ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Share Exchange Agreement

On April 28, 2017, Digital Power Corporation, a California corporation (the “**Company**”), entered into a Share Exchange Agreement (the “**Agreement**”) with Microphase Corporation, a Delaware corporation (“**MPC**”); Microphase Holding Company LLC, a limited liability company organized under the laws of Connecticut (“**MHC**”), Ergul Family Limited Partnership, a partnership organized under the laws of Connecticut (“**EFLP**”) RCKJ Trust, a trust organized under the laws of New Jersey (“**RCKJ**” and with MHC and EFLP, the “**Significant Stockholders**”) and those additional persons who have executed the Agreement under the heading “Minority Stockholders” (collectively, the “**Minority Stockholders**” and with the Significant Stockholders, the “**Stockholders**.”). Upon the terms and subject to the conditions set forth in the Agreement, the Company will acquire 1,603,434 shares (the “**Subject Shares**”) of the issued and outstanding common stock of MPC (the “**MPC Common Stock**”), including such shares presently underlying the issued and outstanding preferred stock of MPC (the “**MPC Preferred Stock**” and with the MPC Common Stock, the “**MPC Shares**”) from the Stockholders in exchange (the “**Exchange**”) for the issuance by the Company of: (i) the Stockholders’ pro rata portion of an aggregate of 2,600,000 shares of common stock, no par value (the “**DPW Common Stock**”), of the Company, comprised of 1,842,448 shares of DPW Common Stock and 378,776 shares of DPW Series D Preferred Stock (collectively, the “**Exchange Shares**”), which shares of DPW Series D Preferred Stock are, subject to shareholder approval, convertible into an aggregate of 757,552 shares of DPW Common Stock as further described below and (ii) the Stockholders’ pro rata portion of warrants (the “**Exchange Warrants**”) to purchase an aggregate of 1,000,000 shares of DPW Common Stock (the “**Warrant Shares**”). The Exchange Shares and the Exchange Warrants are at times collectively referred to herein as the “**Exchange Securities**.” Upon the closing of the Agreement (the “**Closing**”), the Subject Shares shall at that time constitute approximately 58% of the issued and outstanding MPC Shares, or 50.2% on a fully diluted basis.

The Closing is subject to a number of closing conditions, including, among other things: (i) absence of litigation that seeks to prohibit the Exchange and certain other matters; (ii) the accuracy of the representations and warranties, subject to customary materiality qualifiers; (iii) the performance by the parties of certain covenants and agreements in all material respects; and (iv) the absence of a Material Adverse Effect (as defined in the Agreement). The Agreement does not contain a financing condition.

At the Closing, subject to the terms and conditions of the Agreement, the Stockholders shall deliver a promissory note on behalf of MPC in the principal face amount of \$220,000 to the Company (the “**MPC Note**”). The Company shall deliver a promissory note to be issued by MPC (the “**Creditor Note**”) in the principal face amount of \$450,000 to an unsecured creditor of MPC (the “**Creditor**”).

The Agreement has been included to provide investors and stockholders with information regarding its terms. It is not intended to provide any other factual information about the Company, MPC or the Stockholders. The Agreement contains representations and warranties that the parties to the Agreement made to and solely for the benefit of each other, and the assertions embodied in such representations and warranties are qualified by information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Agreement. Accordingly, investors and stockholders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Agreement (or such other date as specified therein) and are modified in important part by the underlying disclosure schedules.

In the event the Company shall liquidate, dissolve or wind up, the holders of Series E Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Company to the holders of the DPW Common Stock, the Company’s Series A Preferred Stock, or to the holders of any other junior series of preferred stock, by reason of their ownership thereof and subject to the rights of the Company’s Series B Preferred Stock, Series C Preferred Stock and any other class or series of Company stock subsequently issued that ranks senior to the Series E Preferred Stock an amount per share in cash or equivalent value in securities or other consideration equal to \$0.01 per share. The holders of Series E Preferred Stock shall not be entitled to receive dividends and shall have no voting rights except as otherwise required by law. Subject to the shareholders of DPW Common Stock of the Company approving the conversion of the Series E Preferred Stock into shares of Common Stock in connection with the acquisition of MPC Common Stock and for purposes of compliance with Rule 713 of the NYSE MKT, then each share of Series E Preferred Stock may be converted into sixty (60) shares of DPW Common Stock, for an aggregate of 600,000 shares of DPW Common Stock.
