shares of common stock granted can range from 0% to 200% of the performance share units.

- (7) These performance share units are granted under the Issuer's Omnibus Equity Incentive Plan. Each performance share unit represents a share of common stock. The performance share units will be payable, if at all, in common stock, based upon the Issuer's total shareholders return measured against an industry peer group, over a three year performance period ending December 31, 2017. The final number of shares of common stock granted can range from 0% to 200% of the performance share units.

- (8) These performance share units are granted under the Issuer's 2011 Omnibus Equity Incentive Plan. Each performance share unit represents a share of common stock. The performance share units will be payable, if at all, in common stock, based upon the Issuer's total shareholders return measured against an industry peer group, over a three year performance period ending December 31, 2016. The final number of shares of common stock granted can range from 0% to 200% of the performance share units. As their performance criteria were satisfied, 75% of the shares will be issued during the first quarter of 2017 if the February 27, 2017 vesting criteria is satisfied.
