LIN Media LLC

Notes to Unaudited Consolidated Financial Statements

Note 1 — Basis of Presentation and Summary of Significant Accounting Policies

Principles of Consolidation

LIN Media LLC ("LIN LLC"), together with its subsidiaries, including LIN Television Corporation, a Delaware corporation ("LIN Television"), is a local multimedia company operating in the United States. LIN LLC and its subsidiaries are affiliates of HM Capital Partners I LP ("HMC"). In these notes, the terms "Company," "we," "us" or "our" me LIN LLC and all subsidiaries included in our consolidated financial statements.

On July 30, 2013, LIN TV Corp., a Delaware corporation ("LIN TV"), completed its merger with and into LIN LLC, a Delaware limited liability company and wholly owned subsidiary of LIN TV, with LIN LLC as the surviving entity (the "LIN LLC Merger") pursuant to the Agreement and Plan of Merger, dated February 12, 2013, by and between LIN TV and LIN LLC (the "2013 LIN LLC Merger Agreement"). LIN LLC filed a Current Report on Form 8-K on July 31, 2013 (the "Form 8-K") for the purpose of establishing LIN LLC as the successor registrant to LIN TV pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and to disclose certain related matters, including the consummation of the 2013 LIN LLC Merger. Pursuant to Rule 12g-3(a) under the Exchange Act and in accordance with the filing of the Form 8-K, the class A common shares representing limited liability interests in LIN LLC, as the successor registrant to LIN TV, were deemed registered under Section 12(b) of the Exchange Act. References to "LIN LLC," "we," "us," or the "Company" in this Quarterly Report on Form 10-Q that include any period at and before the effectiveness of the 2013 LIN LLC Merger shall be deemed to refer to LIN TV as the predecessor registrant to LIN LLC. For more information concerning the effects of the 2013 LIN LLC Merger and the succession of LIN LLC to LIN TV upon its effectiveness, please see the Form 8-K.

The consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All intercompany accounts and transactions have been eliminated.

In the opinion of management, the accompanying unaudited interim financial statements contain all adjustments necessary to state fairly our financial position, results of operations and cash flows for the periods presented. The interim results of operations are not necessarily indicative of the results to be expected for the full year.

The accompanying consolidated financial statements include the accounts of our Company, our wholly-owned and majority-owned and controlled subsidiaries, and VIEs for which we are the primary beneficiary. We review all local marketing agreements ("LMAs"), shared services agreements ("SSAs"), joint sales agreements ("JSAs") and related agreements to evaluate whether consolidation of entities that are party to such arrangements is required under U.S. GAAP.

We conduct our business through LIN Television and its subsidiaries. Prior to the 2013 LIN LLC Merger, LIN TV had no operations or assets other than its investments in its subsidiaries. Subsequent to the 2013 LIN LLC Merger and consistent with its classification as a partnership for federal income tax purposes, LIN LLC has separate operations relating to the administration of the partnership. The consolidated financial statements of LIN LLC represent its own operations and the consolidated operations of LIN Television, which remains a corporation after the 2013 LIN LLC Merger.

During the first quarter of 2014, as a result of the continued growth in our digital business, we reevaluated our organization and the nature of our business activities and began assessing and internally reporting financial information for our broadcast business and our digital business separately. As a result, we now have two reportable

operating segments, "Broadcast" and "Digital" that are disclosed separately from our corporate activities. Our Broadcast segment includes 43 television stations and seven digital channels that are either owned, operated or serviced by us in 23 U.S. markets, all of which are engaged principally in the sale of television advertising and digital advertising primarily related to our television station companion websites. Our Digital segment includes the operating results of our digital companies: LIN Digital LLC ("LIN Digital"), LIN Mobile, LLC ("LIN Mobile"), Nami Media, Inc. ("Nami Media"), HYFN, Inc. ("HYFN"), Dedicated Media, Inc. ("Dedicated Media"), and Federated Media Publishing LLC ("Federated Media"). Corporate and unallocated expenses primarily include our costs to operate as a public company and to operate our corporate locations. Corporate is not a reportable segment. We have restated prior period disclosures to reflect this change in our reportable operating segments. See Note 5 - "Segment Reporting" for further discussion.

On March 21, 2014, we filed a Current Report on Form 8-K for the purpose of announcing that LIN LLC entered into an Agreement and Plan of Merger with Media General, Inc., a Virginia corporation ("Media General"), Mercury New Holdco, Inc., a Virginia corporation ("New Holdco"), Mercury Merger Sub 1, Inc., a Virginia corporation and a direct, wholly-owned

Table of Contents

subsidiary of New Holdco ("Merger Sub 1"), Mercury Merger Sub 2, LLC, a Delaware limited liability company and a direct, wholly owned subsidiary of New Holdco ("Merger Sub 2") (the "Merger Agreement") pursuant to which Merger Sub 1 will, upon the terms and subject to the conditions thereof, merge with and into Media General (the "Media General Merger"), with Media General surviving the Media General Merger as a wholly owned subsidiary of New Holdco, and immediately following the consummation of the Media General Merger, Merger Sub 2 will merge with and into LIN LLC (the "LIN Merger" and together with the Media General Merger, the "Merger"), with LIN LLC surviving the LIN Merger as a wholly owned subsidiary of New Holdco.

As a result of the Merger, the combined company will own and operate or service 74 stations across 46 markets, reaching approximately 26.5 million households or 23% of U.S. TV households (certain of these stations are expected to be swapped or otherwise divested in order to address regulatory considerations). The transaction is currently expected to close during the first quarter of 2015. For more information concerning the Merger, refer to the Current Report on Form 8-K filed with the SEC on March 21, 2014.

Joint Venture Sale Transaction and Merger

On February 12, 2013, we, along with our wholly-owned subsidiaries LIN Television and LIN Television of Texas, L.P., a Delaware limited partnership ("LIN Texas") entered into an agreement whereby LIN Texas sold its 20.38% equity interest in Station Venture Holdings ("SVH"), a joint venture in which an affiliate of NBCUniversal ("NBC") held the remaining 79.62% equity interest (collectively, the "JV Sale Transaction"). Pursuant to the JV Sale Transaction, LIN Television made a \$100 million capital contribution to SVH and in turn, was released from the guarantee of an \$815.5 million note held by SVH ("GECC Guarantee") as well as any further obligations related to any shortfall funding agreements between LIN Television and SVH.

Concurrent with the closing of the JV Sale Transaction, LIN TV entered into the 2013 LIN LLC Merger Agreement. The 2013 LIN LLC Merger enabled the surviving entity to be classified as a partnership for federal income tax purposes and the change in classification was treated as a liquidation of LIN TV for federal income tax purposes, with the result that LIN TV realized a capital loss in its 100% equity interest in LIN Television.

For further discussion of the JV Sale Transaction and the 2013 LIN LLC Merger, refer to Item 1. "Business" and Note 1 - "Basis of Presentation and Summary of Significant Accounting Policies," Note 13 - "Commitments and Contingencies" to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2013 (the "10-K").

Variable Interest Entities

In determining whether we are the primary beneficiary of a VIE for financial reporting purposes, we consider whether we have the power to direct the activities of the VIE that most significantly impact the economic performance of the VIE and whether we have the obligation to absorb losses or the right to receive returns that would be significant to the VIE. We consolidate VIEs when we are the primary beneficiary.

We have a JSA and an SSA with WBDT Television, LLC ("WBDT") for WBDT-TV in the Dayton, OH market. We also have JSAs and SSAs with affiliates of Vaughan Acquisition LLC ("Vaughan") for WTGS-TV in the Savannah, GA market, WYTV-TV in the Youngstown, OH market and KTKA-TV in the Topeka, KS market and SSAs with KASY-TV Licensee, LLC ("KASY"), KWBQ-TV, KRWB-TV and KASY-TV in the Albuquerque, Santa-Fe NM market. Under these agreements, we provide administrative services to these stations, have an obligation to reimburse certain of the stations' expenses, and we are compensated through a performance-based fee structure that provides us the benefit of certain returns from the operation of these stations. We determined that WBDT, Vaughan and KASY are VIEs and as a result of the JSAs and/or SSAs, we have variable interests in these entities. We are the primary beneficiary of these entities, and therefore, we consolidate these entities within our consolidated financial statements.

An order that the Federal Communications Commission ("FCC") adopted in March 2014, however, may require changes in our relationship with these entities going forward. In that order, the FCC concluded that JSAs should be "attributable" for purposes of the media ownership rules if they permit a television licensee to sell more than 15% of the commercial inventory of a television station owned by a third party in the same market. Stations with JSAs that would put them in violation of the new rules will have two years from the date on which the rules become effective to amend or terminate those arrangements unless they are able to obtain a waiver of such rules. Accordingly, absent further developments or the grant of a waiver, we may be required to modify or terminate our existing JSAs to comply with FCC requirements.
