**Item 7.01 Regulation FD**

On November 15, 2012, The Company received an investment term sheet from GPE Holdings, Inc., which does business as the Gramercy Millennium Group. The term sheet outlines an investment of \$1,050,000 of Series A Preferred stock. The Closing is anticipated on approximately December 20, 2012. Use of proceeds from this transaction will be for working capital to grow Medical Alarm Concepts' business operations and to complete two targeted acquisitions. The original purchase price for this investment is based on a fully diluted post-money valuation of \$6,075,000. Terms of the investment will include the creation of a new board of directors consisting of three members. Two members elected by the Company management and one member at the election of the Lead Investor. The term sheet also outlines, at the lead investor's option, a Series B investment where the lead investor will invest an additional \$5.1 million within six months from the closing date on the same terms based on total fully diluted post-money valuation of \$17,250,000. Two more board seats will be granted to the lead investor at the close of the Series B round.

As part of this term sheet, it is agreed to and understood that this investment will trigger the restructuring of Medical Alarm Concepts, Inc. Ronald Adams will step down as CEO and Director of the Company and will become the CEO and Chairman of Medical Alarm Concepts, Inc. (MA). At that time a new CEO for the Company will be appointed. Mr. Adams will nominate two board seats of MA's new board of directors and the Company will nominate one board seat. The Company will be provided certain anti-dilution rights relative to its ownership position in MA. Provisions for a "Spin Out" of MA into a separate publically traded company will be outlined in a definitive agreement at a later date.

This Term Sheet is not a commitment to invest, and its provisions are conditioned on the completion of due diligence, legal review and documentation that is satisfactory to the Investors.

On November 19, 2012, The Company accepted the term sheet received on November 15, 2012.
