Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Credit Agreement

On December 17, 2013, the Partnership, American Midstream, LLC (the “LLC”), Bank of America, N.A. as administrative agent, and the lenders party thereto entered into the Fifth Amendment (the “Fifth Amendment”) to the LLC’s and American Midstream Partners, LP’s (the “Partnership”) Credit Agreement (the “Credit Agreement”). The Fifth Amendment amends the Credit Agreement to, among other things, reflect the acquisition by the LLC of Blackwater Midstream Holdings LLC (“Blackwater Holdings”) and its subsidiaries pursuant to the Agreement and Plan of Merger dated as of December 10, 2013 by and among AL Blackwater LLC, Blackwater Midstream Holdings, LLC, the Partnership and Blackwater Merger Sub LLC (the “Blackwater Transaction”). In particular, with respect to the Blackwater Transaction, the Fifth Amendment (i) revised the definition of the term “Consolidated EBITDA,” which is used in the calculation of certain financial covenants in the Credit Agreement, to specify how the Consolidated EBITDA of Blackwater Holdings and its subsidiaries prior to the closing of the Blackwater Transaction would be used to calculate Consolidated EBITDA through the quarter ended on June 30, 2014; (ii) provided that although the Credit Agreement would otherwise require it, Blackwater Maryland LLC (“Blackwater Maryland”), a subsidiary of Blackwater Holdings, would not be required to deliver any mortgages or deeds of trust on any property of Blackwater Maryland, but that Blackwater Maryland would not grant to any other party any liens on its real property other than liens otherwise permitted by the Credit Agreement; (iii) permitted certain third-party liens to exist on property of Blackwater New Orleans, L.L.C, a subsidiary of Blackwater Holdings; (iv) provided that no more than \$20,000,000 of borrowings under the Credit Agreement could be used for the payment of the purchase price in connection with the Blackwater Transaction; and (v) required the Partnership and the LLC to perform certain covenants after the effective date of the Fifth Amendment to ensure that Blackwater Holdings and its subsidiaries become guarantors of the obligations of the Partnership and the LLC under the Credit Agreement and that they secure their obligations and those of the Partnership and the LLC under the Credit Agreement with the assets of Blackwater Holdings and its subsidiaries. In addition, the Fifth Amendment (a) revised certain provisions of the Credit Agreement to provide for the calculation of successor or alternative interest rates if LIBOR were to become unavailable, could not be calculated or would not adequately and fairly reflect to the cost to the lenders of funding Eurodollar rate loans, (b) deleted the requirement in the Credit Agreement that the LLC and Partnership provide monthly financial reports to the Administrative Agent and (c) provided that the Partnership and the LLC deliver to the Administrative Agent quarterly reports regarding the volume of hydrocarbons transported in its interstate pipelines and in intrastate pipelines and the volume processed in the processing plants of the Partnership, the LLC and each subsidiary of the LLC, rather than being required to deliver such reports only when the Partnership’s and its subsidiaries’ consolidated total leverage ratio exceeded 4.00 to 1.00. Finally, the Fifth Amendment waived any prior noncompliance by the Partnership and the LLC with their obligations to deliver the monthly financial statements and hydrocarbon reports described immediately above.

The description of the Fifth Amendment contained in this Item 1.01 is not complete and is qualified in its entirety by reference to the full text of the Fifth Amendment, which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

Item 2.01 Completion of Acquisition or Disposition of Assets.

Completion of Blackwater Acquisition

On December 17, 2013, the Partnership completed the acquisition of Blackwater Midstream Holdings, LLC (“Blackwater”), a developer and operator of petroleum, agricultural, and chemical liquid terminal storage facilities (the “Blackwater Acquisition”). In connection with the Blackwater Acquisition, the Partnership paid to AL Blackwater, LLC, a Delaware limited liability company, an affiliate of ArcLight Capital Partners, LLC (“ArcLight”) and its affiliates

and management of Blackwater consideration of \$60 million, plus capital expenditure and other purchase price adjustments. \$55.4 million of the consideration was financed with the net proceeds from the Partnership's recent equity offering, \$3 million was financed by the issuance of an aggregate of 125,000 common units (the "Common Units") representing limited partnership interests in the Partnership, and the remaining amount was paid with borrowings under the Partnership's existing credit facilities. The Common Units were issued to accredited investors in a private placement in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(a)(2) thereof and the safe harbor provided by Rule 506 of Regulation D promulgated thereunder.

ArcLight is an affiliate of High Point Infrastructure Partners, LLC, which owns a 90% interest in American Midstream GP, LLC, the Partnership's general partner. Accordingly, the conflicts committee of the general partner's Board of Directors approved the Merger Agreement and the transactions contemplated thereby. The conflicts committee, a committee of independent members of the general partner's Board of Directors, retained independent legal and financial advisors to assist it in evaluating the Blackwater Acquisition merger agreement and the transactions contemplated thereby.
