State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

RespireRx Pharmaceuticals Inc. (the "Company") was unable to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2016 (the "*Quarterly Report*") within the prescribed time period because of technical connectivity difficulties between the filing server and the EDGAR server of the Securities and Exchange Commission (the "Commission"). The Quarterly Report was completed, executed and ready to be filed with the Commission prior to the 5:30 p.m. Eastern time deadline for acceptance of filings on November 14, 2016, the due date for the filing, and the Company attempted to commence transmission of the Quarterly Report on the Commission's EDGAR system prior to such deadline. In spite of the Company's best efforts to submit the Quarterly Report with the Commission on a timely basis, the filing server was unable to do so due to such connectivity issues. The Company intends to submit a written request for a date adjustment for the filing date to the Commission for the acceptance date to be changed from November 15, 2016 to November 14, 2016. However, as a precautionary matter, the Company is submitting this Form 12b-25 to ensure that it remains timely in its periodic filings under the Securities Exchange Act of 1934, as amended. The Company intends to file the Quarterly Report on Form 10-Q later today, November 15, 2016, but in any event no later than the fifth calendar day following the prescribed due date.

SEC 1344 (04-09)      Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.
