Board of Directors

Our Amended and Restated Bylaws provide that our Board of Directors shall consist of no less than four (4) members with the exact number to be determined by vote of a majority of the Board of Directors. Our Board of Directors currently consists of four (4) members.

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings. Our current Board of Directors held eight (8) meetings in 2018. Each incumbent Director attended 100% of these meetings during the period in which they served as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. However, all of the incumbent members of our Board of Directors attended our 2018 Annual Meeting of Stockholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the New York Stock Exchange (the "NYSE"), which governs the NYSE American where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Byrd, de Jongh and Redleaf are independent Directors and were independent Directors for the full 2018 fiscal year.

Board Leadership Structure

Our Board of Directors' leadership structure consists of a Chairman who is also our Chief Executive Officer, a Lead Independent Director, who is elected by the independent directors, and three Committee Chairs, each of whom are independent directors (and one of whom, the Chair of our Audit Committee, is also our Lead Independent Director). We discuss succession planning with respect to our Chairman, our Chief Executive Officer, and other business heads at least annually.

Our Board has combined the positions of Chairman and Chief Executive Officer since Mr. Ellison was appointed as Chairman of the Board in June 2015. Our Board believes that we are well-served by Mr. Ellison's service as both Chairman of the Board and Chief Executive Officer since he is dealing with, and is heavily involved in, the day-to-day operations of the Company and its clients, thereby being best positioned to provide insights and strategic information to the Board for consideration. Due to Mr. Ellison's combined position as Chairman and Chief Executive Officer, we have had a Lead Independent Director while Mr. Ellison holds both positions. All of our other Directors are independent, and all of our Board committees and their chairpersons are independent. Our Board believes that the strong leadership structure provides the Board with an important balance and knowledge base, for several reasons. First, a combined Chairman and Chief Executive Officer position allows us to speak with one voice to our stockholders, counterparties and external constituencies. Second, we operate in the investment industry, which is

impacted heavily by real estate risk; investment risk; market risk; credit risk; liquidity risk; legal, compliance and regulatory risk; and reputation risk. We believe that these risks are best managed on a daily basis by Mr. Ellison in his dual role as Chairman and Chief Executive Officer and the senior management team who report directly to him, with oversight of the full Board, including Board committees composed solely of outside, independent directors. Third, we have had a strong Lead Independent Director who provides independent oversight over Mr. Ellison and the full Board of Directors, including with respect to the calling of meetings of the Board, executive sessions of the independent members of the Board, and setting the agenda for meetings of the Board and meetings of the independent members of the Board. Historically, our Lead Independent Director has provided important leadership and insight as the Chair of our Audit Committee. We also have empowered other strong independent Directors to chair our Compensation Committee and Nomination/Governance Committee. Each of our independent Directors is authorized to call executive sessions of independent Directors to discuss any subject. Our independent Directors also frequently communicate with each other by telephone between meetings of the Board and committees of the Board on an ad hoc basis as needed.

(table of contents)

Our Board believes that this leadership structure provides an effective balance between leadership of the Board and our Company by a strong Chairman and Chief Executive Officer and effective oversight of the Board and our Company by independent Directors.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee since May 2018 have been Governor de Jongh and Messrs. Byrd and Redleaf, and Governor de Jongh has served as the Chair of the Audit Committee since May 2018. Upon election of the proposed Directors, Governor de Jongh will continue to serve as the Chair of the Audit Committee, and Messrs. Byrd and Redleaf will continue to serve as members of the Audit Committee. Each current and proposed member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that, throughout the 2018-2019 service year, all members of our Audit Committee are, and have been, “financially literate” as defined in SEC rules. Our Board of Directors has also determined that each of Mr. Redleaf and Governor de Jongh qualifies as an “audit committee financial expert” as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Audit Committee in March 2019. The Audit Committee met nine (9) times in 2018.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. With respect to all officers and employees of the Company other than the Chairman/Chief Executive Officer, the Compensation Committee reviews with the Chief Executive Officer and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC’s 2012 Equity Incentive Plan (the “2012 Equity Plan”). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee since May 2018 have been Mr. Byrd, Mr. Redleaf and Governor de Jongh, and Mr. Redleaf has served as the Chair of the Compensation Committee since May 2017. Upon the election of the proposed Directors, Nathaniel Redleaf will continue to serve as the Chair of the Compensation Committee, and Mr. Byrd and Governor de Jongh will continue to serve as Compensation Committee members. Each current and proposed member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the

(table of contents)

adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Compensation Committee in March 2019. The Compensation Committee met five (5) times in 2018.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee since May 2017 have been Mr. Byrd, Mr. Redleaf and Governor de Jongh. Mr. Byrd has served as the Chair of the Nomination/Governance Committee since May 2017. Upon the election of the proposed Directors, Mr. Byrd will continue to serve as Chair of the Nomination/Governance Committee, and Mr. Redleaf and Governor de Jongh will continue to serve as Nomination/Governance Committee members. Each current and proposed member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Nomination/Governance Committee in March 2019. The Nomination/Governance Committee met five (5) times in 2018.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account AAMC's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs. The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Asset Management Corporation, 5100 Tamarind Reef, Christiansted, United States Virgin Islands 00820. You should provide each proposed nominee's name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

Code of Ethics

We adopted a Code of Business Conduct and Ethics that applies to our Directors, executive officers and employees (including our principal executive officer). We also adopted a Code of Ethics for Senior Financial Officers that applies to our principal financial officer and principal accounting officer. Any waivers from the Code of Business Conduct and Ethics or the Code of Ethics for Senior Financial Officers must be approved by our Board of Directors or the Audit Committee and will be subsequently disclosed when required by SEC or applicable exchange rules. Our Nomination/Governance Committee reviews our Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers at least once a year and, if necessary, recommends changes to our Board of Directors. Our Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers were last reviewed and approved by the Board of Directors in March 2019. Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

(table of contents)

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

Item 11. Executive Compensation.

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value, including, without limitation, goals set for our primary client and primary source of revenues, Front Yard Residential Corporation ("Front Yard"). We seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies, subject to consideration of the Company's own financial performance. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Chief Financial Officer, General Counsel and Secretary and Chief Accounting Officer;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide; and
- the reasons for the compensation decisions we have made regarding these individuals.

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation, including equity compensation under our 2012 Equity Incentive Plan, and is typically present at Compensation Committee meetings, except that the Chief Executive Officer is not present during any voting or deliberations on his compensation. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee) and present his conclusions and recommendations regarding incentive award amounts (both cash and stock, as applicable) to the Compensation Committee for its consideration and approval. The Compensation Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution. In connection with our 2018 year-end cash incentive compensation, Mr. Ellison was involved with, and recommended compensation for, our named executive officers other than him, based in part on discussions with F.W. Cook & Co. ("F.W. Cook"), who has, in prior years, been retained as the Compensation Committee's consultant.

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation consultant. For year-end 2018 incentive compensation, although the Compensation Committee did not retain F.W. Cook as its consultant in connection with its compensation decisions, both our Chief Executive Officer and the Compensation Committee had discussions to confirm 2018 industry data with respect to the Company's peers. Combined with the prior determination, based on AAMC's financial performance, that it would not increase the incentive compensation of our named executive officers, the Compensation Committee confirmed that the compensatory and competitive environment had not materially changed in 2018 compared to the environment that existed in 2017 when the Compensation Committee had retained F.W. Cook. Using the analysis that had been provided by F.W. Cook in connection with 2017 year-end compensation decisions, the Compensation Committee relied upon the benchmarking performed by F. W. Cook against peer companies of Front Yard and analysis of the peer compensation of internally managed and externally managed companies with whom Front Yard competes and from whom AAMC would retain and/or potentially lose talent. This decision was reached by the Compensation Committee considering that (a) F.W. Cook advised the Compensation Committee that the overall compensation structure of such peer companies has not materially changed, (b) the compensation paid to AAMC's named executive officers was generally lower than the median

(table of contents)

compensation of named executive officers at such companies and (c) given AAMC's financial performance in 2018, the Compensation Committee desired to keep the named executive officer compensation flat or lower than their 2017 compensation. The peer/industry companies considered by F.W. Cook in providing its advice to the Compensation Committee in 2017 and which the Committee determined remained appropriate for 2018 decisions, included American Assets Trust, American Homes 4 Rent, BRT Apartments, Dynex Capital, EdR, Hannon Armstrong, Investors Real Estate Trust, Invitation Homes, Independence Realty, iStar, Ladder Capital, RAIT Financial Trust, Redwood Trust, STORE Capital, UMH Properties and Washington REIT.

In 2018, the Compensation Committee also considered our current senior executive relocation packages and related benefits to the benefits provided to senior executives of other off-shore companies, which were aligned with industry practices, particularly given the challenges the Company can have in recruiting talent in the U.S. Virgin Islands and the Cayman Islands. Due to the recent 2017 review, the Compensation Committee determined not to obtain a new analysis of the relocation benefits for 2018 year-end compensation decisions. See “–Employee Relocation Program” below for more information.

If the Compensation Committee hires a compensation consultant, including F.W. Cook, for future periods, the consultant would be expected to provide research and present information to the Compensation Committee related to compensation trends and “best practices” in executive compensation among peer group companies in a similar line of business and of similar size to AAMC, or its primary client Front Yard, or any of AAMC's other potential advisory clients. Executive compensation data and other resources provided by the compensation consultant would be expected to set the foundation for the Compensation Committee's review and analysis of executive compensation levels.

Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provided for a base salary and cash incentive compensation based on the overall performance of the executive and their importance to the Company as well as satisfaction of pre-established Front Yard and AAMC-specific performance criteria. The named executive officers may also receive grants of restricted stock awards under our 2012 Equity Incentive Plan at the discretion of the Compensation Committee, as the 2102 Equity Incentive Plan administrator. In addition, the executives may receive benefits such as participation in our health care plan and opportunity to participate in a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive's employment is terminated by us without “cause” the executive may receive severance benefits of up to six months' base salary. “Cause” generally is defined as either (i) any willful or grossly negligent conduct (including, but not limited to, fraud or embezzlement) committed by the executive in connection with his/her employment, which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business, or (ii) the executive's conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime that may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands or the Cayman Islands, as applicable.

Each of our executives has executed an Employee Intellectual Property and Confidentiality Agreement that contains covenants to maintain our confidential information and that all developments by such executive shall be our property.

Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual cash incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing a cash incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. The Compensation Committee also may, from time to time, grant equity compensation awards to the named executive officers in order to further align their interests with AAMC's stockholders. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

Base Salary. Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

(table of contents)

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer's compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve the base salaries for all other named executive officers.

Annual Cash Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines, which are further discussed below.

Equity Awards under the 2012 Equity Incentive Plan. The Company adopted the 2012 Equity Incentive Plan to afford an incentive to officers, non-employee directors, employees, advisors and consultants of the Company and its affiliates to continue as officers, non-employee directors, employees, advisors or consultants, to increase their efforts on behalf of AAMC and to promote the success of AAMC's business. From time to time, the Compensation Committee, as administrator of the 2012 Equity Incentive Plan, grants awards to our named executive officers in addition to their annual cash incentive compensation. For further information on our 2012 Equity Incentive Plan, please see "–2012 Equity Incentive Plan" below.

2018 Compensation Determinations

Under AAMC's annual cash incentive compensation plan, our named executive officers can earn cash incentive compensation awards as determined by the Compensation Committee. The Compensation Committee and management have the authority to establish incentive compensation award guidelines. Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2018, 34-50% of total annual cash target compensation was payable to our named executive officers only upon achievement of certain scorecard and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities.

Our annual incentive-based cash compensation is structured to motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. We seek to accomplish this by utilizing a balanced scorecard methodology that incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process. A corporate scorecard is approved by our Compensation Committee and/or the full Board of Directors and is utilized by the Compensation Committee as a factor to determine the appropriate amount of incentive compensation to be paid to our employees named executive officers.

For 2018, AAMC's corporate scorecard remained substantially unchanged from the corporate scorecard approved by the Compensation Committee in 2017, with the exception of certain performance goals that were adjusted to reflect updated 2018 strategic objectives following the goals that had been achieved in 2017, based in substantial part on the corporate goals that were most important to AAMC and to Front Yard as AAMC's primary client. The Compensation Committee determined that the Front Yard goals were important to AAMC in light of the fact that the achievement of such Front Yard's goals would enable Front Yard to meet performance targets that could translate into higher asset management revenues for AAMC.

(table of contents)

The corporate scorecard for 2018 for matters related to both AAMC’s and Front Yard’s performance is detailed below:

The components above in each scorecard are weighted based on relevance to Front Yard’s and AAMC’s ultimate long-term performance and the achievement of their respective corporate strategies.

The scorecards are communicated to all incentive eligible executives by the executive's immediate supervisor, which in the case of all of our named executive officers other than Mr. Ellison is the Chief Executive Officer. This incentive compensation structure is intended to align the goals of our incentive eligible employees with the overall success of AAMC and Front Yard, as AAMC’s primary client, while establishing clear performance standards within their respective business or support units.

The 2018 personal scorecards for Mr. Ellison and each of Messrs. Lowe, Gray and Dittrich were based on the corporate scorecard goals set forth in the table above and an evaluation of their individual performance and leadership as a whole. Each of the goals were weighed and applied by our Compensation Committee for each named executive officer in determining his performance against the goals on an overall basis, taking into consideration their individual performance and the industry compensation levels of the peers.

For our executives and key employees other than Mr. Ellison, Mr. Ellison presents performance appraisal scores to the Compensation Committee and makes recommendations as to their incentive compensation. Our Compensation Committee evaluates the recommendations in light of overall performance and such employee’s business unit or

support unit's performance and makes the final compensation award determinations. Annual cash incentive compensation is paid to our executives and other incentive eligible employees following this determination. Despite the positive performance of the named executive officers in respect of the scorecard above, our Compensation Committee determined to keep flat or reduce the cash compensation payable to our named executive officers the separate financial performance of AAMC in 2018, in light of the financial performance of AAMC compared to 2017 financial performance.

Following these procedures and the ratings of achievement against their 2018 scorecards, the Compensation Committee determined to award the following cash incentive compensation awards to our named executive officers: Mr. Ellison received an annual cash bonus of \$300,000, or 66.7% of his aggregate target cash bonus opportunity; Mr. Lowe received an annual cash

(table of contents)

bonus of \$350,000, or 87.5% of his aggregate target cash bonus opportunity; Mr. Gray received an annual cash bonus of \$150,000, or 71.4% of his aggregate bonus opportunity; and Mr. Dittrich received an annual cash bonus of \$120,000, or 85.7% of his aggregate target cash bonus opportunity. These annual cash bonuses were awarded in February 2019. Certain of our executive officers were also awarded equity-based awards in January 2019 as described more fully in “2012 Equity Incentive Plan” below. Please see the Summary Compensation Table under “Executive Compensation” for the actual amounts awarded to our named executive officers for 2018 performance.

In determining the bonuses for our named executive officers, the Compensation Committee considered the valuable and substantial contributions they had made to both AAMC and Front Yard in 2018, the importance to us of retaining and incentivizing them, and the historical F.W. Cook analysis in comparing our compensation structure to those of companies in the industry in which we and Front Yard compete, which overall is lower than the compensation paid to the similar named executive officers in the peer companies and the fact that AAMC’s actual performance for Front Yard and itself had not yet translated into improved financial performance for AAMC’s 2018 calendar year. The Compensation Committee also considered that, although the substantial accomplishments made by such officers were not reflected in AAMC’s GAAP financial performance, such accomplishments were key in setting up AAMC for future success under the Asset Management Agreement with Front Yard.

The base salary and annual cash incentive compensation paid to our named executive officers totaled \$2,459,385 in the aggregate for 2018, or approximately 16.7% of the management fees of \$14,742,991 paid by Front Yard to AAMC. Of the \$2,459,385 paid to our named executive officers, 62.6% or \$1,539,385 was paid as base salary and 37.4% or \$920,000 was paid in the form of annual cash incentive compensation. None of these amounts are reimbursed or paid by Front Yard under the asset management agreement between Front Yard and AAMC, as they are solely designed to be covered by the base management fee paid to AAMC.

2019 Annual Incentive Compensation. Generally, in the meetings of the Board of Directors and Board Committees held in March or April of each fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. The Compensation Committee determined that the following strategic initiatives were important and would be considered in determining the 2019 cash incentive compensation for our named executive officers:

- AAMC’s financial performance;
- Potential amendment of the Asset Management Agreement between Front Yard and AAMC to better align interests, improve Front Yard G&A, improve fee structure and retain AAMC;
- AAMC’s diversification of business and increased revenue stream;
- Front Yard’s financial and operating performance;
- Achieving targeted growth of Front Yard’s rental portfolio;
- Capital markets and purchase transactions for Front Yard;
- Maintaining or increasing financing capability and liquidity for Front Yard; and
- Maintaining REIT compliance for Front Yard, and corporate governance and regulatory compliance for AAMC.

2012 Equity Incentive Plan

In December 2012, our prior Board of Directors and AAMC’s sole stockholder approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. The 2012 Equity Incentive Plan is administered by the Compensation Committee, who authorizes the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either “incentive stock options” as

defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the “Code”), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

(table of contents)

Our 2012 Equity Incentive Plan allows grants of both performance hurdle-vested stock awards and time-vested stock awards. Prior to 2017, our restricted shares of common stock vest subject to the achievement of stock performance hurdles of AAMC, generally related to the performance of AAMC stock price since the date of grant. Due to the relatively low public float and relative volatility of our common stock, in order to better incentivize award recipients, the Compensation Committee commenced granting time-vested restricted stock awards with vesting dates on each of the first three anniversaries of the date of grant.

For performance hurdle-vested awards, if an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that (i) if an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) if a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination. For the time-vested restricted stock awards, the awards will continue to vest in accordance with their vesting terms upon termination of their employment unless the recipient's employment is terminated "for cause."

2018 Equity Awards

On February 20, 2018, the Compensation Committee awarded Mr. Ellison an aggregate of 16,487 shares of AAMC restricted stock with a grant date fair value of \$1,055,992, Mr. Lowe an aggregate of 3,903 shares of AAMC restricted stock with a grant date fair value of \$249,987 and Mr. Gray an aggregate of 2,342 shares of AAMC restricted stock with a grant date fair value of \$150,005. The grant date value of \$64.05 per share was determined based on the average of the high and low sales prices on February 20, 2018. Each of these awards vest in three equal annual installments on each of February 20, 2019, 2020 and 2021. The award of these shares is included in the "Summary Compensation Table" in this proxy statement because the grants were made during the 2018 fiscal year. None of our other named executive officers received any additional awards of restricted stock.

In determining the awards for our named executive officers, the Compensation Committee considered the valuable and substantial contributions they had made to achieving Front Yard's and AAMC's strategic objectives, the importance to us of retaining and incentivizing them and the desire to have their cash compensation reduced and converted into the restricted stock awards so that the benefits of such grants only would be realized if the Company's stock price were to increase.

2019 Equity Awards

On January 23, 2019, the Compensation Committee awarded Mr. Ellison an aggregate of 39,355 shares of AAMC restricted stock with a grant date fair value of \$1,049,991, Mr. Lowe an aggregate of 9,730 shares of AAMC restricted stock with a grant date fair value of \$259,596 and Mr. Gray an aggregate of 5,622 shares of AAMC restricted stock with a grant date fair value of \$149,995. The grant date value of \$26.68 per share was determined based on the average of the high and low sales prices on January 23, 2019. Each of these awards shall vest in three equal annual installments on each of January 23, 2020, 2021 and 2022. The award of these shares is not included in the "Summary Compensation Table" because the grants were made following the end of the 2018 fiscal year. None of our other named executive officers received any additional awards of restricted stock.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

Relocation Program and USVI Preferred Stock Plan

Our principal offices are based in St. Croix, in the U.S. Virgin Islands, and we also have an office in the Cayman Islands. Generally, the employees we seek to hire have previously not been based in St. Croix or the Cayman Islands. Rather, the talent we have recruited has generally been located in major metropolitan centers in the United States. In addition, St. Croix is generally more economically depressed and both the Cayman Islands and St. Croix have a higher cost of living compared to most of the major metropolitan areas of the United States where we believe important talent is located and a number of our peer companies are based.

Employee Relocation Program. In order to enable us to recruit top talent and incentivize key personnel to relocate, we offer a relocation package to individuals who are relocating to the U.S. Virgin Islands or the Cayman Islands to work (the “Employee Relocation Program”). The Employee Relocation Program includes relocation benefits such as moving expenses, home sale support, a housing allowance, payment of applicable children’s school tuition fees and payment of “home leave” travel for return trips to the continental United States, in each case subject to certain limits and exceptions. Upon a participant’s departure

(table of contents)

after at least one year of service or termination without cause, such participant is eligible to receive reimbursement for relocation costs back to the continental United States. We believe that our Employee Relocation Program is necessary to attract and retain talent that is critical to our success. For 2018, each of Messrs. Ellison, Lowe, Gray and Dittrich received benefits under the Employee Relocation Program as set forth in the “Summary Compensation Table” below and accompanying footnotes. In 2018, in reviewing our relocation program against other off-shore companies for 2017 compensation decisions, F.W. Cook had advised that our packages, although given to more executives than the comparable offshore entities, were generally lower in amount than the comparable offshore companies and, therefore were within approximately 5% of the median benefits provided at such comparable offshore companies. The Compensation Committee determined to rely on the 2018 report of F.W. Cook in determining not to materially change AAMC’s relocation plan.

Preferred Stock Plan. Following stockholder approval at the 2016 Annual Meeting of Stockholders, we implemented AAMC’s 2016 Employee Preferred Stock Plan (the “Preferred Stock Plan”). The Preferred Stock Plan authorizes the grant of restricted non-voting Preferred Stock to AAMC’s U.S. Virgin Islands employees. The Preferred Stock Plan was created to induce certain employees to relocate and work in the U.S. Virgin Islands, remain in the employ of AAMC and provide additional incentive to promote the success of AAMC. On January 5, 2017, our Board of Directors authorized the acquisition of 100 shares of Series B Preferred Stock by Mr. Ellison and 100 shares of Series C Preferred Stock by Mr. Gray, and on February 20, 2018, our Board of Directors authorized the acquisition of 100 shares of Series E Preferred Stock by Mr. Dittrich. In February 2018 and 2019, AAMC declared and paid dividends on the Preferred Stock held by Messrs. Ellison, Gray and Dittrich as well as other U.S. Virgin Islands employees of AAMC. Details regarding the dividends paid to Messrs. Ellison, Gray and Dittrich in each year are set forth in the footnotes to their “Other Compensation” column of the “Summary Compensation Table” below. Because Mr. Lowe is not located in the U.S. Virgin Islands, he does not participate in the Preferred Stock Plan.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders.

The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

Other Compensation

The Compensation Committee’s policy with respect to other employee benefit plans is to provide benefits to our employees, including executive officers, that are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each currently employed named executive officer, assuming the executive’s employment had terminated under various scenarios as of December 31, 2018. Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Ellison, Lowe, Gray and Dittrich, in the event that his employment is terminated by us without “cause,” he may receive severance benefits of up to six months’ base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to

being relocated to the U.S. Virgin Islands or the Cayman Islands, as applicable. If any of our executives' employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive's termination provisions, the executive would first be required to execute a release of claims with us that would include a waiver and release of any and all claims he may have against us. As of December 31, 2018, the separation payment each executive would have received upon termination, other than for cause, based on a six-month separation payment, would have been \$225,000 for Mr. Ellison, \$225,000 for Mr. Lowe, \$187,500 for Mr. Gray and \$133,500 for Mr. Dittrich, as well as six months of medical insurance benefits for continued medical insurance benefits with a value of approximately \$13,297 for Mr. Ellison, \$13,186 for Mr. Lowe, \$19,260 for Mr. Gray and \$13,594 for Mr. Dittrich. Under the terms of their outstanding restricted stock award agreements, each of Messrs. Ellison, Lowe and Gray would have vested, and Mr. Ellison would have received vesting of common stock with a value of \$1,519,178, Mr. Lowe would have received vesting of common stock with a value of \$237,758 and Mr. Gray would have received vesting of common stock with a value of \$69,534, based on AAMC's closing stock price of \$29.69 per share on December 31, 2018.

(table of contents)

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control of AAMC, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above. Our named executive officers also have change in control agreements with Front Yard that provide for the payment of certain change in control compensation by Front Yard to such named executive officers if, within two years of a “Change of Control” of Front Yard (as defined therein), the executive is terminated without “Cause” (as defined therein) or terminates his employment with us for “Good Reason” (as defined therein). Pursuant to such change in control agreements with Front Yard, the obligation to pay the change in control amount is the obligation of Front Yard, not AAMC. Such payments would be reduced to the extent of AAMC severance payment amounts described above.

Pay Ratio

The below table shows the ratio of the median annual total compensation of all employees of the Company (excluding the Chief Executive Officer) to the annual total compensation of our Chief Executive Officer. In determining the median employee, a listing was prepared of all current employees as of December 31, 2018. To determine the median employee, we included the annual base salary as of December 31, 2018 and incentive compensation related to the 2018 fiscal year. Once the median employee was identified, for purposes of comparison to the Chief Executive Officer, we then calculated the total cash compensation for that employee in the same manner as the total cash compensation (Base Salary plus Non-Equity Incentive Compensation) shown for our CEO in the Summary Compensation Table.

Median employee total annual compensation ¹	\$22,468
Mr. Ellison, Chief Executive Officer, total annual compensation	\$2,456,231
Ratio of Chief Executive Officer to median employee compensation	109:1

¹ Approximately 74% of our employees are located in our India subsidiary where compensation is substantially lower as denominated in U.S. dollars. The median salary of our India-based employees was \$15,150, which generated a substantially higher ratio of Chief Executive Officer to median employee compensation. When comparing Chief Executive Officer compensation to median employee compensation of all our non-India employees located in the U.S. Virgin Islands, United States and Cayman Islands of \$225,000, the ratio of Chief Executive Officer to median non-India employee compensation would have been only 11:1.

The 2012 Equity Plan allows for grants to be made in a number of different forms, including but not limited to options, restricted stock, restricted stock units and stock appreciation rights. We granted options to purchase our common stock to the option holders of Altisource Portfolio Solutions S.A. (“ASPS”) under the 2012 Equity Plan and the 2012 Special Equity Incentive Plan in connection with the separation from ASPS. Other than the grant of these options, we have granted restricted shares of common stock under the 2012 Equity Incentive Plan and 2012 Special Equity Incentive Plan subject to the vesting requirements described below in “Compensation Discussion and Analysis - Equity Incentive Plan.” We do not expect to grant any additional options or restricted shares under the 2012 Special Equity Incentive Plan, which was limited to the grants on or prior to our separation from ASPS; all future grants will be made out of our 2012 Equity Incentive Plan. We have also issued shares of common stock to our non-management Directors in connection with their service on our Board of Directors as described above in “Director Compensation.”

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, Directors and persons who beneficially own more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC. Executive officers, Directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based upon the Company’s review of Section 16(a) reports and related written representations, the Company believes that all of the Company’s reporting persons complied with their Section 16(a) filing requirements in 2018.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Related Party Transaction Policy

The Board of Directors has adopted policies and procedures for the review, approval and monitoring of transactions involving AAMC and related persons (Directors, nominees for election as Director and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock or their immediate family members) within our written Code of Business Conduct and Ethics, which is available at www.altisourceamc.com. The policies and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as the policies and procedures broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who, in consultation with management and the Audit Committee chair and with outside counsel, as appropriate, must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chair of the Audit Committee if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

(table of contents)

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including, but not limited to, (i) whether the transaction is in the best interests of AAMC; (ii) alternatives to the relate- person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to AAMC.

Relationship with Front Yard

Asset Management Agreement with Front Yard

On March 31, 2015, we entered into an asset management agreement (the “AMA”) with Front Yard and its subsidiary, Front Yard Residential, L.P. The AMA, which became effective on April 1, 2015, provides for a management fee structure as follows:

Base Management Fee. We are entitled to a quarterly Base Management Fee equal to 1.5% of the product of (i) Front Yard's average invested capital (as defined in the AMA) for the quarter multiplied by (ii) 0.25, while Front Yard has fewer than 2,500 SFR properties actually rented (“Rental Properties”). The Base Management Fee percentage increases to 1.75% of invested capital while Front Yard has between 2,500 and 4,499 Rental Properties and increases to 2.0% of invested capital while Front Yard has 4,500 or more Rental Properties;

Incentive Management Fee. We are entitled to a quarterly Incentive Management Fee equal to 20% of the amount by which Front Yard's return on invested capital (based on AFFO defined as Front Yard's net income attributable to holders of common stock calculated in accordance with GAAP plus real estate depreciation expense minus recurring capital expenditures on all of Front Yard's real estate assets owned) exceeds an annual hurdle return rate of between 7.0% and 8.25% (or 1.75% and 2.06% per quarter), depending on the 10-year treasury rate. To the extent Front Yard has an aggregate shortfall in its return rate over the previous seven quarters, that aggregate return rate shortfall gets added to the normal quarterly 1.75% return hurdle for the next quarter before we are entitled to an incentive management fee. The Incentive Management Fee increases to 22.5% while Front Yard has between 2,500 and 4,499 Rental Properties and increases to 25% while Front Yard has 4,500 or more Rental Properties; and

Conversion Fee. We are entitled to a quarterly conversion fee equal to 1.5% of the market value of assets converted into leased single-family homes by Front Yard for the first time during the quarter.

Because Front Yard has more than 4,500 Rental Properties, we are entitled to receive a base management fee of 2.0% of Front Yard's invested capital and a potential incentive management fee percentage of 25% of the amount by which Front Yard exceeds its then-required return on invested capital threshold.

Front Yard has the flexibility to pay up to 25% of the incentive management fee to us in shares of its common stock.

Under the AMA, Front Yard reimburses us for the compensation and benefits of the General Counsel dedicated to Front Yard and certain other out-of-pocket expenses incurred on Front Yard's behalf.

The AMA requires that we are the exclusive asset manager for Front Yard for an initial term of 15 years from April 1, 2015, with two potential five-year extensions, subject to Front Yard achieving an average annual return on invested capital of at least 7.0%. Under the AMA, neither party is entitled to terminate the AMA prior to the end of the initial term, or each renewal term, other than termination by (a) us and/or Front Yard “for cause” for certain events such as a material breach of the AMA and failure to cure such breach, (b) Front Yard for certain other reasons such as its failure

to achieve a return on invested capital of at least 7.0% for two consecutive fiscal years after the third anniversary of the AMA or (c) Front Yard in connection with certain change of control events.

Aggregate Management Fees and Expense Reimbursements Paid to AAMC by Front Yard in 2018

In 2018, the aggregate fees paid to AAMC under the AMA by Front Yard were \$14,742,991 in management fees and \$1,182,752 in expense reimbursements.

No Incentive Management Fee under the AMA was payable to us during 2018 because Front Yard's return on invested capital (as defined in the AMA) for the previous seven quarters was below the required hurdle rate.

Equity Plans

Options Granted in Separation from ASPS

In connection with our separation from ASPS in December 2012, we adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan. In the separation transaction, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share at December 31, 2012 under the 2012 Equity Plan to ASPS employees holding ASPS stock options immediately prior to the separation, representing the same exchange ratio as the separation transaction of one share for every ten shares represented by the ASPS options. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of ASPS stock options using the same exchange ratio. These options expire on the same dates as they expired under the ASPS plans. Because the options were granted as part of the separation to holders of ASPS stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. None of these options have ever been held by, or were exercised by, any of our named executive officers. No additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.

Purchase of AAMC Common Stock

On August 31, 2018, we purchased an aggregate of 2,000 shares of AAMC common stock pursuant to AAMC's repurchase plan from Mr. Gray. The purchase price of \$62.74 per share was determined and approved by the Audit Committee pursuant to AAMC's Code of Conduct and was based on the average closing price of AAMC's common stock, as reported by the NYSE, on the five trading days prior to purchase.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the NYSE, which governs the NYSE American where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Byrd, de Jongh and Redleaf are independent Directors and were independent Directors for the full 2018 fiscal year.

Item 14. Principal Accountant Fees and Services.

The following table shows the aggregate fees billed to AAMC for professional services by Ernst & Young LLP with respect to our fiscal year ended December 31, 2018 and 2017:

Audit-Related Fees	30,000	—
Tax Fees	28,000	16,885
All Other Fees	—	—
Total	\$459,475	\$402,885

Audit Fees. This category includes the aggregate fees and expenses billed for professional services rendered for the audits of AAMC's consolidated financial statements for the fiscal years ended December 31, 2018 and 2017, for reviews of the financial statements included in AAMC's quarterly reports on Form 10-Q during those fiscal years and for services that are normally provided by the independent registered public accounting firm and affiliates in connection with statutory and regulatory filings or engagements for the relevant fiscal year.

Audit-Related Fees. This category includes the aggregate fees billed for audit-related services by the independent registered public accounting firm that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under "Audit Fees." Such fees include a quality assurance review of our internal audit function for the year ended December 31, 2018. We did not incur any such other fees for the year ended December 31, 2017.

Tax Fees. This category would include the aggregate fees billed for professional services rendered by the independent registered public accounting firm for tax compliance and tax planning.

All Other Fees. This category would include the aggregate fees billed for products and services provided by the independent registered public accounting firm that are not reported above under "Audit Fees," "Audit-Related Fees" or "Tax Fees." We did not incur any such other fees for the years ended December 31, 2018 and 2017.

The Audit Committee considered the fees paid to Ernst & Young LLP for the fiscal year ended December 31, 2018 and determined that the services and fees are compatible with the independence of Ernst & Young LLP.

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the audit and (unless the de minimus exception of applicable law permits) non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. Unless a type of service to be provided by the independent registered certified public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. For the fiscal year ended December 31, 2018, all fees associated with the independent registered public accounting firm's services were pre-approved by the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.
