The registrant sold \$50,000,000 of securities under the Prior Registration

The associated filing fee of \$3,410 for such unsold securities, calculated under Rule 457(p), is hereby used to offset the current registration fee due.

Accordingly, such offset against the \$24,900 registration fee currently due for this registration statement results in the registrant paying \$21,490 in net filing fees for this registration statement. Of such amount, \$19,770 was previously paid in connection with the initial filing of this registration statement and the remaining \$1,720 is being paid herewith.

The registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act or until the registration statement shall become effective on such date as the Commission acting pursuant to said Section 8(a),

The combined base prospectus in this registration statement, which is a new registration statement, also constitutes a post-effective amendment to the prior Registration Statement. Such post-effective amendment shall hereafter become effective concurrently with the effectiveness of this registration statement and in accordance with Section 8(c) of, and Rule 429 under, the Securities Act.
