**PROXY STATEMENT**

**Annual Meeting of Stockholders  
to be held on August 11, 2015**

This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors (the "Board") of Dreyfus Municipal Bond Infrastructure Fund, Inc. (the "Fund") to be used at the Annual Meeting of Stockholders of the Fund to be held on Tuesday, August 11, 2015 at 10:00 a.m., Eastern time, at the offices of The Dreyfus Corporation ("Dreyfus" or the "Investment Adviser"), 200 Park Avenue, 7th Floor, New York, New York 10166 and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on June 5, 2015 are entitled to be present and to vote at the meeting. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Shares represented by executed and unrevoked proxies will be

voted in accordance with the specifications made thereon. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked by another proxy given later. To be effective, such revocation must be received prior to the meeting. In addition, any stockholder who attends the meeting in person may vote by ballot at the meeting, thereby canceling any proxy previously given.

A quorum is constituted by the presence in person or by proxy of the holders of one-third of the outstanding shares of the Fund entitled to vote at the meeting. If a quorum is not present at the meeting, the stockholders present in person or by proxy, by majority vote and without notice other than by announcement at the meeting, may adjourn the meeting. If a proposal is to be voted upon by only one class of the Fund's shares, a quorum of that class of shares (the holders of a majority of the outstanding shares of the class) must be present in person or by proxy at the meeting in order for the proposal to be considered. The Fund has two classes of capital stock: Common Stock, par value \$0.001 per share (the "Common Stock"), and Variable Rate Muni Term Preferred Shares, par value \$0.001 per share, liquidation preference \$100,000 per share (the "VMTP Shares"). Currently, no proposal is expected to be presented at the meeting that would require separate voting for VMTP Shares. As of June 5, 2015, the Fund had outstanding the following number of shares:

### PROPOSAL 1: ELECTION OF DIRECTORS

The Board is divided into three classes with the term of office of one class expiring each year. It is proposed that stockholders of the Fund consider the election of three Class I Directors to serve for three-year terms, until their successors are duly elected and qualified. The individual nominees (the "Nominees") proposed for election are listed below. Each Nominee currently serves as a Director of the Fund. Each Nominee was nominated by the Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Director if elected. Biographical information about each Nominee is set forth below. Biographical information about the Fund's Directors who are not standing for election at the meeting but who will continue to be Directors of the Fund (each, a "Continuing Director"), information on each Nominee's and Continuing Director's ownership of Fund shares and other relevant information is set forth on Exhibit A. Gordon J. Davis, a Nominee for Class I Director, is deemed to be an "interested person," as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of the Fund ("Interested Director") as a result of his affiliation with Venable LLP, which provides legal services to the Fund. Except for J. Charles Cardona and Isabel Dunst, none of the Continuing Directors are deemed to be Interested Directors of the Fund. Mr. Cardona is deemed to be an Interested Director of the Fund because of his positions with the Investment Adviser and its affiliates. Ms. Dunst is deemed to be an Interested Director of the Fund because, until January 1, 2015, she was a partner of Hogan Lovells LLP, a law firm which provides legal services to The Bank of New York Mellon Corporation ("BNY Mellon") and certain of its affiliates, but not to the Investment Adviser or the Fund. Ms. Dunst was not involved in these representations.

Voting with regard to the election of Directors will be as follows: holders of Common Stock and VMTP Shares will vote together as a single class with respect to the election of Francine J. Bovich, Roslyn Watson and Gordon J. Davis as Class I Directors.

The persons named as proxies on the accompanying proxy card intend to vote each proxy for the election of the Nominees, unless stockholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not

## Edgar Filing: Dreyfus Municipal Bond Infrastructure Fund, Inc. - Form DEF 14A

contemplated that any Nominee will be unable to serve as a Director for any reason, but, if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees.

**Board's Oversight Role in Management.** The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including senior personnel of the Investment Adviser, the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. The Board's audit committee (which consists of all Independent Directors, as defined below) meets during its regularly scheduled and special meetings, and between meetings the audit committee chair is available to the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of the Investment Adviser or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation, credit and investment research. As warranted, the Board also receives informational reports from the Board's independent legal counsel regarding regulatory compliance and governance matters. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund, and the Board's risk management oversight is subject to inherent limitations.

**Board Composition and Leadership Structure.** The 1940 Act requires that at least 40% of the Fund's Directors not be "interested persons" (as defined in the 1940 Act) of the Fund ("Independent Directors") and as such are not affiliated with the Investment Adviser. To rely on certain exemptive rules under the 1940 Act, a majority of the Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, six of the nine Directors are Independent Directors. The Board has determined that its leadership structure, in

3

---

which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the specific characteristics and circumstances of the Fund, including, but not limited to (i) the services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships; (ii) the extent to which the day-to-day operations of the Fund are conducted by Fund officers and employees of the Investment Adviser; and (iii) the Board's oversight role in management of the Fund.

**Information About Each Nominee's and Continuing Director's Experience, Qualifications, Attributes or Skills.** Nominees for Director of the Fund, together with information as to their positions with the Fund, principal occupations and other board memberships for the past five years, are shown below. The address of each Nominee is 200 Park Avenue, New York, New York 10166. Each Nominee, except Ms. Bovich, has been a Dreyfus Family of Funds board member for over 15 years, and Ms. Bovich has been in the asset management business for over 40 years. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the Board believes has prepared them to be effective Directors (this information for the Continuing Directors is set forth on Exhibit A). The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for the Board's nominating committee contains certain other factors considered by the committee in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Directors are counseled by their independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser and also may benefit from information provided by the Investment Adviser's counsel; counsel to the Fund and to the Board has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

**Fund Board Committees.** The Fund has standing audit, nominating, compensation and litigation committees, each comprised of its Independent Directors, except that Mr. DiMartino does not serve on the Compensation Committee.

The function of the audit committee is (1) to oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements and (2) to assist in the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund's independent registered public accounting firm. the audit committee's purposes, duties and responsibilities, is available at [www.dreyfus.com](http://www.dreyfus.com) in the "Individual Investors" section under "Specialty Products -Glosed End Fund Information."

The Fund's nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by stockholders. In evaluating potential nominees, including any nominees recommended by stockholders, the committee takes into consideration the factors listed in the Fund's Nominating Committee Charter and Procedures (the "Nominating Committee Charter"), including character and integrity, and business and professional experience. The nominating committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The committee will consider recommendations for nominees from stockholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 7th Floor, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The Nominating Committee Charter is not available on the Fund's or Dreyfus website but is attached as Exhibit B to the Fund's proxy statement for the 2014

annual stockholder meeting (filed with the Securities and Exchange Commission on June 18, 2014).

The litigation committee seeks to address any potential conflicts of interest between the Fund and the Investment Adviser in connection with any potential or existing litigation or other legal proceeding relating to securities held by the Fund and held or otherwise deemed to have a beneficial interest held by the Investment Adviser or its affiliate.

The Fund also has a standing pricing committee comprised of any one Independent Director. The function of the pricing committee is to assist in valuing the Fund's investments.

Compensation. Each Director also serves as a director of other funds in the Dreyfus fund complex. Annual retainer fees and meeting attendance fees are allocated among the Fund and those other funds on the basis of net assets, with the Chairman of the Board, Joseph S. DiMartino, receiving an additional 25% of such compensation. Mr. Cardona receives no compensation from the Fund for serving as a Director. Board Member Emeritus Program, upon reaching age 72, a Director is entitled to elect Emeritus status with respect to the Fund if he or she has served on the Board of a fund for at least 10 years. ### Required Vote

The election of each Nominee requires the affirmative vote of a plurality of votes cast at the Fund's meeting for the election of Directors.

### ADDITIONAL INFORMATION

#### Selection of Independent Registered Public Accounting Firm

The 1940 Act requires that the Fund's independent registered public accounting firm (the "independent auditors" or "auditors") be selected by a majority of the Independent Directors. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors. At a meeting held on April 30, 2015, the Fund's audit committee approved and the Fund's Board, including a majority of the Independent Directors, ratified and approved the selection of Ernst & Young LLP ("EY") as the Fund's auditors for the fiscal year ending February 28, 2016. EY, a major international accounting firm, has acted as independent auditors of the Fund since the Fund's organization. The audit committee's report is attached as Exhibit B to this proxy statement.

#### Independent Registered Public Accounting Firm Fees and Services

The following chart reflects fees paid to EY in the Fund's last two fiscal years. For Service Affiliates (*i.e.*, Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the Fund), such fees represent only those fees that required pre-approval by the audit committee, except the Aggregate Non-Audit Fees amounts, which include all non-audit fees paid to EY by the Fund and Service Affiliates. All services provided by EY were pre-approved as required.

	Fund <sup>1</sup>	Service Affiliates <sup>1</sup>
<b>Audit Fees</b>	\$33,848 /\$34,694	\$0 /\$0
<b>Audit-Related Fees<sup>2</sup></b>	\$0 /\$8,195	\$0 /\$0
<b>Tax Fees<sup>3</sup></b>	\$2,799 /\$3,796	\$0 /\$0
<b>All Other Fees</b>	\$0 /\$100	\$0 /\$0
<b>Aggregate Non-Audit Fees<sup>4</sup></b>	N/A	\$51,656,532 /\$23,444,656

<sup>1</sup> For the Fund's fiscal years ended February 28, 2014/February 28, 2015.

<sup>2</sup> Services to the Fund included security counts required by Rule 17f-2 under the 1940 Act.

<sup>3</sup> Services to the Fund consisted of (i) review or preparation of U.S. federal, state, local and excise tax returns; (ii) U.S. federal, state and local tax planning, advice and assistance regarding statutory, regulatory or administrative developments; and (iii) tax advice regarding tax qualification matters and/or treatment of various financial instruments held or proposed to be acquired or held.

<sup>4</sup> Aggregate fees from the Fund and Service Affiliates are shown under the Service Affiliates column.

**Audit Committee Pre-Approval Policies and Procedures.** The Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of EY engagement for audit and non-audit services to the Fund and non-audit services to Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining EY's independence. Pre-approvals pursuant to the Policy are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

**Auditor Independence.** The Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates that did not require pre-approval is compatible with maintaining EY's independence.

A representative of EY is expected to be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

The Fund will bear the cost of soliciting proxies. In addition to the use of the mails, proxies may be solicited personally or by telephone, and the Fund may pay persons holding shares of the Fund in their names or those of their nominees for their expenses in sending soliciting materials to their principals. Authorizations to execute proxies may be obtained by electronic transmission or by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic proxy is solicited, the stockholder will be asked to provide or confirm certain identifiable information and to confirm that the stockholder has received the Fund's proxy statement and proxy card in the mail. Within 72 hours of receiving a stockholder's solicited

telephonic voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and if no voting instructions are given, shares will be voted "for" the proposals.

If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote or represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Fund on a particular matter with respect to which the broker or nominee does not have discretionary power), the Fund's shares represented thereby will be considered to be present at the meeting for purposes of determining the existence of a quorum for the transaction of business, but will not constitute a vote "for" a proposal and will have

no effect on the result of the vote.

#### **OTHER MATTERS**

The Fund's Board is not aware of any other matter which may come before the meeting. However, should any such matter properly come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy in accordance with their judgment on such matter.

### EXHIBIT B

#### REPORT OF THE AUDIT COMMITTEE

Dreyfus Municipal Bond Infrastructure Fund, Inc.  
(the "Fund")

April 30, 2015

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm (the "independent auditors" or "auditors"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Fund including the auditors' letter and the matters in the written disclosures required by the PCAOB provided to the committee.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements for the Fund be included in the Fund's Annual Report to Stockholders for the year ended February 28, 2015.

Francine J. Bovich, Audit Committee Member
