaluated the performance of Mr. Francis relative to his compensation and determined that his contributions to the Company warranted bonus compensation. Mr. Francis was a critical manager in the development and implementation of the business model, the acquisitions, investor relations and capital formation. The Company raised over \$20 Million in equity in 2013, which would not have been possible without the efforts of Mr. Francis, the Chairman and Dr. Thomas.

The Company entered into an employment agreement effective May 16, 2013, with Robert Potts. Under this Agreement, Mr. Potts will serve as Chief Operating Officer of the Company for a five-year period. The Agreement is automatically renewable for one-year periods on the same terms and conditions unless the Company gives written notice to Mr. Potts at least one-year before May 15, 2018. Mr. Potts's base salary is \$300,000 per annum, however, he agreed to reduce his first year salary to \$120,000. Mr. Potts will be entitled to a bonus of \$180,000 on December 31, 2014, in the event at least four power plant projects reach commercial operations by that date. In addition, Mr. Potts will be entitled to a cash bonus equal to a percentage of pre-tax net profits of the Blue Earth CHP division above those forecasted at the time Mr. Potts' employment commenced. Mr. Potts will forfeit 25% per year (up to 75% in total) of the 3,070,000 shares of the Company's Common Stock which he received upon the acquisition of IPS, subject to release from escrow as initial power plants are turned on, if he terminates the Agreement without good reason on at least two months prior notice. Mr. Potts also received warrants to purchase 1,200,000 shares exercisable at \$1.18 per share for ten years. If the Agreement is terminated by Mr. Potts for good reason he will be entitled to an amount equal to his annual base salary for one year, any earned but unpaid bonus and any deferred compensation. The Agreement is also terminable by the Company for cause. The Agreement provides for a one-year restricted period following termination of employment, from engaging in a competitive business, or for soliciting employees from and terminating their employment with the Company or hiring any person previously employed by the Company within 90 days of such hiring.

The Company entered into an employment agreement effective May 16, 2013 with Brett Woodard to be the Chief Financial Officer of the Company. It is a five-year agreement with substantially the same terms as Mr. Potts' agreement.

On January 31, 2014, the Company entered into a two-year employment agreement with Donald R. Kendall, Jr. which shall be automatically extended for one-year periods unless terminated by either party on at least thirty (30) days prior written notice. There is no specific time requirement under the contract. Mr. Kendall is being compensated at the rate of \$120,000 per annum. He received an aggregate of 1,300,000 stock options under his employment contract exercisable at \$2.00, the fair market value of the Company's common stock, when the purchase price was agreed to on December 4, 2013. The Company agreed to negotiate in good faith success fees for transactions he introduces or for which Kendall is actively involved. Mr. Kendall is entitled to a year's severance pay, plus earned bonuses if his contract is terminated by him for good reason or if he is terminated without cause. Kendall is subject to a non-compete and non-solicitation for the longer of the period he is employed by the Company or for two years from the execution of his agreement.

Simultaneously with entering into Mr. Kendall's employment, the Company purchased 100% of the equity interests in Kenmont Solutions Capital GP, LLC (Kenmont), the Company owned by Donald Kendall. The Company issued 25,000 shares of its restricted common stock pursuant to an Equity Exchange Agreement. The Company simultaneously entered into a Sale of Goodwill Agreement to purchase Kendall's personal goodwill. The purchase price for Kendall's goodwill was 1,725,000 shares of restricted common stock of the Company and options to purchase 200,000 shares of common stock at an exercise price of \$2.00 per share. The above-described 1,750,000 restricted

shares of the Company's common stock are subject to an eighteen (18)-month lock-up period and for a leak-out provision for the following twelve (12)-month period ending thirty (30) months from January 31, 2014.

Consulting Agreements

In connection with the Company's acquisition of IPS Engineering, Inc. it entered into substantially similar Independent Contractor and Service Agreements with Broadway Family Group LLC and Green Planet Investment Consultants, affiliates of IPS Engineering, Inc. on June 3, 2013, and July 1, 2013, respectively. The agreements are for three years to provide consulting services to the Company. The consultants each received warrants to purchase 1,200,000 shares exercisable at \$1.18 per share for ten years. The Warrants vest when the various power plants commence production and produce revenues. The consultants are subject to non-solicitation and non-compete provisions during their consulting and for a one-year period thereafter.

The Company entered into an Independent Consulting Agreement effective as of November 15, 2011 with Remanco Inc., an entity controlled by David Lies, a principal shareholder of the Company. On October 12, 2013, the Agreement was extended until November 14, 2014. Mr. Lies was granted warrants to purchase 100,000 shares of Common Stock at \$.01 per share for five years. See Certain Relationships and Related Transactions and Director Independence below for information concerning various warrants issued to Members of Management.

Effective February 17, 2014, D. Jason Davis and Joseph Patalano entered into a consulting agreement with Blue Earth and ceased to serve as officers and directors or employees of Xnergy on that date. They will focus their business time on project development, rather than construction of projects. They will be paid a success fee on projects they develop. Mr. Davis was paid \$50,000 against future compensation that may be due to him, and Mr. Patalano was awarded 35,000 shares of common stock as a consultant fee. Messrs. Davis and Patalano will be paid for projects they source and develop, a success fee of 8% of gross profits if no developer is involved, and 4% if a developer is involved, and for certain projects which the consultants develop they will be paid a developer fee mutually agreed to based on the economics of the project.

Equity Incentive Plan

On October 30, 2009, our board of directors and stockholders adopted the 2009 Equity Incentive Plan. As long as he is employed by Castrovilla, Mr. Pink's option remained exercisable in three equal installments of 10,000 shares each on December 31, 2011, 2012 and 2013, only if Castrovilla operations as currently situated achieve EBITDA levels of \$870,000, \$1,044,000 and \$1,252,000, respectively. Francis, to each purchase 1,000,000 shares of Common Stock at \$0.01 per share, with a combined value of \$3,717,865. The warrants issued to Johnny R. Thomas and John C. The Warrants were assigned and exercised by non-affiliated third parties to assist the Company with its cash flow needs.

An aggregate of approximately \$1,734,000 was paid to the Company and zero cash was received by Johnny R. Thomas, John C. Francis or their affiliates. Since all of the prior warrants were assigned and/or exercised, Messrs. Thomas and Francis did not increase their ownership position through the grant of new warrants. The Company also repaid \$691,853 of principal and \$58,147 of accrued interest on several of the above-described notes during 2013. The demand notes payables accrued interest at 12% per annum and are unsecured. Mr. Cagan was also granted ten-year warrants exercisable as of April 17, 2013, at \$0.01 per share, valued at \$1,239,288, to purchase 1,000,000 shares of Common Stock in consideration of his serving as an emergency financing source.

The Company granted Mr. Cagan 1,000,000 ten-year warrants exercisable at \$0.01 per share, valued at \$2,395,195, as of December 19, 2013. These warrants were issued in recognition of his work in a tireless manner as an executive chairman without any cash compensation or bonus during the past three years. This included his efforts in the successful acquisition of six companies and strategically rendering the business from a position of zero revenues and no employees to growth of over 100 employees, together with raising \$20 million of equity and a market capitalization of approximately \$150 million.

In connection with the Company's May 16, 2013 acquisition of IPS Engineering Inc. the Company entered into substantially similar consulting agreements with Broadway Family Group LLC and Green Planet Consultants LLC for which they each received ten-year warrants to purchase 1,200,000 shares of common stock exercisable at \$1.18 per share, valued at a total of \$7,178,745. CORPORATE GOVERNANCE DIRECTOR AND COMMITTEE INFORMATION

Composition of the Board of Directors. Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. The Board has established procedures consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission, and The NASDAQ Stock Market prior to the Company being listed on a national securities exchange. During the year ended December 31, 2013, the Board of Directors consisted of two directors, Laird Cagan, Chairman of the Board, and Johnny R. Thomas, Chief Executive Officer. They held one in-person meeting, two telephonic meetings and approved all other matters of the Board by unanimous written consent. Commencing in 2014, with the addition of three new independent directors, the Company has approved all Board matters through unanimous written consent and telephonic meetings and intends to hold in-person meetings.

Independent Directors

We believe Laird Cagan is an independent director, as that term is defined by listing standards of the national securities exchanges and SEC rules, including the rules relating to the independence standards of an audit committee and the non-employee director definition of Rule 16b-3 of the Exchange Act. The Company's Board of Directors has elected Michael W. Allman, James A. Kelly and Governor Bill Richardson to its Board of Directors. Each serves as an independent director for a two-year term which commenced on January 1, 2014. Each of these three persons will serve as an independent director and where noted on the respective committees listed below.

We believe that our Board of Directors should be composed of individuals with sophistication and experience in many substantive areas that impact our business. We believe that experience, qualifications, or skills in the following areas are most important: experience in the energy industry; regulatory; accounting and finance; capital markets; strategic planning; business development practices; and board practices of other corporations. These areas are in addition to the personal qualifications described above for each director. We believe that all of our current Board members possess the professional and personal qualifications necessary for Board service, and have highlighted particularly noteworthy attributes for each Board member in the individual biographies above.

Our combined heat and power and solar projects, generate electricity at the customer's site, as such, they interface with the traditional electric grid. Mr. Allman and Mr. Kelly have managed large electric grids for many years; therefore their grid experiences are directly applicable to our core business. In addition, public utilities, such as those they managed for many years oversee multi-billion dollar rebate programs for energy efficiency. These experiences are directly relevant to our energy efficiency business. As part of the administration of the large rebate programs, the

public utilities that they managed are early reviewers and evaluators of new technology. Therefore, we believe they provide exceptional inputs to the Company when evaluating technology acquisitions and for marketing of our existing technology. Federal and State governments have many policies and programs that directly influence our business model in all areas, alternative energy, energy efficiency and technology. Governor Richardson provides valuable insight and access to the political process and political decision making leaders.

Board Committees

During the year ended December 31, 2013, the Board consisted of two directors and the Company did not have any committees. Effective January 1, 2014, the Board has delegated various responsibilities and authority to different Board committees. The Board has three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee. The Board has appointed only independent directors to such committees. The members of each committee are appointed by the Board and serve only one-year terms. Committees regularly reported on their activities and actions to the full Board of Directors. Each committee has a written charter adopted by the Board of Directors under which it operates. As set forth below, copies of the respective charters are attached hereto as appendices to this Proxy Statement.

Audit Committee

The audit committee's duties are to recommend to our board of directors the engagement of independent auditors to audit our financial statements and to review our accounting and auditing principles. The audit committee reviews the scope, timing and fees for the annual audit and the results of audit examinations performed by independent public accountants, including their recommendations to improve the system of accounting and internal controls. The audit committee oversees the independent auditors, including their independence and objectivity. However, the committee members are not acting as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and the independent auditors. The audit committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist the audit committee in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors. Our audit committee members possess an understanding of financial statements and generally accepted accounting principles. Michael W. Allman serves as Chairman of the Audit Committee, which also consists of James A. Kelly and Laird Q. Cagan.

Audit Committee Financial Expert. The Board of Directors has determined that Michael W. Allman is an audit committee financial expert as such term is defined by the SEC. As noted above, Mr. Allman, as well as the other members of the Audit Committee, has been determined to be independent within the meaning of SEC and exchange regulations.

Compensation Committee

The compensation committee has certain duties and powers as described in its charter, including but not limited to periodically reviewing and approving our salary and benefits policies, compensation of our executive officers, administering our stock option plans, and recommending and approving grants of stock options under those plans. James A. Kelly serves as Chairman of the Compensation Committee, which also consists of Michael W. Allman and Laird Q. Cagan.

Nominating Committee

The nominating and corporate governance committee considers and makes recommendations on matters related to the practices, policies and procedures of the board of directors and takes a leadership role in shaping our corporate governance. As part of its duties, the nominating and corporate governance committee assesses the size, structure and composition of the board of directors and its committees, coordinates evaluation of board performance and reviews

board compensation. The nominating and corporate governance committee also acts as a screening and nominating committee for candidates considered for election to the board of directors. James A. Kelly serves as Chairman of the Nominating and Corporate Governance Committees, which also consists of Michael W. Allman and Laird Q. Cagan.

Compensation Committee Interlocks and Insider Participation

None of our directors or executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our board of directors.

Director or Officer Involvement in Certain Legal Proceedings

Our directors and executive officers were not involved in any legal proceedings as described in Item 401(f) of Regulation S-K in the past ten years.

Directors and Officers Liability Insurance

We have directors and officers liability insurance insuring our directors and officers against liability for acts or omissions in their capacities as directors or officers, subject to certain exclusions. Such insurance also insures us against losses which we may incur in indemnifying our officers and directors. In addition, we have entered into indemnification agreements with key officers and directors and such persons shall also have indemnification rights under applicable laws, and our certificate of incorporation and bylaws.

Board Leadership Structure and Role in Risk Oversight

Although we have not adopted a formal policy on whether the Chairman and Chief Executive Officer positions should be separate or combined, we have determined that it is in the best interests of the Company and its shareholders to keep these roles separate.

Our Audit Committee is primarily responsible for overseeing our risk management processes on behalf of our board of directors. The Audit Committee receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our company's assessment of risks. In addition, the Audit Committee reports regularly to the full Board of Directors, which also considers our risk profile. The Audit Committee and the full Board of Directors focus on the most significant risks facing our company and our company's general risk management strategy, and also ensure that risks undertaken by our Company are consistent with the Board's appetite for risk. While the Board oversees our company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our company and that our Board leadership structure supports this approach.

Committees of the Board of Directors

In June 2013, the Board of Directors adopted charters relative to its audit committee, compensation committee and nominating committee. However, until January 1, 2014, the entire Board determined all matters and no Committees had been formed.

Audit Committee Charter. The Audit Committee performs its duties under a written charter approved by the Board of Directors. The Audit Committee charter is filed as Appendix B to our proxy statement.

Independence of Audit Committee Members. All members of the Audit Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 5605(a)(2) of the NASDAQ Listing Rules and under the Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Compensation Committee Charter. The Board of Directors has adopted a Compensation Committee charter to govern its Compensation Committee. The Compensation Committee charter is filed as Appendix C to our proxy

statement.

Governance Committee Charter. In June 2013, the Board adopted the Nominating and Corporate Governance Committee Charter, a copy of which is filed as Appendix D to our proxy statement.

Related Party Transactions

Reference is made to Footnote 13 to the Company's financial statements included in the Company's Annual Report for period ending December 31, 2013.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, officers and employees, including principals executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is attached as Appendix E to our proxy statement and is also available without charge upon written request directed to Blue Earth, Inc., Attention: Secretary, 2298 Horizon Ridge Parkway, Suite 205 Henderson, Nevada 89052.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, named executive officers and persons holding more than 10% of a registered class of the equity securities of the Company to file with the SEC and to provide us with initial reports of ownership, reports of changes in ownership and annual reports of ownership of Common Stock and other equity securities of the Company. Based solely on a review of the reports furnished to us, or written representations from reporting persons that all reportable transaction were reported, we believe that during the fiscal year ended 2013, our officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a), except as follows:

Two Form 4's for D. Jason Davis and one Form 4 for Laird Cagan were filed late.

PROPOSAL 2

AMENDING THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

The affirmative vote of a majority of the 69,136,469 shares of the issued and outstanding Common Stock and Preferred Stock voting on an as converted basis, is required for the approval of the proposal to amend the Company's Articles of Incorporation and effect the increase in the authorized shares of the Company's common stock, par value \$.001 per share, from 100,000,000 to 500,000,000.

The Certificate of Amendment to the Company's Articles of Incorporation that reflects the increase in the authorized common stock is attached hereto as Appendix A. The increase in the authorized common stock will become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Nevada, which is expected to occur as soon as is reasonably practicable following shareholder approval of this proposal.

As of May 20, 2014, the Company had 97,912,126 shares of common stock issued and outstanding on a fully diluted basis, which includes the following: (i) 63,974,389 shares of common stock issued and outstanding; (ii) warrants exercisable for 26,289,418 shares of common stock; options to purchase 2,486,239 shares of common stock; and 460,900 shares of Preferred Stock (plus accrued dividends) convertible into 5,162,080 shares of common stock. Therefore, on a fully-diluted basis, there were only 2,087,873 shares of common stock available for future issuance, which requires us to seek approval to increase the authorized number of shares of common stock.

Reason for Increase

In order to permit the Company to raise capital or issue its common stock for other business purposes, the Company needs to increase the number of shares of its authorized common stock for issuance under its Articles of Incorporation. As a result of the increase in authorized common stock, the Company will be able to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, establishing

strategic relationships with corporate partners, acquiring or investing in complementary businesses or products, providing equity incentives to employees, and effecting stock splits or stock dividends.

The Company is at all times investigating additional sources of financing which the board of directors believes will be in the Company's best interests and in the best interests of the Company's shareholders. While the Company hopes to raise money in the near future, it currently has no plans, arrangements or understandings for the issuance of additional shares at the present time.

Effects of Increase

With an increase in the Company's authorized common shares, the board of directors will be able to issue those additional shares without the approval of the Company's shareholders, except as may be required by applicable law. In general, the issuance of any new shares of common stock will cause immediate dilution to the Company's existing stockholders, may affect the amount of any dividends paid to such stockholders and may reduce the share of the proceeds of the Company that they would receive upon liquidation of the Company. Another effect of increasing the Company's authorized common stock may be to enable the Board of Directors to render it more difficult to, or discourage an attempt to, obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board of Directors would, unless prohibited by applicable law, have additional shares of common stock available to effect transactions (such as private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company, even if such party is offering a significant premium over the current market price of the common stock. Such an issuance of shares of common stock would increase the number of outstanding shares, thereby possibly diluting the interest of a party attempting to obtain control of the Company. The Board of Directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this resolution was not presented with the intent that the increase in the Company's authorized common stock be utilized as an anti-takeover measure.

On September 29, 2011, the Company filed a Certificate of Designation and Preferences with the Secretary of State of Nevada to authorize the issuance of up to 300,000 shares of Series A Convertible Preferred Stock, \$10.00 face value, \$.001 par value per share (Series A Preferred Stock). The Series A Preferred Stock was offered in a private placement (the Preferred Stock Offering) of Units each consisting of one share of Series A Preferred Stock at \$10.00 per share and warrants to purchase one share of Common Stock for each two shares of Common Stock issuable upon conversion of Preferred Stock. Each share of Series A Preferred Stock was convertible at a rate of ten (10) shares of Common Stock, or \$1.00 per share. Each share not previously converted by the holder was automatically converted by the Company at \$1.00 per share (unless adjusted) upon the first to occur: (i) the fourth anniversary date of the issuance of the Series A Preferred Stock, or (ii) the closing price of the Common Stock trades at least \$2.25 per share for 60 consecutive calendar days which occurred. An aggregate of 283,052 shares of Series B Preferred Stock were sold. As of the date of this Prospectus, all shares of Series B Preferred Stock were converted into shares of Common Stock.

The Series C Preferred Stock is virtually identical to the Series A and B Preferred Stock except it may be automatically converted by the Company at \$1.00 per share of the closing price of the Company's Common Stock trades at least \$2.18 per share for 60 consecutive calendar days. As of July 3, 2013, an aggregate of 903,500 shares of Series C Preferred Stock (of which 570,000 shares remained outstanding as of December 31, 2013) were issued and outstanding convertible into 9,035,000 shares of Common Stock and 460,900 shares of Series C Preferred Stock were outstanding as of May 7, 2014.

Indemnification of Directors and Officers

Section 718.7502 of the Nevada Revised Statutes (NRS) provides, in general, that a corporation incorporated under the laws of the State of Nevada, as we are, may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than a derivative action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and

reasonably incurred by such person in connection with such action, suit or proceeding if such person (a) is not liable pursuant to Section 73.138 of the NRS, and (b) acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. In the case of a derivative action, a Nevada corporation may indemnify any such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person (a) is not liable pursuant to Section 73.138 of the NRS, and (b) acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation.

Our Articles of Incorporation and Bylaws provide that we will indemnify our directors, officers, employees and agents to the extent and in the manner permitted by the provisions of the NRS, as amended from time to time, subject to any permissible expansion or limitation of such indemnification, as may be set forth in any stockholders' or directors' resolution or by contract. In addition, our director and officer indemnification agreements with each of our directors and officers provide, among other things, for the indemnification to the fullest extent permitted or required by Nevada law, provided that no indemnitee will be entitled to indemnification in connection with any claim initiated by the indemnitee against us or our directors or officers unless we join or consent to the initiation of the claim, or the purchase and sale of securities by the indemnitee in violation of Section 16(b) of the Exchange Act.

Any repeal or modification of these provisions approved by our stockholders will be prospective only and will not adversely affect any limitation on the liability of any of our directors or officers existing as of the time of such repeal or modification.

We are also permitted to maintain insurance on behalf of any director, officer, employee or other agent for liability arising out of his actions, whether or not the NRS would permit indemnification.

Disclosure of Commission Position on Indemnification for Securities Act Liabilities

Insofar as indemnification for liabilities under the Securities Act may be permitted to officers, directors or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that it is the opinion of the Securities and Exchange Commission that such indemnification is against public policy as expressed in such Securities Act and is, therefore, unenforceable.

Anti-Takeover Effect of Nevada Law, Certain By-Law Provisions

Certain provisions of our Bylaws are intended to strengthen the board of directors' position in the event of a hostile takeover attempt. These provisions have the following effects:

We are subject to the provisions of NRS 78.378 to 78.3793, inclusive, an anti-takeover law which applies to any acquisition of a controlling interest in an "issuing corporation." In general, such anti-takeover laws permit the articles of incorporation, bylaws or a resolution adopted by the directors of an "issuing corporation" (as defined in NRS 78.3788) to impose stricter requirements on the acquisition of a controlling interest in such corporation than the provisions of NRS 78.378 to 78.3793, inclusive, as well as permit the directors of an issuing corporation to take action to protect the interests of the corporation and its stockholders, including, but not limited to, adopting plans, arrangements or other instruments that grant or deny rights, privileges, power or authority to holder(s) of certain percentages of ownership and/or voting power. Further, an "acquiring person" (and those acting in association) only obtains such voting rights in the control shares as are conferred by resolution of the stockholders at either a special meeting requested by the acquiring person, provided it delivers an offeror's statement pursuant to NRS 78.3789 and undertakes to pay the expenses thereof, or at the next special or annual meeting of stockholders. In addition, the anti-takeover law generally provides for (i) the redemption by the issuing corporation of not less than all of the "control shares" (as defined) in accordance with NRS 78.3792, if so provided in the articles of incorporation or bylaws in effect on the 10th day following the acquisition of a controlling interest in an "issuing corporation", and (ii) dissenter's rights pursuant to NRS 92A.300 to 92A.500, inclusive, for stockholders that voted against authorizing voting rights for the control shares.

We are also subject to the provisions of NRS 78.411 to 78.444, inclusive, which generally prohibits a publicly held Nevada corporation from engaging in a "combination" with an "interested stockholder" (each as defined) that is the beneficial owner, directly or indirectly, of at least ten percent of the voting power of the outstanding voting shares of the corporation or is an affiliate or associate of the corporation that previously held such voting power within the past three years, for a period of three years after the date the person first became an "interested stockholder", subject to certain exceptions for authorized combinations, as provided therein.

In accordance with NRS 78.195, our articles of incorporation provide for the authority of the board of directors to issue shares of preferred stock in series by filing a certificate of designation to establish from time to time the number of shares to be included in such series and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof, subject to limitations prescribed by law.

Vote Required for Approval

The affirmative vote of a majority of the voting shares (preferred and common) issued and outstanding and voting together as one class is required to amend the certificate of incorporation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2 TO AMEND ARTICLE THIRD OF THE CERTIFICATE, AND EFFECT AN INCREASE OF THE AUTHORIZED COMMON STOCK OF THE COMPANY TO 500,000,000 SHARES.

PROPOSAL NO. 3

Advisory Vote on Executive Compensation

The Company is providing its shareholders with the opportunity to cast an advisory vote on executive compensation as described below. We believe that it is appropriate to seek the views of shareholders on the design and effectiveness of the Company's executive compensation program.

Our overall goal for the executive compensation program is to attract, motivate, and retain a talented and creative team of executives who will provide leadership for our success in very competitive markets in a competitive industry. The Company seeks to accomplish this goal in a way that rewards performance and that is aligned with shareholders long-term interests. We believe that our executive compensation program, which utilizes both short-term and long-term equity awards, satisfies this goal and is strongly aligned with the long-term interest of our shareholders. The Company did not have a Compensation Committee during fiscal 2013, which went into effect on January 1, 2014 with the addition of three new independent directors. We believe that the compensation program for the Named Executive Officers is instrumental in helping the Company achieve strong financial performance.

The Company requests shareholder approval of the compensation of the Company's Named Executive Officers as disclosed pursuant to the Securities and Exchange Commission's compensation rules (which include the narrative disclosures that accompany the compensation tables).

As an advisory vote, this proposal is not binding upon the Company. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for the Named Executive Officers.

Vote Required

Approval of Proposal No. 3 requires that the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition. Abstentions and broker non-votes will not affect the outcome of this proposal.

THE BOARD RECOMMENDS THAT THE COMPENSATION PAID TO THE COMPANY S NAMED EXECUTIVE OFFICERS, AS DISCLOSED PURSUANT TO ITEM 402 OF REGULATION S-K IS HEREBY APPROVED.

PROPOSAL NO. 4

Advisory Vote on the Frequency of Say-on-Pay Votes

The Company is providing shareholders an advisory vote to approve how often the Company votes on executive compensation as required by Section 14A of the Exchange Act. Section 14A was added to the Exchange Act by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act). The advisory vote to approve executive compensation is not a vote on the Company s general compensation policies or the compensation of the Company s Board of Directors. The Dodd-Frank Act requires the Company to hold the advisory vote to approve executive compensation at least once every three years. We believe that our compensation policies and procedures align with the Company s strategic objectives and the long-term interests of our shareholders. Our compensation program is guided by the philosophy that total executive compensation should vary based on achievement of goals and objectives, both individual and corporate, and should be focused on long-term strategies to build stockholder value. We believe that our philosophy and practices have resulted in executive compensation decisions that are appropriate and that have benefited the Company over time.

The Compensation Committee will generate an executive compensation program, which is intended to reward named executive officers for sustaining our financial and operating performance and leadership excellence, along with the limited use of executive perquisites and reasonable severance pay multiples contribute to an executive compensation program that is competitive yet strongly aligned with stockholder interests.

This Proposal No. 4 provides shareholders with the opportunity to cast an advisory vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual shareholder meetings (or a special shareholder meeting for which we must include executive compensation information in the proxy statement for that meeting). Under this Proposal No.4, shareholders may vote to have the say-on-pay vote every three years, or they may abstain.

We believe that say-on-pay votes should be conducted every three years. This is the first year that shareholders are provided with the opportunity to cast a say-on-pay vote, and the Compensation Committee, which administers our executive compensation program, values the opinions expressed by shareholders and will consider the outcome of these votes in making its decisions on executive compensation in the future.

Vote Required

The option of one year, two years, or three years which receives the highest number of votes will be the option recommended by the shareholders. Abstentions and broker non-votes will not affect the outcome of this approval.

Recommendation of the Board

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE ON PROPOSAL NO. 4 TO HOLD SAY-ON-PAY VOTES EVERY THREE YEARS (AS OPPOSED TO EVERY ONE YEAR OR EVERY TWO YEARS).

AUDIT COMMITTEE REPORT

The following report is being furnished with the Proxy Statement and is not deemed to be soliciting material or to be filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act and the report shall not be deemed to be incorporated by reference into any prior to subsequent filing by the Company under the Securities Act of 1933 or the Exchange Act.

The Audit Committee evidenced its completion of and compliance with the duties and responsibilities set forth in the adopted Audit Committee Charter through a formal written report dated and executed as of February 28, 2014. A copy of that report is set forth below.

The Board of Directors

Blue Earth, Inc.

Fellow Directors:

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Corporation's financial reporting process. The Audit Committee conducted its oversight activities for Blue Earth, Inc. and subsidiaries (the Company) in accordance with the duties and responsibilities outlined in the audit committee charter. The Audit Committee annually reviews the NASDAQ standard of independence for audit committees and its most recent review determined that the committee meets that standard.

The Company's management is responsible for the preparation, consistency, integrity and fair presentation of the financial statements, accounting and financial reporting principles, systems of internal control, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Corporation's independent auditors, HJ & Associates LLC, are responsible for performing an independent audit of the financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee was formed effective January 1, 2014 with the addition of two new independent directors in addition to Laird Cagan. With the assistance and support of the Chief Financial Officer of the Company, the Audit Committee fulfilled its objectives, duties and responsibilities as stipulated in the audit committee charter concerning the audit of the Company's financial statements during 2014. They have provided adequate and appropriate independent oversight and monitoring of the Company's systems of internal control in connection with the audit.

These activities included, but were not limited to, the following significant accomplishments:

.
Conducted the required communications with the Company's external auditors as contemplated by Accounting Standard No. 16, Communications with Audit Committee;

.
Reviewed and discussed the audited financial statements with management; and

.
Received written disclosures and letter from the external auditors required by Independence Standards Board Standard No. 1, and discussed with the auditors their independence.

In reliance on the Committee's review and discussions of the matters referred to above, the Audit Committee recommends the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the Securities and Exchange Commission.

Respectfully submitted,

Blue Earth, Inc. Audit Committee

Michael W. Allman, James A. Kelly and Laird Q. Cagan

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Audit Committee reviews and approves audit and permissible non-audit services provided by its independent registered public accounting firm, as well as the fees charges for said services.

Appointment

On December 10, 2012, the Board of Directors approved the appointment of HJ & Associates, L.L.C. (HJA) as the independent registered public accounting firm of the Company. HJA audited our financial statements for fiscal years ended December 31, 2011, 2012 and 2013. HJA has been appointed by our Board of Directors to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2014.

Representatives of HJA are not expected to be present at the Meeting.

On December 10, 2012, Lake & Associates CPA's LLC (Lake & Associates) stated they would resign as the independent registered public accounting firm of the Company. The resignation was accepted by the Board of Directors of the Company (the Board).

Item 304(a) of Regulation S-K

During the two most recent fiscal years and through the date of this report, there were no (1) disagreements with Lake & Associates on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to its satisfaction would have caused Lake & Associates to make reference in its reports on the Company's financial statements for such years to the subject matter of the disagreement, or (2) reportable events, as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

The audit reports of Lake & Associates on the financial statements of the Company, during the periods from December 31, 2010 through December 10, 2012, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that the reports stated there is substantial doubt about the Company's ability to continue as a going concern.

The Company has requested that Lake & Associates furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of such letter, dated December 11, 2012, indicating that it is in agreement with such disclosures is filed as Exhibit 16.1 to Form 8-K filed with the SEC on December 13, 2012.

During the Company's two most recent fiscal years and the subsequent interim periods preceding HJA's engagement, neither the Company nor anyone on behalf of the Company consulted with HJA regarding the application of accounting principles to any specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements, and HJA did not provide any written or oral advice that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue or any matter that was the subject of a disagreement or a reportable event, as such terms are defined in Item 304(a)(1) of Regulation S-K.

Auditors Fees

HJA was appointed as the independent registered public accounting firm for the fiscal year ended December 31, 2012. Subsequently, HJA was appointed as the independent registered public accounting firm for the fiscal year ended December 31, 2011 also.

In its review of non-audit services and its appointment of the independent registered public accounting firms, the Audit Committee considered whether the provision of such services is compatible with maintaining independence. All of the services provided and fees charged by the independent registered public accounting firms were approved by the Audit Committee.

The following table shows the fees for the fiscal years ended December 31, 2013, 2012 and 2011.

	Fiscal 2013	Fiscal 2012	Fiscal 2011

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to our Board of Directors regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Board of Directors may also pre-approve particular services on a case-by-case basis.

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares.

As described above in accordance with applicable law, only one copy of this proxy statement and annual report is being delivered to stockholders residing at the same address, including, but not limited to, any intermediary of any stockholder, unless such stockholders have notified the Company of their desire to receive multiple copies of this proxy statement or the Company's annual report. The Company will also ask banks, brokers and nominees and fiduciaries to confirm within twenty (20) days of the record date to forward the proxy materials to their principals and to obtain authority to execute proxies or provide in writing to the Company notice to send the proxy materials directly to the stockholder. The Company has identified the applicable accounts for any corresponding stockholder according to the applicable records provided by the intermediary for such stockholder.

The Company will promptly deliver, upon oral or written request, a separate copy of this proxy statement and/or the Company's annual report to any stockholder residing at an address to which only one copy of either such document was mailed. Requests for additional copies should be directed to the Company's Secretary, at the Company's corporate offices at Blue Earth, Inc., 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, or by telephone at (702) 263-1808.

Stockholders who share an address, including any intermediary acting on behalf of multiple stockholders, can request the delivery of separate copies of future proxy statements or the Company's annual report upon written request, which should be directed to the Company's Secretary, at the Company's corporate offices at Blue Earth, Inc., 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, or by telephone at (702) 263-1808.

Stockholders who share an address, including any intermediary acting on behalf of multiple stockholders, can request the delivery of a single copy of this proxy statement or a single copy of the Company's annual report upon written request. Such request should be directed to the Company's Secretary, at the Company's corporate offices at Blue Earth, Inc., 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, or by telephone at (702) 263-1808.

Stockholder Communications

The Board welcomes communications from stockholders, which may be sent to the entire Board at the principal business address of the Company, Blue Earth, Inc. 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, Attn: Corporate Secretary. Security holder communications are initially screened to determine whether they will be relayed to Board members. Once the decision has been made to relay such communications to Board members, the Secretary will release the communication to the Board on the next business day. Communications that are clearly of a marketing nature, or which are unduly hostile, threatening, illegal or similarly inappropriate will be discarded and, if warranted, subject to appropriate legal action.

Recognizing that director attendance at the Company's annual meetings of stockholders can provide stockholders with an opportunity to communicate with members of the Board of Directors, it is the policy of the Board of Directors to encourage, but not require, the members of the Board to attend such meetings.

AVAILABILITY OF PROXY MATERIALS

The Notice of Annual Meeting, Proxy Statement, Annual Report on Form 10-K/A Amendment No. 4 for the fiscal year ended December 31, 2013 and Quarterly Report on Form 10-Q for the period ended March 31, 2014, are available at www.ir.stockpr.com/blueearthinc/proxy-materials. Annex A

Employee Complaint Procedures for Accounting and Auditing Matters

The Sarbanes-Oxley Act of 2002 (SOX) requires audit committees of publicly-traded companies to establish policies and procedures for employees to confidentially report concerns regarding questionable accounting or auditing matters.

Section 301 of SOX requires audit committees to establish procedures for receipt of employee complaints. Any employee of the Company may submit a good faith complaint (Accounting Complaints) regarding accounting or auditing matters to the management of the Company without fear of dismissal or retaliation of any kind. The Company is committed to achieving compliance with all applicable securities laws and regulations, accounting standards, accounting controls and audit practices. The Company s Audit Committee will oversee treatment of employee concerns in this area.

In order to facilitate the reporting of employee complaints, the Company s Audit Committee has established the following procedures for (1) the receipt, retention, investigation and treatment of complaints regarding accounting, internal accounting controls, or auditing matters (Accounting Matters) and (2) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Receipt of Employee Complaints

Employees with concerns regarding Accounting Matters may report their concerns to the Chief Financial Officer or General Counsel of the Company or to the Chairman of the Audit Committee of the Board of Directors of the Company.

Employees may forward complaints on a confidential or anonymous basis by setting forth such concerns in writing and forwarding them in a sealed envelope to the Chair of the Audit Committee, Blue Earth, Inc., 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, such envelope to be labeled with a legend such as: To be opened by the Audit Committee only. If an employee would like to discuss any matter with the Audit Committee, the employee should indicate this on the submission and include a telephone number at which he or she might be contacted if the Audit Committee deems it appropriate.

.
Brett Woodard (the Compliance Officer), or his designee, is also authorized to receive and investigate Accounting Complaints, whether anonymous or not. In this capacity, the Compliance Officer provides advice to, and acts under the authority of, the Audit Committee.

.
In either event, individuals shall exercise due care to ensure the accuracy of the information disclosed.

.
Any correspondence to the Chairman should be clearly marked as an **urgent** matter for consideration by the Audit Committee of the Company. The earlier a concern is expressed, the easier it is to take action. The Chairman may, in his discretion, refer the Accounting Complaint to the Compliance Officer for investigation or retain the matter for investigation by the Audit Committee, as set forth below.

B - 6

Scope of Matters Covered by These Procedures

These procedures relate to employee complaints relating to any questionable accounting or auditing matters, including, without limitation, the following:

- .
fraud or deliberate error in the preparation, evaluation, review or audit of any financial statement of the Company;
- .
fraud or deliberate error in the recording and maintaining of financial records of the Company;
- .
deficiencies in or noncompliance with the Company's internal accounting controls;
- .
misrepresentation or false statement to or by a senior officer or accountant regarding a matter contained in the financial records, financial reports or audit reports of the Company; or
- .
deviation from full and fair reporting of the Company's financial condition.

Treatment of Complaints

- .
Upon receipt of an Accounting Complaint, the recipient will (i) determine whether the complaint actually pertains to Accounting Matters, and (ii) when possible, acknowledge receipt of the complaint to the sender.
- .

Complaints relating to Accounting Matters will be reviewed under Audit Committee direction, Internal Audit or such other persons as the Audit Committee determines to be appropriate.

If the Accounting Complaint is investigated by the Compliance Officer he will report the results of his investigation, orally or in writing, to the Audit Committee (an Investigation Report). Investigation Reports will be prepared in reasonable detail and shall be in addition to the information provided to the Audit Committee on the Docket. Such reports will describe the Accounting Complaint, the steps taken in the investigation, any factual findings, and the recommendations for corrective action, if any. The Compliance Officer will be free in its discretion to recommend to the Audit Committee Chairman that outside auditors, outside counsel or other experts should be engaged to assist in the investigation and in the analysis of results. The Compliance Officer may, if he deems it reasonably necessary, require the assistance of the Chief Financial Officer, any of his staff, or any other employees of the Company in investigating and resolving any Accounting Complaint. The parameters of any investigation will be determined by the Compliance Officer in consultation with the Chairman of the Audit Committee or its designee in its discretion and the Company and its employees will cooperate as necessary in connection with any such investigation.

The Audit Committee will review the Docket and any written Investigation Reports submitted by the Compliance Officer. The Audit Committee will have the authority to direct that the appropriate corrective action be taken by the Company in response to any particular Accounting Complaint. The Audit Committee may, in its discretion, consult with any member of the Company's management who may have appropriate expertise to assist in the evaluation of the Accounting Complaint. The Audit Committee will be free in its discretion to engage outside auditors, counsel or other experts to assist in the evaluation of any results of any investigation into an Accounting Complaint, and the Company will pay all fees of such auditors, counsel and experts.

Confidentiality will be maintained to the fullest extent possible, consistent with the need to conduct an adequate review.

The Company will not discharge, demote, suspend, threaten, harass or in any manner discriminate against any employee in the terms and conditions of employment based upon any lawful actions of such employee with respect to good faith reporting of complaints regarding Accounting Matters or otherwise as specified in Section 806 of the Sarbanes-Oxley Act of 2002.

Reporting and Retention of Complaints and Investigations

The Compliance Officer will prepare a written docket (the Docket) of all Accounting Complaints summarizing in reasonable detail for each complaint: the nature of the complaint (including any specific allegations made and the persons involved); the date of receipt of the complaint; the current status of any investigation into the complaint; and any final resolution of the complaint. The Compliance Officer will distribute an update of the Docket, highlighting recent developments in reasonable detail, to the Chairman of the Audit Committee (and, if the Chairman so directs, to the full Audit Committee) in advance of each regularly scheduled meeting thereof (other than meetings convened principally to review the Company's periodic reports under the Securities Exchange Act of 1934, as amended).

Copies of Accounting Complaints and such log will be maintained in accordance with the Company's document retention policy.

Records; Attorney-Client Privilege

The Company will retain on a strictly confidential basis for a period of seven years (or otherwise as required under the Company's record retention policies in effect from time to time) all records relating to any Accounting Complaint and to the investigation and resolution thereof. All such records are confidential to the Company and are protected by attorney-client privilege and/or the attorney work product doctrine. Such records will be considered privileged and confidential.

Publication of Procedures

The Company will cause these procedures to be communicated to all employees.

Amendment

.

The Company reserves the right to modify or amend this policy at any time as it may deem necessary.

APPENDIX E

Codes of Ethics

F - 1

APPENDIX E

CODE OF ETHICS FOR OFFICERS, DIRECTORS AND EMPLOYEES OF BLUE EARTH, INC.

1.

TREAT IN AN ETHICAL MANNER THOSE TO WHOM BLUE EARTH, INC. HAS AN OBLIGATION

The officers, directors and employees of Blue Earth, Inc. (the Company) are committed to performing the business of the Company with the highest levels of honesty and ethical conduct in all aspects of their activities to comply with all applicable laws, rules and regulations, to deter wrongdoing and to abide by the policies and procedures adopted by the Company.

For the communities in which we live and work we are committed to acting as concerned and responsible neighbors, reflecting all aspects of good citizenship. For our shareholders we are committed to pursuing sound growth and earnings objectives and to exercising prudence in the use of our assets and resources. For our suppliers and partners we are committed to fair competition and the sense of responsibility required of a good customer and teammate.

2.

OBEY THE LAW

We will conduct our business in accordance with all applicable laws and regulations. Compliance with the law does not comprise our entire ethical responsibility. Rather, it is a minimum, absolutely essential condition for performance of our duties. In conducting business, we shall:

A.

STRICTLY ADHERE TO ALL ANTITRUST LAWS

Officers, directors and employees must strictly adhere to all antitrust laws. These laws prohibit practices in restraint of trade such as price fixing and boycotting suppliers or customers. They also bar pricing intended to run a competitor out of business; disparaging, misrepresenting, or harassing a competitor; stealing trade secrets; bribery; and kickbacks.

B.

STRICTLY COMPLY WITH ALL SECURITIES LAWS

In our role as a publicly owned company, we must always be alert to and comply with the securities laws and regulations of the United States.

I.

DO NOT ENGAGE IN SPECULATIVE OR INSIDER TRADING

Federal law and Company policy prohibits officers, directors and employees, directly or indirectly through their families or others, from purchasing or selling Company stock while in the possession of material, non-public information concerning the Company. This same prohibition applies to trading in the stock of other publicly held companies on the basis of material, non-public information.

Material, non-public information is any information that could reasonably be expected to affect the price of a stock. If an officer, director or employee is considering buying or selling a stock because of inside information they possess, they should assume that such information is material. It is also important for the officer, director or employee to keep in mind that if any trade they make becomes the subject of an investigation by the government, the trade will be viewed after-the-fact with the benefit of hindsight. Consequently, officers, directors and employees should always carefully consider how their trades would look from this perspective.

Two simple rules can help protect you in this area: (1) Do not use non-public information for personal gain. (2) Do not pass along such information to someone else who has no need to know.

II.

BE TIMELY AND ACCURATE IN ALL PUBLIC REPORTS

As a public company, the Company must file disclosure reports with the United States Securities and Exchange Commission that are full, fair, accurate, timely and understandable. Officers, directors and management of the Company are responsible for ensuring that these reports and the other public communications made by the Company are accurate and fairly present the financial condition and operating results of the Company.

Securities laws are vigorously enforced. Violations may result in severe penalties including forced sales of parts of the business and significant fines against the Company. There may also be sanctions against individual employees including substantial fines and prison sentences.

The principal executive officer and principal financial officer of the Company will certify to the accuracy of reports filed with the SEC in accordance with The Sarbanes-Oxley Act of 2002. Officers and directors who knowingly or willingly make false certifications may be subject to criminal penalties or sanctions including fines and imprisonment.

3.

AVOID CONFLICTS OF INTEREST

Our officers, directors and employees have an obligation to give their complete loyalty to the best interests of the Company. They should avoid any action that may involve, or may appear to involve, a conflict of interest with the Company. Officers, directors and employees should not have any financial or other business relationships with suppliers, customers or competitors that might impair the independence of any judgment they may need to make on behalf of the Company.

Officers, directors and employees are under a continuing obligation to disclose any situation that presents the possibility of a conflict or disparity of interest between the officer, director or employee and the Company. Disclosure to the Chairman of the Nominating and Corporate Governance Committee (or the Chairman of the Board if no Committee exists) of any material transaction or relationship that reasonably could be expected to give rise to a potential conflict is the key to remaining in full compliance with this policy.

4.

AVOID ILLEGAL AND QUESTIONABLE GIFTS OR FAVORS

The sale and marketing of our products and services should always be free from even the perception that favorable treatment was sought, received, or given in exchange for the furnishing or receipt of business courtesies. Officers, directors and employees of the Company will neither give nor accept business courtesies that constitute, or could be reasonably perceived as constituting, unfair business inducements or that would violate law, regulation or policies of the Company, or could cause embarrassment to or reflect negatively on the Company's reputation.

5.

KEEP ACCURATE AND COMPLETE RECORDS

We must maintain full, fair, accurate and complete Company records. Transactions between the Company and outside individuals and organizations must be promptly and accurately entered in our books in accordance with generally accepted accounting practices and principles. No one should rationalize or even consider misrepresenting facts or falsifying records. It will not be tolerated and will result in disciplinary action.

6.

ENFORCEMENT

The Company has empowered the Nominating and Corporate Governance Committee (the Governance Committee) to enforce this Code of Ethics and Business Conduct. Employees with concerns regarding accounting matters may report their concerns to the Company's Chief Financial Officer or to the Chairman of the Audit Committee of the Board of Directors (or the Chairman of the Board if no Committee exists). The Governance Committee will report to the Board of Directors at least once each year regarding the general effectiveness of this Code, the Company's controls and reporting procedures and the Company's business conduct. Officers, directors and employees of the Company who do not adhere to this Code will be held accountable for their actions.

You are encouraged to contact the Chairman of the Governance Committee when in doubt about, or if you have any questions regarding the best course of action in a particular situation. You are also encouraged to report violations of laws, rules, regulations of this Code to the Chairman of the Governance Committee.

7.

DISCIPLINARY MEASURES

The Company shall consistently enforce its Code of Ethics and Business Conduct through appropriate means of discipline. The Governance Committee shall determine whether violations of the Code have occurred and, if so, shall determine the disciplinary measures to be taken against any employee or agent of the Company who has so violated the Code.

The disciplinary measures, which may be invoked at the discretion of the Audit Committee, include, but are not limited to, counseling, oral or written reprimands, warnings, probation or suspension without pay, demotions, reductions in salary, termination of employment, restitution, or in the case of any director, refusal by the Governance Committee (or the entire Board of Directors) to nominate such director for re-election if such director has not been previously terminated for cause.

Any waiver of this Code for any director or executive officer may be made only by the Board of Directors of the Company and along with the reasons for such waiver, must be disclosed on a Current Report on Form 8-K within four business days and in any other manner required or permitted by the Securities and Exchange Commission or any applicable national securities exchange that the Company's securities are listed and traded on.

Persons subject to disciplinary measures shall include, in addition to the violator, others involved in the wrongdoing such as (i) persons who fail to use reasonable care to detect a violation, (ii) persons who if requested to divulge information withhold material information regarding a violation, and (iii) supervisors who approve or condone the violations or attempt to retaliate against employees or agents for reporting violations or violators.
