(“we”, “us”, “our”, “USPT” or the “Company”) to be held on Tuesday, October 3, 2017 at 9:00 a.m. (central time) at the Company’s principal executive offices located at 1300 West Sam Houston Parkway, Suite 300, Houston, Texas, 77042.

Proxy Solicitation

Your vote and proxy are being solicited by our Board of Directors (“Board of Directors” or “Board”) for use at the Annual Meeting. This Proxy Statement and the enclosed proxy card are being mailed on behalf of our Board of Directors on or about August 22, 2017 to all of our stockholders of record as of the close of business on the record date, Friday, August 11, 2017 (the “Record Date”).

Your presence at the Annual Meeting will not automatically revoke your proxy. You may, however, revoke your proxy at any time prior to its exercise by delivering to us another proxy bearing a later date, by attending the Annual Meeting and voting in person, or by filing a written notice of revocation before the Annual Meeting with Richard Binstein, our Secretary, at our principal executive offices located at 1300 West Sam Houston Parkway South, Suite 300, Houston, Texas 77042. If you receive multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, or are registered in different names. You should vote each of the proxy cards received to ensure that all of your shares are voted.

Your Vote is Important

Whether or not you plan to attend the Annual Meeting, please take time to vote your shares by signing and returning a proxy card as soon as possible.

Proposals To Be Voted On and the Board’s Voting Recommendations

The following three proposals are scheduled to be voted on at the Annual Meeting:

• Election of nine director nominees.

• Advisory vote to approve named executive officer compensation.

• Ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2017.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF: THE ELECTION OF EACH OF THE NINE NOMINEES FOR DIRECTOR, THE NON-BINDING APPROVAL OF THE NAMED EXECUTIVE OFFICER COMPENSATION, AND THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR

THE YEAR ENDING DECEMBER 31, 2017.

We have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a Notice of 2017 Annual Meeting of Stockholders, proxy card and Annual Report for the year ended December 31, 2016, and by notifying you of the availability of our proxy materials on the Internet. **The Notice of 2017 Annual Meeting of Stockholders, this Proxy Statement, proxy card and Annual Report for the year ended December 31, 2016 are available at <http://www.cstproxy.com/usph/2017>.** The materials on the website are searchable, readable and printable and the website does not have “cookies” or other tracking devices which identify visitors. To obtain directions to attend the Annual Meeting and vote in person, please contact Richard Binstein, our Secretary, at 800-530-6285 or via email at investorrelations@usph.com.

Who Can Vote:

All holders of record of our common stock at the close of business on August 11, 2017 are entitled to vote at the Annual Meeting. Holders of our common stock are entitled to one vote per share.

Proxies:

Properly executed but unmarked proxies will be voted FOR the election of our nine director nominees, FOR the non-binding approval of named executive officer compensation, and FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2017. If you “withhold” your vote for any of the director nominees, this will be counted as a vote **AGAINST** that nominee. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy card will vote your shares as directed by a majority of the Board of Directors.

Quorum:

Only shares of our common stock can be voted, with each share entitling its owner to one vote on all matters that come before the Annual Meeting. The close of business on Friday August 11, 2017 was fixed by the Board of Directors as the Record Date for determination of stockholders entitled to vote at the Annual Meeting. The number of shares of our common stock outstanding on the Record Date was 12,581,237. The presence, in person or by proxy, of at least a majority of the shares outstanding on the Record Date is necessary to constitute a quorum at our Annual Meeting. Abstentions will be treated as present for determining a quorum at the Annual Meeting. If a broker holding your shares in “street” name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares for all matters at the meeting, we will not consider your shares as present or entitled to vote for any purpose. There is no cumulative voting in the election of directors and, as required by Nevada law, the directors will be elected by a plurality of the votes cast at the Annual Meeting, subject to the requirements of the Company’s Corporate Governance Guidelines regarding the need to receive more “For” votes than “Withhold” votes, as discussed in more detail below.

Cost of Proxy Solicitation:

We will bear the cost of soliciting proxies. Some of our directors, officers and regular employees may solicit proxies, without additional compensation, personally or by telephone. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

PROPOSAL 1 — ELECTION OF DIRECTORS

The accompanying proxy card, unless marked to the contrary, will be voted in favor of the election of Jerald L. Pullins, Christopher J. Reading, Lawrance W. McAfee, Mark J. Brookner, Harry S. Chapman, Dr. Bernard A. Harris, Jr., Edward L. Kuntz, Reginald E. Swanson and Clayton K. Trier. These nine nominees are current directors standing for re-election at the Annual Meeting to serve until the next annual meeting of stockholders or until their successor is elected and qualified. Mr. Marlin W. Johnston, a current director of the Company, is not standing for reelection, but has indicated he will serve until the end of his term, which will expire at the Annual Meeting Effective as of the date of the Annual Meeting, the Board of Directors has reduced the number of directors to nine, and consequently, Mr. Johnston's position will not be filled. The Governance and Nominating Committee, which consists solely of directors who are independent under the applicable New York Stock Exchange ("NYSE") listing standards, recommended the nomination of the nine directors to the Board of Directors. Based on that recommendation, the Board nominated such directors for election at the Annual Meeting.

The Board of Directors has affirmatively determined that Messrs. Pullins, Brookner, Chapman, Kuntz, Trier, and Dr. Harris are independent under the NYSE listing standards. Messrs. McAfee and Reading, who are both executive officers of the Company, and Mr. Swanson, who is an employee of the Company, were determined not to be independent under the NYSE listing standards. The persons named on the proxy card will vote FOR all of the nominees for director listed above unless you withhold authority to vote for one or more of the nominees. Under current regulations, a broker is prohibited from voting for directors without receiving instructions from you. As required by Nevada law, nominees will be elected by a plurality of the votes cast at the Annual Meeting. Abstentions and broker non-votes will not be treated as a vote for or against any particular nominee and will not affect the outcome of the election of directors. However, pursuant to the Company's Corporate Governance Guidelines, in any uncontested election of directors, a nominee who receives more "withhold" votes than FOR votes shall tender his or her resignation to the Board. The Governance and Nominating Committee of the Board of Directors will promptly accept such resignation unless there are, in its opinion, highly

unusual or mitigating circumstances, in which case the Nominating and Governance Committee may, by unanimous vote of its disinterested members, recommend to the Board to reject the tendered resignation, and the Board will promptly act on, without being bound to accept, that recommendation.

All of the nominees have consented to serve as directors. Our Board has no reason to believe that any of the nominees will be unable to act as a director. However, if any director is unable to serve, the Board may designate a substitute. If a substitute nominee is named, the persons named on the proxy card will vote FOR the election of the substitute nominee.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE NINE NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Leadership Structure

Our Board is led by an independent Chairman and included six other independent directors during 2016 after completion of the 2016 annual meeting of stockholders. Since Mr. Johnston is not standing for reelection after the Annual Meeting, we will have five independent directors in addition to an independent Chair. Mr. Reading, our Chief Executive Officer, Mr. McAfee, our Executive Vice President and Chief Financial Officer, and Mr. Swanson, an employee of one of our subsidiaries, STAR Physical Therapy, LP, are the members of the Board who are not independent. We believe the leadership structure enhances the accountability of the executive management to the Board. Because six of the nine members of our Board nominated for re-election are considered independent, we believe the Board is independent from management. Further, separating the Chairman and Chief Executive Officer roles allows Mr. Reading to focus his efforts on running our business and managing the Company in the best interest of our stockholders while we are able to benefit from prior experiences of our independent Board members.

Board Oversight of Risk

Our management is responsible for the Company's day-to-day risk management activities. Our Board, which functions in an oversight role in risk management, focuses on understanding the nature of the risks inherent in our business, including our operations, strategic directions and overall risk management systems. Our Board receives periodic updates on our business operations, financial results, strategy and specific risks related to our business. These updates are communicated through monthly correspondence and presentations by management at Board meetings and through discussions with appropriate management compliance and audit personnel at the meetings of the Board's Audit Committee and Compliance Committee.

In addition, we believe our approach to compensation practices and policies applicable to employees throughout our Company and those followed for our Named Executive Officers (as defined in the "Compensation Discussion and Analysis" section below) are not reasonably likely to have a material adverse effect on our Company. See "Compensation Discussion and Analysis."

Independent Directors

The Board has affirmatively determined the Messrs. Brookner, Chapman, Harris, Kuntz, Pullins, and Trier have no relationship with the Company or its subsidiaries that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent, as defined in the NYSE listing standards. Specifically, the Board determined that the foregoing six nominees are "independent" as defined in the NYSE listing standards, and that the directors comprising the Company's Audit Committee are "independent" as defined in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 (as amended, the "Exchange Act") and the directors comprising the Compensation Committee are "independent" as defined in Rule 10C-1 under the Exchange Act.

Attendance at Board Meetings and Board Committees

The Board of Directors conducts its business through its meetings and through meetings of certain committees of the Board of Directors. The Board of Directors is comprised of a majority of independent directors as required by the NYSE listing standards and is required to meet at least four times per year. In addition, the independent directors periodically meet as a group in executive session, with the Chairman of the Board presiding over such meetings.

The Board has the following standing committees: (i) Governance and Nominating, (ii) Compliance, (iii) Compensation, and (iv) Audit. During 2016, the Board of Directors met seven times, the Governance and

Nominating Committee met two times, the Compliance Committee met four times, the Compensation Committee met six times and the Audit Committee met seven times. Each of our directors participated in at least 75% of the aggregate meetings of the Board of Directors and the committees on which he served.

These committees are constituted as follows:

Governance and Nominating Committee

The Governance and Nominating Committee currently consists of Messrs. Pullins (Chairman), Harris and Trier, all of whom have been determined to be “independent,” as defined in the NYSE listing standards and the rules of the SEC. The function of the committee is to select, screen and recommend to the full Board nominees for election as directors, including any nominees proposed by stockholders who have complied with the procedures described below. The committee also has ongoing responsibility for oversight review of Board performance and ensuring each Board member’s continuing commitment to the Board and the Company’s goals and objectives. Additional functions include regularly assessing the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the committee will consider various potential candidates for director. Candidates may come to the attention of the committee through current Board members, stockholders, or other persons. The committee may also hire third parties to identify, to evaluate, or to assist in identifying or evaluating potential nominees should it be determined necessary. The committee is required to meet at least annually and operates under a written charter, a copy of which is available on our website at www.usph.com.

Nomination Criteria. In its consideration of Board candidates, the Governance and Nominating Committee considers the following criteria: the candidate’s general understanding of the health care sector, marketing, finance and other disciplines relevant to the success of a publicly-traded company; strategic business contacts and regard or reputation in the community, other board affiliations, industry and civic affairs; financial, regulatory and business experience; integrity, honesty and reputation; size of the Board of Directors; and regulatory obligations. In the case of incumbent directors whose terms of office are set to expire, the committee reviews each such director’s overall service to the Company during said director’s terms, including the number of meetings attended, level of participation, quality of performance, and whether the director continues to meet the independence standards set forth in the applicable SEC rules and regulations and the NYSE listing standards. In the case of new director candidates, the questions of independence and financial expertise are important to determine which roles can be performed by the candidate, and the committee preliminarily determines whether the candidate meets the independence standards set forth in the SEC rules and regulations and the NYSE listing standards, and the level of the candidate’s financial expertise. In accordance with the Company’s Corporate Governance Guidelines, beginning with this upcoming Annual Meeting in 2017, incumbent Directors who have achieved the age of 78 as of the date of the Annual Meeting shall not be eligible for re-election to the Board at such Annual Meeting without the unanimous consent and approval of the Board. Newly proposed nominees for director who have achieved the age of 77 as of the date of the Annual Meeting shall not be eligible for nomination, appointment or election to the Board. Candidates are first screened by the committee, and if approved by the committee, then they are screened by other members of the Board. The full Board approves the final nomination(s) based on recommendations from the committee. The Chairman of the Board, acting on behalf of the full Board, will extend the formal invitation to become a nominee of the Board of Directors. Qualified candidates for membership on the Board will be considered without regard to race, color, religion, sex, ancestry, national origin or disability.

Stockholder Nomination Procedures. The Governance and Nominating Committee will consider director candidates recommended by the stockholders. Generally, for a stockholder of the Company to make a nomination to be included in the proxy statement, he or she must give written notice to our Secretary so that such notice is received at least 120 calendar days prior to the first anniversary of the date the Company’s proxy statement is sent to the stockholders in connection with the previous year’s annual meeting of stockholders. If no annual meeting of stockholders was held in the previous year (or if the date of the annual meeting of stockholders was changed by more than 30 calendar days

from the date of the previous year's annual meeting), the notice must be received by the Company within a reasonable period prior to the time the Company begins to print and send its proxy materials for the applicable annual meeting. The stockholder's notice must set forth as to each nominee: (i) the name, age, business address and residence address of such nominee, (ii) the principal occupation or employment of such nominee, (iii) the number of shares of our common stock which are beneficially owned by such nominee, and (iv) any other information relating to such nominee that may be required under federal securities laws to be disclosed in solicitations of proxies for the election of directors (including the written consent of the person being recommended as a director

candidate to being named in the proxy statement as a nominee and to serve as a director if elected). The stockholder's notice must also set forth as to the stockholder giving notice: (a) the name and address of such stockholder and (b) the number of shares of our common stock which are beneficially owned by such stockholder.

If the information supplied by the stockholder is deficient in any material aspect or if the foregoing procedure is not followed, the chairman of the applicable annual meeting may determine that such stockholder's nomination should not be brought before the meeting and that such nominee is not eligible for election as a director of the Company. The committee will not alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder.

No stockholder nominations were received in connection with the Annual Meeting.

Compliance Committee

The Compliance Committee currently consists of five independent directors. The current members of the committee are Messrs. Kuntz (Chairman), Brookner, Chapman, Harris and Johnston, all of whom have been determined to be "independent," as defined in the NYSE listing standards. As Mr. Johnston will not stand for reelection, he will no longer be on this committee after the Annual Meeting. The committee has general oversight of our Company's compliance with the legal and regulatory requirements regarding healthcare operations. The Chairman of the committee is provided with information regarding calls received on the Company's compliance hotline and reports findings to the committee. The committee relies on the expertise and knowledge of management, especially our Chief Compliance Officer, who regularly communicates with the Chairman of the committee, and other compliance, management, operations and/or legal personnel. The committee meets at least four times a year and as necessary to carry out its responsibilities and reports periodically to the Board of Directors regarding its actions and recommendations. The committee reviews and assesses the activities and findings of clinic internal audits, reviews reports of material noncompliance and reviews and approves corrective actions proposed by management. In addition, the Compliance Committee oversees the implementation and execution of the Company's Corporate Integrity Agreement.

Compensation Committee

The current members of the Compensation Committee are Messrs. Chapman (Chairman), Pullins and Trier, all of whom have been determined to be "independent," as defined in the NYSE listing standards and the rules of the SEC. As more fully described in the Compensation Committee Charter, which can be found on our website at www.usph.com, the committee is responsible for, among other things:

- establishing goals and objectives relevant to incentive compensation awards (annual and long-term) for the Chief Executive Officer and other senior executive officers of the Company;
- evaluating the Chief Executive Officer's and other senior executive officers' performance and the overall corporate performance in light of these goals and objectives and approve any incentive compensation for such executives;
- determining any periodic adjustments to be made in the Chief Executive Officer's and other senior executive officers' base salary level based on the committee's evaluation thereof;
- reviewing, for officers of the Company other than the senior executives, the proposed salary levels and annual adjustments thereto and the incentive compensation plans formulated by senior executive management and the annual bonus payments to be made thereunder, and providing input and advice to senior executive management with respect to these compensation decisions;
- approving all executive perquisites and any special benefit plans to be made available to senior executive officers;
- advising on compensation of non-employee members of the Board;
- administering the Company's equity compensation plans and approving grants to executive officers, employees, directors, and consultants under such plans.

The committee may delegate its responsibilities to subcommittees of one or more directors. The committee meets at least two times a year to carry out its responsibilities. The Named Executive Officers and other senior executives are

not permitted to be present during any deliberations or voting with respect to his or her compensation.

7

The committee's processes and procedures for determining executive compensation are described below under "Compensation Discussion and Analysis." Each member of the Compensation Committee has been determined to be "independent", as defined in the NYSE listing standards and the rules of the SEC.

Audit Committee

The Audit Committee currently consists of Messrs. Trier (Chairman), Brookner, Harris, Johnston and Pullins. As Mr. Johnston will not stand for reelection, he will no longer be on this committee after the Annual Meeting. Our Board of Directors has determined that Messrs. Brookner, Trier and Pullins are "audit committee financial experts" under the rules of the SEC. As more fully described in the Audit Committee Charter, which can be found on our website at www.usph.com, the committee is responsible for, among other things:

- overseeing our financial reporting processes, including the quarterly reviews and annual audits of our financial statements by the independent auditors;

- the appointment, compensation, retention and oversight of the work of the independent auditors;

- pre-approving audit and permitted non-audit services, and related fees and terms of engagement, provided by the independent auditors; and

- reviewing with management and independent auditors issues relating to disclosure controls and procedures and internal control over financial reporting.

The Audit Committee Charter requires that the committee consist of at least three independent members of our Board and that the committee meet at least four times per year on a quarterly basis. At each regular Audit Committee meeting, the committee meets privately with management and with the independent auditors. Each member of the Audit Committee has been determined to be "independent," as defined in the NYSE listing standards and the rules of the SEC.

Codes of Conduct and Procedures Regarding Related Party Transactions

Codes of Conduct

Our Board has approved and we have adopted a Code of Business Conduct and Ethics for our officers and all employees, an additional Code of Business Conduct and Ethics which is applicable to our directors, and Corporate Governance Guidelines. The Codes and Corporate Governance Guidelines are available on our website at www.usph.com. Our Board, or a committee of its independent members, is responsible for reviewing and approving or rejecting any requested waivers to the Codes, as such waivers may apply to our directors and officers. Neither the Board, nor a committee of its independent members, received any requests for waivers or amendments to the Codes in 2016, and none were granted. Any waivers of these Codes for directors, officers and employees will be disclosed in a Form 8-K filed with the SEC, which will be available on the SEC's website at www.sec.gov. The Code applicable to directors requires each director to disclose to the Board any interest he or she may have in a potential transaction, arrangement or agreement to which the Company is or will be a party, and refrain from participating directly or indirectly in the transaction unless the Board approves such participation with all interested directors abstaining from the consideration and deliberation of, and any votes concerning, such matter.

Our Board has further approved and we have adopted an additional Code of Business Conduct and Ethics, applicable to our Chief Executive Officer, Chief Financial Officer and senior financial officers, relating to dealings with our auditors and the preparation of our financial statements and other disclosures made to the public under SEC rules and regulations. This Code is available on our website at www.usph.com. The Board, or a committee of its independent members, is responsible for reviewing and approving or rejecting any requested waivers from, and amendments to, this Code. Neither the Board, nor a committee of its independent members, received any requests for waivers or amendments to the Code in 2016, and none were granted. Any waivers from, and amendments to, the Code will be disclosed in a Form 8-K filed with the SEC, which will be available on the SEC's website at www.sec.gov. The Code requires the officers to disclose directly to the Audit Committee any conflicts of interest, including any material

transaction or relationship involving a potential conflict of interest.

The charter of the Audit Committee requires that the Audit Committee review and approve all insider and affiliated party transactions.

Communications with the Board of Directors and Attendance at Annual Meeting

The Board of Directors maintains an informal process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to our Secretary, at our principal executive offices, 1300 West Sam Houston Parkway South, Suite 300, Houston, Texas 77042. Any such communication must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

The Board of Directors also maintains an informal process for interested persons to communicate directly with the independent directors who periodically meet as a group in executive session. In the event an interested party wants to communicate directly with our Chairman (who presides over the executive sessions) or with the independent directors as a group, the interested party should send such communication to the attention of Chairman of the Board, labeled "CONFIDENTIAL", to our principal executive offices.

Although the Company does not have a formal policy requiring them to do so, all of the members of our Board of Directors are encouraged to attend our annual meeting of stockholders. At the 2016 annual meeting, all except one of our directors were in attendance.

Actions taken to Remediate Material Weakness

Management conducted an assessment of the effectiveness of our internal control over financial reporting as of December 31, 2016. In making this assessment, management used the criteria described in *Internal Control — Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this assessment, management concluded that our internal control over financial reporting was not effective as of December 31, 2016 as a result of the material weakness discussed below.

Redeemable non-controlling interests – We did not properly account for redeemable non-controlling interests. The Company's business combination / purchase accounting controls relating to our accounting for redeemable non-controlling interests were not designed effectively to ensure that we correctly interpreted and applied technical accounting requirements concerning the classification of such interests on our consolidated financial statements.

Management has taken certain action to remediate the material weakness in the Company's internal control over financial reporting.

Redeemable non-controlling interest evaluation - We have engaged in a robust review of applicable guidance concerning the manner in which limited partnership interests held by minority partners should be reflected on our consolidated financial statements. In addition, we have developed and implemented additional processes and procedures to ensure appropriate consideration of such applicable accounting guidance when we acquire partnership interests in the future. We believe that such processes and procedures will enable management to prevent future errors in our financial reporting of such interests.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee, composed entirely of independent directors, administers the Company's executive compensation program. The role of the committee includes establishing and overseeing compensation and benefit programs for our executive officers including the Chief Executive Officer ("CEO") and the other executive officers listed in the Summary Compensation table below (the "Named Executive Officers"). The committee also evaluates the performance of the CEO and reviews the performance of our other executive officers every year. Based upon these performance evaluations, the committee establishes compensation for the CEO and other executive officers, and executive management consults with the committee with respect to compensation levels and plans for key employees. Elements of our executive compensation program include: base salary; annual cash incentive compensation; long-term equity incentive awards; post-employment benefits; and benefits and perquisites.

In establishing and overseeing the program, the committee's goal is to ensure that we can attract and retain superior management talent critical to our long-term success. To ensure that executive compensation is aligned with the performance of the Company and the interests of its stockholders, a significant portion of compensation available to executives is linked directly with financial results and other factors that influence stockholder value.

Compensation Support

Our management, our Human Resources department and our outside consultants, from time to time, support the committee in discharging its duties. In performing duties relating to the development and administration of our executive compensation program, our Human Resources department and the committee periodically review matters that relate to the competitive position, value and design of our short-term and long-term incentive compensation plans, performance goals and rewards available at various levels of performance.

Under its charter, the committee also may retain, at the Company's expense, compensation consultants to provide independent advice and counsel directly to the committee.

Peer Group Compensation

In evaluating appropriate levels of total compensation for the Named Executive Officers, the committee gathers and analyzes data from a variety of sources. While there is not a comparable "peer group" of publicly-traded companies serving the outpatient rehabilitation sector, the committee monitors public information on executive compensation for a number of companies providing various healthcare services which are similar in revenue volume and market capitalization to the Company. The Compensation Committee believes that this information is useful in evaluating the competitiveness of our executive compensation program.

Limitation on Certain Trades of Company Securities

In addition to the various trading restrictions required of Company directors and certain employees under the Exchange Act, Securities Act of 1933, as amended, and SEC rules, the U.S. Physical Therapy, Inc. Insider Trading Policy restricts certain transactions involving company securities. Among other things, directors, officers, employees and other insiders of the Company are prohibited from entering into certain hedging or monetization transactions regarding Company securities (*e.g.*, the purchase of "put" options, short positions, zero-cost collars or forward sale contracts).

Compensation Philosophy and Objectives

Our compensation policies are designed to enable us to attract, motivate and retain experienced and qualified executives. We seek to provide competitive compensation. Historically, our policy has been to provide a significant component of an executive officers' compensation through the grant of stock options or restricted shares that vest over

a number of years. We believe that grants of equity-based incentives to executives and key employees help to align the interests of these persons with the interests of our stockholders.

The committee's policy is to compensate and reward executive officers and other key employees based on the combination of some or all of the following factors, depending on the person's responsibilities: corporate performance, business unit performance and individual performance. The committee evaluates corporate performance and business unit performance by reviewing the extent to which the Company has accomplished strategic business objectives such as improved profitability, cash flow, management of working capital, improvements in clinic productivity and efficiency, and the overall quality of patient care. The committee evaluates

individual performance by comparing actual accomplishments to the objectives established for the individual under the Company's management development program. The committee determines increases in base salary and annual cash incentive awards based on actual accomplishments during the performance period and determines long-term incentive awards (as detailed below) on criteria documented in the long-term incentive plans.

The committee believes that compensation to executive officers should be aligned closely with the Company's performance on both a short-term and long-term basis. As a result, a significant portion of compensation to each executive officer is "at risk" and tied to the achievement of financial performance goals, regulatory compliance, improvements in operating efficiency and the quality of care provided, and other quantitative and qualitative factors. The executive compensation program is also designed to incentivize continuous improvements by providing enhanced compensation as results improve. While a significant portion of compensation to the Company's executive officers is performance-based, the committee also believes it prudent to provide competitive base salaries and benefits in order to attract and retain the management talent necessary to achieve our long-term strategic objectives. The committee also takes into account the compensation practices of certain comparably-sized healthcare service companies to ensure that the Company is able to attract, retain and reward executive officers whose contributions are critical to our long-term success.

Base Salaries

Other than the base salary of the Named Executive Officers which were initially set by an employment agreement (see "Employment and Consulting Agreements" below), base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual and the competitive marketplace for executive talent. Base salaries for executive officers, including those with employment agreements, are reviewed annually by the committee based on, among other things, individual performance and responsibilities, inflation and competitive market conditions.

Annual Cash Incentive Compensation

Based on individual and Company performance, incentive compensation opportunities are available to a wide range of our employees. We believe that incentive compensation is effective in reinforcing both the overall values of our Company and our specific operating goals.

Incentive compensation programs are designed to focus employees' attention on our key performance goals, to identify the expected levels of performance and to reward individuals who meet or exceed our expectations. The aggregate amounts available for incentive awards are determined by our overall financial performance. The actual awards paid to individual recipients, other than to executive officers, are formulated by management, generally payable on an annual basis and reviewed by the committee prior to payment. The committee formulates and determines incentive awards for Named Executive Officers. See "Summary Compensation Table" below.

For 2016, the Company's Chief Executive Officer, Chief Financial Officer and Chief Operating Officer (the "Executive Participants") were eligible to receive cash bonus awards under the Company's Objective Cash Bonus Plan and Discretionary Cash Bonus Plan that amounted to a maximum of 125% of their respective base salaries. For a detailed description of these plans, see the Company's Current Report on Form 8-K filed with the SEC on March 16, 2017. Under the Objective Cash Bonus Plan, the Executive Participants were eligible to earn a cash bonus award of up to 75% of their respective base salaries dependent upon the Company achieving diluted earnings per share in the range of \$1.86 to \$2.04 or more. In determining diluted earnings per share for purposes of the Objective Cash Bonus Plan, the Objective Cash Bonus Plan provides that such determination shall be made before the impact of revaluation of non-controlling interests and any other extraordinary items. Based on the adjusted diluted earnings per share of \$1.87 (after adjustment for revaluation of non-controlling interests and the tax benefit due to the new guidance related to equity compensation) for 2016, the Executive Participants received an Objective Cash Bonus award for 2016 equal to 17% of their respective base salaries. Under the Discretionary Cash Bonus Plan, the Executive Participants were

awarded a cash bonus award of 21% of their respective base salaries. The discretionary cash award was based upon a subjective determination of the committee utilizing certain performance criteria as detailed in the plan. However, the committee did not consider it practicable to, nor did it attempt to, quantify, rank or otherwise assign relative weights to the specific performance criteria it considered in reaching its decision. In considering these performance criteria, the individual members of the committee may have given different weights to different performance criteria. The discretionary performance criteria were not intended to be rigid or formulaic but rather served as a framework under which the committee reviews the total compensation. The total cash bonus for the 2016 year, inclusive of the

Objective Cash Bonus Plan and Discretionary Cash Bonus Plan, paid to Messrs. Reading, McAfee and McDowell was \$230,622, \$166,668, and \$155,040, respectively. These bonuses were paid in April 2017.

Long-term Equity Incentive Awards

For the 2016 year, the Executive Participants were eligible to receive awards consisting of shares of restricted common stock under the Company's Objective Long-Term Incentive Plan and Discretionary Long-Term Incentive Plan. For a detailed description of these plans, see the Company's Current Report Form 8-K filed with the SEC on March 16, 2017. Under the Objective Long-Term Incentive Plan, Messrs. Reading, McAfee and McDowell were eligible to earn up to 15,000, 7,500 and 7,500 shares of restricted common stock, respectively, dependent upon the Company achieving diluted earnings per share in the range of \$1.86 to \$1.98 or more. In determining diluted earnings per share for purposes of the Objective Cash Bonus Plan, the Objective Cash Bonus Plan provides that such determination shall be made before the impact of revaluation of non-controlling interests and any other extraordinary items. Based on the adjusted diluted earnings per share of \$1.87 for 2016 (after adjustment for revaluation of non-controlling interests and the tax benefit due to the new guidance related to equity compensation), Messrs. Reading, McAfee and McDowell were awarded 5,100, 2,550 and 2,550 shares of restricted common stock, respectively. Under the Discretionary Long-Term Incentive Plan, Messrs. Reading, McAfee and McDowell were eligible to earn up to 15,000, 7,500 and 7,500 shares of restricted common stock, respectively, based upon a subjective determination of the committee. The committee utilized certain performance criteria as detailed in the plan but generally did not consider it practicable to, nor did it attempt to, quantify, rank or otherwise assign relative weights to the specific performance criteria it considers in reaching its decision. In considering these performance criteria, the individual members of the committee may have given different weights to different performance criteria. The discretionary performance criteria were not intended to be rigid or formulaic but rather served as a framework under which the committee reviews the total compensation and performance of the Executive Participants to determine what incentive amount is appropriate for any specific year. For 2016, Messrs. Reading, McAfee and McDowell were awarded 11,250, 5,625 and 5,625 shares of restricted common stock, respectively, under the Discretionary Long-Term Incentive Plan. On March 24, 2017, for the 2016 year, Messrs. Reading, McAfee and McDowell were granted an aggregate of 16,350, 8,175 and 8,175 shares of restricted common stock, respectively, representing the total shares awarded under the Objective Long-Term Incentive Plan and Discretionary Long-Term Incentive Plan. The restricted shares vest evenly over 16 quarters with the first vesting occurring on April 1, 2017.

The Objective Cash Bonus Plan, Discretionary Cash Bonus Plan, Objective Long-Term Incentive Plan, and Discretionary Long-Term Incentive Plan collectively are hereinafter referred to as the "2016 Executive Incentive Plan".

The Stock Incentive Plan and our Amended and Restated 1999 Employee Stock Option Plan ("1999 Stock Option Plan") are intended to align employee and outside director interests with stockholders' interests, to provide incentives to our key employees by encouraging their ownership of our common stock and to aid us in attracting and retaining key employees, upon whose efforts our success and future growth depends.

Equity grants are made at the discretion of the committee, which administers the Company's equity compensation plans. The objective of such long-term equity-based awards, which generally vest over three to five years, is primarily to incentivize management and key employees for future performance rather than to reward specific past performance. Individual grant sizes are primarily determined based on the employee's duties and level of responsibility and his or her ability to exert significant influence and make meaningful contributions to the overall future success of the Company and, to a lesser degree, organizational and individual performance. At the discretion of the committee, and based on the recommendation of management, equity grants may also be used as an incentive for candidates recruited to fill key positions and for existing employees who receive significant promotions with increased responsibilities.

Post-Employment Benefits

We have entered into employment agreements with our Named Executive Officers that provide for the payment of severance and other post-termination benefits depending on the nature of the termination, including severance payments in the event of a termination following a “change in control.” The committee believes that the terms and conditions of these agreements are reasonable and assist us in retaining the executive talent needed to achieve our objectives. In particular, the termination agreements, in the event of a “change in control,” help executives focus their attention on the performance of their duties in the best interests of the stockholders without being concerned about

the consequences to them of a change in control and help promote continuity of senior management. Information regarding the specific payments that are applicable to each termination event, as well as the effect on unvested equity awards, is provided under the heading “Executive Compensation — Post Termination/Change-in-Control Benefits” below.

Benefits and Perquisites

Defined Contribution Plan. The Company maintains qualified retirement plans pursuant to Internal Revenue Code of 1986, as amended (the “Code”), Section 401(k) (the “401(k) Plans”) covering substantially all employees subject to certain minimum service requirements. The 401(k) Plans allows employees to make voluntary contributions and provides for discretionary matching contributions by the Company. For certain plans, the Company makes matching contributions. The assets of the 401(k) Plans are held in trust for grantees and are distributed upon the retirement, disability, death or other termination of employment of the grantee. The Board, in its discretion, determines the amount of any Company discretionary contributions. We did not make any discretionary contributions to the 401(k) Plan during 2016. The Company’s matching contributions aggregated \$1.1 million in 2016.

Life Insurance. The Company maintains, at its expense, for the benefit of each of its full-time employees, life insurance policies in the amount of one times the employee’s annual salary, up to \$200,000.

Health and Welfare Benefits. All executive officers, including the Named Executive Officers, are eligible for welfare benefits from the Company including: medical, dental, vision, life insurance, short-term disability and long-term disability. Named Executive Officers participate in these plans on the same basis and subject to the same costs, terms and conditions as other salaried employees at their work location.

Employment and Consulting Agreements

Effective February 9, 2016, the Company entered into amended and restated Employment Agreements (collectively, the “Employment Agreements”) with each Named Executive Officer. The Employment Agreements were executed in order to (i) extend the term of each of the Employment Agreements for an additional two-year period commencing as of January 1, 2016, along with automatic two-year extensions as of the end of each expiring term; (ii) modify the severance and other benefits to which Executive Officers are entitled in the event of an involuntary termination of employment without cause, a voluntary termination for good reason, or due to death or disability; and (iii) provide for additional benefits in the event of a change in control of the Company. The Employment Agreements presently expire on December 31, 2017.

Each of the Employment Agreements may be terminated by the Company prior to the expiration of their respective terms for cause or without cause, and due to the death or disability of the Executive Officer, as well as by the Executive Officer for good reason or based a disability. In the event of (A) an involuntary termination by the Company without “cause” (as defined in each of the Employment Agreements) or (B) a voluntary termination by the Executive Officer for “good reason” (as defined in each of the Employment Agreements), the affected Executive Officer is entitled to receive (1) salary continuation for two years, based on his base compensation then in effect, (2) the greater of: (a) the bonus paid or payable to the Executive Officer with respect to the last fiscal year completed prior to such termination, or (b) the average of the bonuses paid to the Executive Officer over the last three fiscal years of employment ending with the last fiscal year prior to such termination, (3) the Executive Officer’s accrued but unused vacation days, (4) an immediate acceleration of vesting for all outstanding equity incentive awards, and (5) medical insurance benefits currently in effect for the twenty-four months following such termination. If an Employment Agreement is terminated based on a qualified disability (as described in the Employment Agreements), the terminated Executive Officer is entitled to receive a lump-sum payment equal to two times such Executive Officer’s base compensation then in effect, as well as an immediate acceleration of vesting for all outstanding equity incentive awards. If an Employment Agreement is terminated based on the death of an Executive Officer, the Executive Officers’ estate (or his heirs) will receive a lump-sum payment equal to such Executive Officers base compensation then in effect, and all outstanding equity incentive awards held by such Executive Officer shall immediately vest.

Finally, in the event of a “change in control” (as defined in the Employment Agreements), the Executive Officers, as applicable, will be entitled to (A) a change of control benefit of \$500,000 for Mr. Reading and McAfee and \$283,333 for Mr. McDowell, and (B) the immediate acceleration of vesting for all outstanding equity incentive awards held by the Executive Officers.

Effective January 8, 2017, the annual base salaries under the agreements were increased to \$725,000 for Mr. Reading, \$470,000 for Mr. McAfee and \$470,000 for Mr. McDowell.

In determining the appropriate compensation for Messrs. Reading, McAfee and McDowell, the Compensation Committee evaluates our overall corporate performance under their leadership, as well as each individual contribution to key strategic, financial and development objectives. The committee utilizes a combination of quantitative measures and qualitative factors in reviewing executive performance and compensation.

Compensation Deductibility Policy

Under Section 162(m) of the Code and applicable Treasury regulations, no deduction is allowed for annual compensation in excess of \$1 million paid by a publicly traded corporation to its chief executive officer and the four other most highly compensated officers. Under those provisions, however, there is no limitation on the deductibility of “qualified performance-based compensation.”

In general, our policy is to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with the most appropriate methods and approaches for the design and delivery of compensation to our executive officers.

COMPENSATION COMMITTEE REPORT

The Compensation Committee was composed of three independent directors during 2016. It acts under a written charter adopted by the Board. The primary function of the Compensation Committee is to determine the compensation for our executive officers, administer incentive stock plans and recommend to the Board the compensation to be paid to our non-employee directors. The committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth herein. Based on its review, the related discussions and such other matters deemed relevant and appropriate by the committee, the committee has recommended to the Board that the Compensation Discussion and Analysis be included in the Company's Proxy Statement relating to the 2017 Annual Meeting of Stockholders.

Respectfully submitted,

The Compensation Committee

Harry S. Chapman, Chairman

Jerald L. Pullins

Clayton K. Trier

None of the members of the Compensation Committee is or has been an officer or employee of the Company or any of its subsidiaries and none of our executive officers has served on the board of directors or compensation committee of any other entity that has or has had an executive officer who served as a member of our Board of Directors or Compensation Committee during 2016.

The following table provides information about our common stock that may be issued upon the exercise of options and rights under all of our existing equity compensation plans as of December 31, 2016:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options and Rights	Weighted Average Exercise Price of Outstanding Options and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans Excluding Securities Reflected in 1st Column
Equity Compensation Plans Approved by Stockholders ⁽¹⁾	—	\$ —	566,118

The Stock Incentive Plan permits us to grant stock-based compensation to employees, consultants and outside directors of the Company. The 1999 Stock Option Plan permits us to grant stock-based compensation to employees (1) and non-employee directors. For further descriptions of the Stock Incentive Plan and the 1999 Stock Option Plan, see “Note 11 — Equity Based Plans” of the Notes to the Consolidated Financial Statements in Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2016 which was filed with the SEC on June 7, 2017. All current Equity Compensation Plans have been approved by stockholders.

Certain Relationships and Related Transactions

The charter of the Audit Committee requires that the Audit Committee review and approve all insider and affiliated party transactions. There were no such transactions during 2016.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) Exchange Act requires our directors and executive officers, and persons who own more than 10% of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based solely on a review of the copies of those forms furnished to the Company and written representations from the executive officers and directors, we believe that during 2016 all other Section 16(a) filing requirements applicable to our directors and officers were complied with on a timely basis with the exception of three Form 4's for transactions occurring on different dates in December 2010 by Dr. Harris.

PROPOSAL 2. — ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Regulation 14A of the Exchange Act requires that we include in our annual Proxy Statement at least once every three years a non-binding stockholder vote on our executive compensation as described in this Proxy Statement (commonly referred to as “Say-on-Pay”). In 2011, we adopted a policy to hold an advisory vote on executive compensation each year. In 2016, holders of over 93% of our common stock voted to approve the compensation of our Named Executive Officers.

We encourage stockholders to review the Compensation Discussion and Analysis on pages 13 to 17 in this Proxy Statement.

The Board strongly endorses the Company's executive compensation program and recommends that the stockholders vote in favor of the following resolution:

“RESOLVED, that the stockholders approve the compensation of the Company's named executive officers as described in this Proxy Statement under “Executive Compensation”, including the Compensation Discussion and Analysis and the tabular and narrative disclosure contained in this Proxy Statement.”

Your vote will not be binding upon the Board or the Compensation Committee and neither the Board nor the Compensation Committee will be required to take any action as a result of the outcome of the vote on this proposal. However, the Compensation Committee will carefully consider the outcome of the vote when considering future executive compensation arrangements.

Properly executed but unmarked proxies will be voted FOR approval of the compensation of the Named Executive Officers. Under current regulations, a broker is prohibited from voting for this proposal without receiving

instructions from you. **The Board of Directors believes that approving the compensation of the Named Executive Officers is in the best interest of the Company. The approval of the compensation of the Named Executive Officers will require the affirmative vote of holders of a majority of votes cast on this matter in person or by proxy. Accordingly, abstentions applicable to shares present at the meeting will not be included in the tabulation of votes cast on this matter.**

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

PROPOSAL 3 — RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed and recommends the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm to conduct the audit of our financial statements for the year ending December 31, 2017. Grant Thornton LLP has acted as our independent registered public accounting firm since 2004. Representatives of Grant Thornton LLP are expected to attend our Annual Meeting, are expected to be available to respond to questions by stockholders and will have an opportunity to make a statement if they desire to do so, although it is not expected that a statement will be made.

Shareholder ratification of the appointment of Grant Thornton LLP is not required by the rules of the NYSE or the SEC or by our bylaws. If the stockholders fail to ratify the appointment of Grant Thornton LLP, the Audit Committee will consider whether or not to retain that firm since stockholder ratification of the appointment is not required and the committee has the responsibility for appointment of our independent registered public accounting firm. Even if the stockholders ratify the appointment, the committee, in its discretion, may direct the appointment of a different independent firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Properly executed but unmarked proxies will be voted FOR approval of the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2017. The Board of Directors believes that ratifying the appointment of Grant Thornton LLP is in the best interest of the Company. The approval of the ratification of Grant Thornton LLP will require the affirmative vote of holders of a majority of votes cast on this matter in person or by proxy. Accordingly, abstentions applicable to shares present at the meeting will not be included in the tabulation of votes cast on this matter.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2017.

“Audit Fees” include fees for professional services rendered in connection with the audit of our financial statements and internal controls over financial reporting for the fiscal year as well as reviews of our interim financial statements included in our quarterly reports on Form 10-Q. The Audit Committee is authorized to delegate to one or more of its members the authority to pre-approve any defined audit and permitted non-audit services to be provided by the independent auditors, and related fees and other terms of engagement on these matters, provided that each pre-approval decision is presented to the full Audit Committee at its next scheduled meeting. In 2016 and 2015, 100% of the audit-related services were pre-approved under authority within certain limits granted by the committee to its chairman pursuant to these pre-approval procedures. Grant Thornton LLP has not provided any tax or other non-audit services to the Company.

REPORT OF THE AUDIT COMMITTEE

The following Audit Committee Report is provided in accordance with the rules and regulations of the SEC. Pursuant to such rules and regulations, this report does not constitute “soliciting materials” and should not be deemed filed with or incorporated by reference into any other Company filings with the SEC under the Securities Act of 1933 or the Exchange Act or subject to the liabilities of Section 18 of the Exchange Act, except to the extent the Company specifically incorporates such information by reference.

The Board of Directors has appointed an Audit Committee consisting of Messrs. Trier (Chairman), Brookner, Harris, Johnston and Pullins, all of whom are financially literate and independent (as that term is defined by the NYSE listing standards and SEC Rule 10A-3(b)). The Board of Directors has determined Messrs. Brookner, Pullins and Trier to be “audit committee financial experts” under the rules of the SEC.

Under the Sarbanes-Oxley Act, the Audit Committee is directly responsible for the selection, appointment, retention, compensation and oversight of the Company’s independent auditors, including the pre-approval of both audit and non-audit services (including fees and other terms), and the resolution of disagreements between management and the auditors regarding financial reporting, accounting, internal controls, auditing or other matters.

In carrying out its responsibilities, the Audit Committee: (i) makes such inquiries and reviews as are necessary to monitor the Company’s financial reporting, its external and internal audits and its processes for compliance with laws and regulations that govern financial reporting, (ii) monitors the adequacy and effectiveness of the accounting and financial controls of the Company and elicits recommendations for the improvement of internal control processes and systems, (iii) reviews the planning, scope and results of the annual audit of the Company’s financial statements conducted by the Company’s independent auditors, (iv) reviews the scope and approves in advance any other services to be provided by the Company’s independent auditors, and (v) provides to the Board of Directors the results of its reviews and any recommendations derived therefrom, including such additional information and materials as it may deem necessary to make the Board aware of significant financial matters that may require Board attention.

The Audit Committee is authorized to engage independent counsel and other advisors it determines necessary to carry out its duties. The committee did not deem it necessary to engage independent counsel for any matters during 2016. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls, and for the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. The Company’s independent auditors are responsible for auditing the financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America. The Audit Committee monitors and reviews these processes, and reviews the Company’s periodic reports and quarterly earnings releases before they are filed with the SEC, but is not responsible for the preparation of the Company’s financial statements and reports.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements included in the Company’s Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The committee also met with the Company’s Chief Executive Officer and Chief Financial Officer to discuss their review of the Company’s disclosure controls and procedures and internal control over financial reporting in connection with the filing of the Annual Report on Form 10-K and other periodic reports with the SEC, including participating in meetings with management and Company auditors regarding the “Actions Taken to Remediate Material Weakness” discussed previously in this Proxy Statement. However, members of the Audit Committee are not employees of the Company and have relied, without independent verification, on management’s representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company’s financial statements.

Prior to commencement of audit work, the Audit Committee reviewed and discussed with representatives of Grant Thornton LLP, the Company's independent auditors for fiscal 2016, the overall scope and plans for their audit of the Company's financial statements for fiscal 2016. The committee also reviewed and discussed with representatives of Grant Thornton LLP, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Company's financial statements, any changes in accounting policies, sensitive accounting estimates, accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States of America,

including the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee met with Grant Thornton LLP, with and without Company management present, to discuss whether any significant matters regarding internal control over financial reporting had come to the auditors' attention during the conduct of the audit, including the material weakness reported by the auditors and management's plan to remediate this matter, and the overall quality of the Company's financial reporting.

The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence and the Audit Committee has discussed with Grant Thornton LLP their independence. The Audit Committee considered, among other things, whether the services Grant Thornton LLP provided to the Company were compatible with maintaining Grant Thornton LLP's independence. The Audit Committee also considered the amount of fees Grant Thornton LLP received for audit and non-audit services.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the SEC.

The Audit Committee is governed by a written charter, adopted by the Board of Directors of the Company, which is included on our website at www.usph.com.

Respectfully submitted,

The Audit Committee
Clayton K. Trier, Chairman
Mark J. Brookner
Dr. Bernard A. Harris
