Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Amended and Restated Investor Rights Agreement

ATV VIII and certain other stockholders (collectively, the “Holders”) of the Issuer have entered into an Amended and Restated Investor Rights Agreement, dated October 7, 2013, as amended on October 25, 2013 (as amended, the “Investor Rights Agreement”), with the Issuer. Subject to the terms of the Investor Rights Agreement, holders of shares having registration rights (“Registrable Securities”) can demand that the Issuer file a registration statement under the Securities Act of 1933, as amended (the “Securities Act”), or request that their shares be covered by a registration statement that the Issuer is otherwise filing.

Demand Registration Rights

The Holders of Registrable Securities will be entitled to certain demand registration rights. At any time beginning on April 5, 2015, the Holders of at least 60% of the Registrable Securities then outstanding may make a written request that the Issuer register all or a portion of their shares, subject to certain specified exceptions. Such request for registration must cover securities the aggregate offering price of which, before payment of underwriting discounts and commissions, would exceed \$50,000,000.

Piggyback Registration Rights

If the Issuer proposes to register for offer and sale any of its securities under the Securities Act, in another offering, either for its own account or for the account of other security holders, the Holders will be entitled to certain “piggyback” registration rights allowing them to include their shares in such registration, subject to certain marketing and other limitations. As a result, whenever the Issuer proposes to file a registration statement under the Securities Act, including a registration statement on Form S-3 (as discussed below), other than with respect to a demand registration or a registration statement on Forms S-4 or S-8 or related to stock issued upon conversion of debt securities, the Holders are entitled to notice of the registration and have the right, subject to limitations that the underwriters may impose on the number of shares included in the registration, to include their shares in the registration.

Form S-3 Registration Rights

The Holders of Registrable Securities will be entitled to certain Form S-3 registration rights. Any Holder of Registrable Securities can request that the Issuer register for offer and sale their shares on Form S-3 if the Issuer is qualified to file a registration statement on Form S-3, subject to certain specified exceptions. Such request for registration on Form S-3 must cover securities the aggregate offering price of which, before payment of underwriting discounts and commissions, equals or exceeds \$5,000,000. The Issuer will not be required to effect more than two registrations of Registrable Securities on Form S-3 within any 12-month period.

Expenses of Registration

Under the Investor Rights Agreement, subject to certain conditions, exceptions and limitations, the Issuer is required to pay all registration expenses, other than underwriting discounts, selling commissions and stock transfer taxes, related to any demand, piggyback or Form S-3 registration, including reasonable attorneys' fees and disbursements of one counsel for the Holders of Registrable Securities. All underwriting discounts and commissions in connection with any demand, piggyback or Form S-3 registration shall be borne by the participating sellers in proportion to the number of shares registered by each.

Indemnification

The Investor Rights Agreement contains customary cross-indemnification provisions, pursuant to which the Issuer is obligated to indemnify the selling stockholders in the event of material misstatements or omissions in the registration statement attributable to the Issuer, and the selling stockholders are obligated to indemnify the Issuer for material misstatements or omissions attributable to them.

Termination

Shares of Common Stock cease to be Registrable Securities under the Investor Rights Agreement, and a stockholder party's ability to initiate a registration or exercise its piggyback registration rights terminates, upon the earlier of:

- with respect to any Holder, the date such stockholder is able to dispose of all its Registrable Securities in any 3-month period pursuant to Rule 144 under the Securities Act; or
-

- October 7, 2017.

Lock-up Agreement

ATV VIII, along with all of the Issuer's officers and directors and substantially all of the Issuer's stockholders, have agreed that, subject to certain limited exceptions, they will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any shares of Common Stock or securities convertible into or exchangeable or exercisable for any shares of Common Stock, enter into a transaction that would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of Common Stock, whether any of these transactions are to be settled by delivery of Common Stock or other securities, in cash or otherwise, or publicly disclose the intention to make any offer, sale, pledge or disposition, or to enter into any transaction, swap, hedge or other arrangement, or make any demand for, or exercise any right with respect to, the registration of the offer and sale of any shares of Common Stock or securities convertible into or exchangeable or exercisable for any shares of Common Stock, without, in each case, the prior written consent of Citigroup Global Markets Inc. and Leerink Partners LLC for a period of 180 days after October 1, 2014.

In addition to the restrictions contained in the lock-up agreement described above, the Investor Rights Agreement contains market stand-off provisions imposing restrictions on the ability of certain of the Issuer's stockholders, including ATV VIII, to offer, sell or transfer the Issuer's equity securities for a period of 180 days following October 1, 2014.

The foregoing description of the terms of the Investor Rights Agreement and the Lock-up Agreement is intended as a summary only and is qualified in its entirety by reference to the Investor Rights Agreement and Form of Lock-up Agreement, which are filed as exhibits to this Schedule 13D and incorporated by reference herein.

Other than as described in this Statement, to the best of the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
