PROXY STATEMENT

The enclosed proxy is solicited on behalf of the Board of Directors of Innovus Pharmaceuticals, Inc., a Nevada corporation (the “Company”), for use at the 2018 Annual Meeting of Stockholders (“Annual Meeting”) to be held on May 29, 2018 at 8:00 a.m., local time, and at any adjournment or postponement thereof, at the Hyatt House San Diego, 10044 Pacific Mesa Boulevard, San Diego, California 92121. This proxy statement, the enclosed proxy card and a copy of our Annual Report on Form 10-K for the year ended December 31, 2017 are first being mailed to stockholders entitled to vote on or about April 30, 2018.

Voting

The specific proposals to be considered and acted upon at our Annual Meeting are summarized in the accompanying notice (“Notice”) and are described in more detail in this proxy statement. Stockholders of record at the close of business on April 26, 2018 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, the Company had 194,046,100, shares of common stock, \$0.001 par value per share (“Common Stock”), issued and outstanding. Each holder of Common Stock is entitled to one vote for each share held as of the Record Date.

Quorum

In order for any business to be conducted at the Annual Meeting, the holders of more than 50% of the shares entitled to vote must be represented at the Annual Meeting, either in person or by properly executed proxy. If a quorum is not present at the scheduled time of the Annual Meeting, the stockholders who are present may adjourn the Annual Meeting until a quorum is present. The time and place of the adjourned Annual Meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the Annual Meeting.

Required Vote for Approval

Proposal No. 1: Election of Directors. The five nominees who receive the greatest number of votes cast at the Annual Meeting by the shares present in person or by proxy and entitled to vote will be elected.

Proposal No. 2: Ratification of Appointment of Auditors. To ratify the appointment of Hall & Company, Inc. as our independent registered public accounting firm for the fiscal year ending December 31, 2018, the number of votes cast “FOR” must exceed the number of votes cast “AGAINST” this Proposal.

Abstentions and Broker Non Votes

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. A “broker non-vote” occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. If you do not give your broker or nominee specific

instructions regarding such matters, your proxy will be deemed a “broker non-vote.”

-2-

Under Nevada law and our Bylaws, each matter (other than the election of directors) is determined by the vote of the holders of a majority of the voting power present or represented by proxy. For these matters, abstentions are treated as shares present or represented by proxy, so abstentions have the same effect as negative votes. Broker non-votes, however, are not deemed to be present to represent by proxy and, therefore, do not have any effect on the outcome of these matters.

Proxies

You can vote by proxy electronically at www.iproxydirect.com/INNV. If your proxy is properly returned to the Company, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If you return your proxy without specifying how the shares represented thereby are to be voted, the proxy will be voted (i) FOR the election of five directors nominated by our Board, (ii) FOR ratification of the appointment of Hall & Company, Inc. as our independent registered public accounting firm for fiscal year 2018, and (iii) at the discretion of the proxy holders on any other matter that may properly come before the Annual Meeting or any adjournment or postponement thereof.

You may revoke or change your proxy at any time before the Annual Meeting by filing with our Corporate Secretary at our principal executive offices at 8845 Rehco Road, San Diego, CA 92121, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting alone will not revoke your proxy. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your broker or record holder to vote personally at the Annual Meeting.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of the Notice, as well as the preparation and posting of this proxy statement and any additional solicitation materials furnished to the stockholders. Copies of any solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies may be supplemented by a solicitation by telephone, e-mail or other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services. Except as described above, we do not presently intend to solicit proxies other than by mail, telephone and electronic mail.

Important Notice Regarding Availability of Proxy Materials

This proxy statement, the form of proxy card and our Annual Report on Form 10-K for the year ended December 31, 2017, are available in the SEC Filings section of our website at <https://innovuspharma.com/investors/sec-filings/>.

Our Bylaws provide that the Board of Directors shall consist of not less than one and no more than nine directors, and that upon any change in the number of directors, any newly created directorships or eliminated directorships shall be apportioned by the remaining members of the Board of Directors or by stockholders. The Company's Board of Directors currently consists of four directors, and these four directors along with a fifth additional director nominee are nominated for election at the Annual Meeting. Each nominee has confirmed that they will be able and willing to serve as a director if elected. If any of the nominees becomes unable or unwilling to serve, your proxy will be voted for the election of a substitute nominee recommended by the current Board of Directors. CORPORATE GOVERNANCE, BOARD COMPOSITION AND BOARD COMMITTEES

Term of Office

Pursuant to our Bylaws, each member of our Board of Directors shall serve from the time they are duly elected and qualified until our next Annual Meeting of Stockholders, or their death, resignation or removal from office.

Board Member Independence

Although our Common Stock is not currently listed on a national securities exchange, we have elected to adopt the NASDAQ Stock Market Rules to determine director independence. Three of our four current Board members – Dr.

Esber, Ms. Liu and Dr. Mirza, and Mr. Nuhaily, our new Board nominee, are considered independent (as independence is defined by Rule 5605(a)(2) of the NASDAQ Stock Market Rules).

Board Risk Oversight

Our Board administers its oversight function through both regular and special meetings and by frequent telephonic updates with our senior management. A key element of these reviews is gathering and assessing information relating to risks of our business. All business is exposed to risks, including unanticipated or undesired events or outcomes that could impact an enterprise's strategic objectives, organizational performance and stockholder value. A fundamental part of risk management is not only understanding such risks that are specific to our business, but also understanding what steps management is taking to manage those risks and what level of risk is appropriate for us. In setting our business strategy, our Board assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk.

Nominations for Directors

Our Corporate Governance/Nominating Committee evaluates and recommends to the Board of Directors nominees for each election of directors. There are no stated minimum criteria for director nominees; rather, in considering potential new directors, the Corporate Governance/Nominating Committee considers a variety of factors and may identify and evaluate individuals from various disciplines and backgrounds. Among the qualifications to be considered in the selection of candidates are the following: broad experience in business, finance or administration; familiarity with the Company's industry; prominence and reputation in a particular profession or field of endeavor; and whether the individual has the time available to devote to the work of the Board and one or more of its committees. The Corporate Governance/Nominating Committee also reviews the activities and associations of each candidate to determine the independence of the candidate under applicable exchange and Securities and Exchange Commission ("SEC") rules and to ensure that there is no legal impediment, conflict of interest or other consideration that might hinder or prevent service on the Board. In addition to these factors, the Corporate Governance/Nominating Committee may also consider such other factors as it may deem relevant or in the best interests of the Company and its stockholders. The Corporate Governance/Nominating Committee recognizes that under applicable regulatory requirements at least one member of the Board must, and believes that it is preferable that more than one member of the Board should, meet the criteria for an "audit committee financial expert" as defined by SEC rules. Further, although the Company does not have a formal diversity policy, the Corporate Governance/Nominating Committee seeks to nominate directors that bring to the Company a variety of perspectives, skills, expertise, and sound business understanding and judgment, derived from business, professional, governmental, finance, community and industry experience.

The Corporate Governance/Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant and considered valuable to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining new perspectives. If any member of the Board of Directors up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Corporate Governance/Nominating Committee would identify a new nominee to replace such director in light of the criteria and factors described above. If the Corporate Governance/Nominating Committee believes that the Board of Directors requires additional candidates for nomination, it may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Corporate Governance/Nominating Committee reviews all director nominees, including those recommended by stockholders, in accordance with the factors and qualifications described above to determine whether they possess attributes the committee believes would be beneficial and valuable to the Company. The Corporate Governance/Nominating Committee will select qualified candidates and make its recommendations to the Board, which will formally decide whether to nominate the recommended candidates for election to the Board. Stockholders may recommend nominees for consideration by the Corporate Governance/Nominating Committee by complying with certain notification requirements set forth in our Bylaws. These requirements provide that a stockholder who desires to recommend a candidate for nomination to our Board of Directors must do so in writing to our Corporate Secretary at our principal executive offices, which written notice must be received no later than 90 days before the date of the annual meeting of stockholders at which directors are to be elected. The stockholder's written notice must include, among other things as specified in our Bylaws, certain personal identification information about the stockholder and its recommended director nominee(s); the principal occupation or employment of the recommended director nominee(s); the class and number of shares of the Company that are beneficially owned by the stockholder and its recommended director nominee(s); and any other information relating to the recommended director nominee(s) that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Stockholders may obtain a copy of our Bylaws by writing to our Corporate Secretary at Innovus Pharmaceuticals, Inc., c/o Corporate Secretary, 8845 Rehco Road, San

Diego, California 92121, or by accessing our Bylaws on the Investor Relations section of our website at <http://www.innovuspharma.com>. A stockholder who complies in full with all of the notice provisions set forth in our Bylaws will be permitted to present the director nominee at the applicable annual meeting of stockholders, but will not be entitled to have the nominee included in our proxy statement for the annual meeting unless an applicable SEC rule requires that we include the director nominee in our proxy statement.

-7-

Stockholder Communications with Directors

Stockholders may communicate with the Board of Directors by sending a letter to the Corporate Secretary, Innovus Pharmaceuticals, Inc., 8845 Rehco Road, San Diego, CA 92121. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and should indicate in the address whether the communication is intended for the entire Board, the non-employee directors as a group or an individual director. Each communication will be screened by the Corporate Secretary or his or her designee to determine whether it is appropriate for presentation to the Board or any specified director(s). Examples of inappropriate communications include junk mail, spam, mass mailings, resumes, job inquiries, surveys, business solicitations and advertisements, as well as unduly hostile, threatening, illegal, unsuitable, frivolous, patently offensive or otherwise inappropriate material. Communications determined to be appropriate for presentation to the Board or the director(s) to whom they are addressed will be submitted to the Board or such director(s) on a periodic basis. Any communications that concern accounting, internal control or auditing matters will be handled in accordance with procedures adopted by the Audit Committee.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics, which is available for review on our website at <http://innovuspharma.com> and is also available in print, without charge, to any stockholder who requests a copy by writing to us at Innovus Pharmaceuticals, Inc., 8845 Rehco Road, San Diego, CA 92121, Attention: Investor Relations. A form of the Code of Business Conduct and Ethics was filed as Exhibit 14.1 to our Annual Report on Form 10-K for December 31, 2017, which was filed with the SEC on April 2, 2018.

Each of our directors, employees and officers, including our Chief Executive Officer, Executive Vice President, Corporate Development and General Counsel and Vice President, Chief Financial Officer, and all of our other principal executive officers, are required to comply with the Code of Business Conduct and Ethics. There have not been any waivers of the Code of Business Conduct and Ethics relating to any of our executive officers or directors in the past year.

Meetings and Committees of the Board

Our Board is responsible for overseeing the management of our business. We keep our directors informed of our business at meetings and through reports and analyses presented to the Board and the committees of the Board. Regular communications between our directors and management also occur outside of formal meetings of the Board and committees of the Board.

Meeting Attendance

Our Board generally holds meetings on a quarterly basis, but may hold additional meetings as required. In 2017, the Board held four meetings. Each of our directors attended 100% of the Board meetings that were held during the periods when he or she was a director and 100% of the meetings of each committee of the Board on which he served that were held during the periods that he served on such committee. We do not have a policy requiring that directors attend our annual meetings of stockholders.

Committees of the Board of Directors

Our Board currently has three standing committees to facilitate and assist the Board in the execution of its responsibilities: the Audit Committee, the Compensation Committee and the Corporate Governance/Nominating Committee, all of which were created in mid-2017.

Audit Committee

Our Audit Committee is currently composed of Ms. Lui (Chair), Dr. Esber and Dr. Mirza. Our Board has affirmatively determined that each member of the Audit Committee in 2017 was independent under Nasdaq Marketplace Rule 5605(a)(2) and satisfied all other qualifications under Nasdaq Marketplace Rule 5065(c) and the applicable rules of the SEC, and that each current member of the Audit Committee is independent under Nasdaq Marketplace Rule 5605(a)(2) and satisfies all other qualifications under Nasdaq Marketplace Rule 5065(c) and the applicable rules of the SEC. Our Board has also affirmatively determined that Ms. Liu qualifies as an “audit committee financial expert,” as such term is defined in Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”). The Audit Committee held one meeting in 2017 as a separate committee and three meetings as the full Board of Directors acting to review the financials of the Company.

The Audit Committee acts pursuant to a written charter that has been adopted by the Board, which is available for review on our website at <http://www.innovuspharma.com>. The responsibilities of the Audit Committee include overseeing, reviewing and evaluating our financial statements, accounting and financial reporting processes, internal control functions and the audits of our financial statements. The Audit Committee is also responsible for the appointment, compensation, retention, and as necessary, the termination of our independent registered public accounting firm.

Compensation Committee

Our Compensation Committee is currently composed of Dr. Mirza (Chair), Ms. Liu and Dr. Esber. Our Board has affirmatively determined that each member of the Compensation Committee during 2017 was independent under Nasdaq Marketplace Rule 5605(a)(2) and satisfied all other qualifications under Nasdaq Marketplace Rule 5065(d) and the applicable rules of the SEC, and that each current member of the Compensation Committee is independent under Nasdaq Marketplace Rule 5605(a)(2) and satisfies all other qualifications under Nasdaq Marketplace Rule 5065(d) and the applicable rules of the SEC. The Compensation Committee held no meetings in 2017.

The Compensation Committee acts pursuant to a written charter that has been adopted by the Board, which is available for review on our website at [innovuspharma.com](http://www.innovuspharma.com). The responsibilities of the Compensation Committee include reviewing and making recommendations to our Board concerning the compensation and benefits of our executive officers, including our Chief Executive Officer, and directors, overseeing the administration of our stock option and employee benefits plans, and reviewing general policies relating to compensation and benefits.

Corporate Governance/Nominating Committee

Our Corporate Governance/Nominating Committee is currently composed of Dr. Esber (Chair), Ms. Liu and Dr. Mirza. Our Board has affirmatively determined that each member of the Corporate Governance/Nominating Committee during 2017 was independent under Nasdaq Marketplace Rule 5605(a)(2), and that each current member of the Corporate Governance/Nominating Committee is independent under Nasdaq Marketplace Rule 5605(a)(2). The Corporate Governance/Nominating Committee held no meetings in 2017.

The Corporate Governance/Nominating Committee acts pursuant to a written charter that has been adopted by the Board, which is available for review on our website at <http://www.innovuspharma.com>. The responsibilities of the Corporate Governance/Nominating Committee include evaluating and making recommendations to the Board with respect to director nominees and providing oversight of our corporate governance policies and practices.

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of the Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interest of the Company and its stockholders to make that determination based on the position and direction of the Company and the membership of the Board, from time to time. Currently, Dr. Esber, an independent director, serves as our Chairman of the Board. Dr. Damaj currently serves as our principal executive officer and as a director.

Board Role in Risk Management

The Board as a whole has responsibility for risk oversight, and each Board committee has responsibility for reviewing certain risk areas and reporting to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks and management's risk mitigation strategies in certain focus areas. These areas of focus include strategic, operational, financial and reporting, succession and compensation, and other areas. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized below. Each committee meets with key management personnel and representatives of outside advisors as required.

Board/Committee	Primary Areas of Risk Oversight
Full Board	Risks and exposures associated with our business strategy and other current matters that may present material risk to our financial performance, operations, prospects or reputation.
Audit Committee	Overall policies with respect to risk assessment and risk management, material pending legal proceedings involving the Company and other contingent liabilities, any potential related party or conflict of interest transactions, as well as other risks and exposures that may have a material impact on our financial statements.
Compensation Committee	Risks and exposures associated with management succession planning and executive compensation programs and arrangements, including incentive plans.
Corporate Governance/Nominating Committee	Risks and exposures associated with director succession planning, corporate governance, and overall board effectiveness.

Company Policy Regarding Related Party Transactions

The charter of the Audit Committee of our Board tasks the Audit Committee with reviewing all related party transactions for potential conflict of interest situations on an ongoing basis (if such transactions are not reviewed and overseen by another independent body of the Board). In accordance with that policy, the Audit Committee's general practice is to review and oversee any transactions that are reportable as related party transactions under the Financial Accounting Standards Board ("FASB") and SEC rules and regulations. Management advises the Audit Committee and the full Board of Directors on a regular basis of any such transaction that is proposed to be entered into or continued and seeks approval.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who beneficially own more than 10% of our Common Stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports filed by such persons.

Based solely on our review of the copies of such reports furnished to us, we believe that during the fiscal year ended December 31, 2017, all executive officers, directors and greater than 10% beneficial owners of our Common Stock complied with the reporting requirements of Section 16(a) of the Exchange Act.

The Damaj Employment Agreement has an initial term of five years, which term will be extended by an additional year on the fourth and each subsequent anniversary. Dr. Damaj earned a base salary of \$375,000 for the first year, \$440,000 in the second year and increasing a minimum of 10% per year thereafter. Dr. Damaj’s salary will be accrued and not paid for so long as payment of such salary would jeopardize the Company’s ability to continue as a going concern, in Dr. Damaj’s sole determination. Dr. Damaj will have annual cash bonus targets equal to 75% and 30%, respectively, of base salary, based on performance objectives established by the Board of Directors, with the Board of Directors determining the amount of the annual bonus.

Dr. Damaj received 6.0 million shares of restricted stock units (“RSUs”) covering shares of Common Stock on January 22, 2013, of which 2.0 million shares vested immediately, and the remaining 4.0 million shares vested in eight equal quarterly installments beginning on April 1, 2013.

Upon termination of the Damaj Employment Agreement for any reason, Dr. Damaj will receive (i) a pro-rata bonus during that fiscal year based on the number of days employed during that fiscal year, and (ii) Company group medical, dental and vision insurance coverage for Dr. Damaj and his dependents for 12 months paid by the Company.

For purposes of the Damaj Employment Agreement, “Cause” generally means (1) commission of fraud or other unlawful conduct in the performance of duties for the Company, (2) conviction of or, entry into, a plea of “guilty” or “no contest” to a felony under United States federal or state law, and such felony is either work-related or materially impairs Dr. Damaj’s ability to perform services to the Company, and (3) a willful, material breach of the Damaj Employment Agreement that causes material harm to the Company, provided, however, that the Board of Directors must provide 30 days prior written notice of its intention to terminate for Cause and give Dr. Damaj the opportunity to cure or remedy such alleged Cause and present Dr. Damaj’s case to the Board of Directors and afterwards, at least 75% of the Board of Directors (except for Dr. Damaj in the event he is the subject of the hearing) affirmatively determines that termination is for Cause.

For purposes of the Damaj Employment Agreement, “Good Reason” generally means that within one year prior to the date of resigning, one of the following occurs: (1) a material diminution in Dr. Damaj’s title, authority, duties or responsibilities (for Dr. Damaj, this includes remaining a member of the Board of Directors), (2) a reduction in Dr. Damaj’s base salary or target bonus amount, (3) a change in the geographic location greater than 25 miles from the current office at which Dr. Damaj must perform his duties, (4) the Company elects not to renew the Damaj Employment Agreement for another term, or (5) the Company materially breaches any provision of the Damaj Employment Agreement, provided, however, that Dr. Damaj must provide 30 days prior written notice of his intention to resign for Good Reason, which notice must be given within 90 days of the initial occurrence of such cause and

gives the Company the opportunity to cure or remedy such alleged Good Reason.

Randy Berholtz. The Company and Mr. Berholtz entered into an employment agreement, effective January 9, 2017 (the “Berholtz Employment Agreement”), wherein Mr. Berholtz received an annual base salary of \$280,000 as well as an annual bonus based on personal performance and as approved by the Board of Directors. The target bonus amount was 35% of his annual base salary.

Mr. Berholtz received RSUs covering 2.0 million shares of Common Stock; 666,666 of which vested after one year of employment. The remaining RSUs will vest in eight equal quarterly installments over two years of continued service.

Upon termination of the Berholtz Employment Agreement for any reason, Mr. Berholtz will receive (i) a pro-rata bonus during that fiscal year based on the number of days employed during that fiscal year, and (ii) Company group medical, dental and vision insurance coverage for Mr. Berholtz and his dependents for six months paid by the Company.

For purposes of the Berholtz Employment Agreement, "Good Reason" generally means that within one year prior to the date of resigning, one of the following occurs: (1) a material diminution in Mr. Berholtz's title, authority, duties or responsibilities (for Mr. Berholtz, this includes remaining a member of the Board of Directors), (2) a reduction in Mr. Berholtz's base salary or target bonus amount, (3) a change in the geographic location greater than 25 miles from the current office at which Mr. Berholtz must perform his duties, (4) the Company elects not to renew the Berholtz Employment Agreement for another term, or (5) the Company materially breaches any provision of the Berholtz Employment Agreement, provided, however, that Mr. Berholtz must provide 30 days prior written notice of his intention to resign for Good Reason, which notice must be given within 90 days of the initial occurrence of such cause and gives the Company the opportunity to cure or remedy such alleged Good Reason.

Mr. Berholtz's employment agreement was amended by the Board of Directors of the Company on April 5, 2018 to provide for an annual bonus of 40% of his base salary and to provide for nine (9) months of severance in case of a Company "change of control" as defined in the Berholtz Employment Agreement.

Description of Equity Compensation Plans

2013 Equity Incentive Plan. The Company has issued Common Stock, RSUs and stock option awards to employees, non-executive directors and outside consultants under the 2013 Incentive Plan (“2013 Plan”). The 2013 Plan allows for the issuance of up to 10.0 million shares of the Company’s Common Stock to be issued in the form of stock options, stock awards, stock unit awards, stock appreciation rights, performance shares and other share-based awards. The exercise price for all equity awards issued under the 2013 Plan is based on the fair market value of the Common Stock on the date of issuance. Currently, because the Company’s Common Stock is quoted on the OTCQB, the fair market value of the Common Stock is equal to the last-sale price reported by the OTCQB as of the date of determination, or if there were no sales on such date, on the last date preceding such date on which a sale was reported. Generally, each vested stock unit entitles the recipient to receive one share of Company Common Stock, which is eligible for settlement at the earliest of their termination, a change in control of the Company or a specified date. RSUs can vest according to a schedule or immediately upon award. Stock options generally vest over a three-year period, first year cliff vesting with quarterly vesting thereafter on the three-year awards, and have a ten-year life. Stock options outstanding are subject to time-based vesting, as described above, and thus are not performance-based. As of December 31, 2017, 89,516 shares were available for issuance under the 2013 Plan.

2014 Equity Incentive Plan. The Company has issued Common Stock, RSUs and stock option awards to employees, non-executive directors and outside consultants under the 2014 Incentive Plan (“2014 Plan”). The 2014 Plan allows for the issuance of up to 20.0 million shares of the Company’s Common Stock to be issued in the form of stock options, stock awards, stock unit awards, stock appreciation rights, performance shares and other share-based awards. The exercise price for all equity awards issued under the 2014 Plan is based on the fair market value of the common stock on the date of issuance. Currently, because the Company’s Common Stock is quoted on the OTCQB, the fair market value of the Common Stock is equal to the last-sale price reported by the OTCQB as of the date of determination, or if there were no sales on such date, on the last date preceding such date on which a sale was reported. Generally, each vested stock unit entitles the recipient to receive one share of Company Common Stock, which is eligible for settlement at the earliest of their termination, a change in control of the Company or a specified date. RSUs can vest according to a schedule or immediately upon award. Stock options generally vest over a three-year period, first year cliff vesting with quarterly vesting thereafter on the three-year awards and have a ten-year life. Stock options outstanding are subject to time-based vesting, as described above, and thus are not performance-based. As of December 31, 2017, 49,367 shares were available for issuance under the 2014 Plan.

2016 Equity Incentive Plan. On March 21, 2016, our Board of Directors approved the adoption of the 2016 Equity Incentive Plan, and on October 20, 2016 adopted the Amended and Restated 2016 Equity Incentive Plan (“2016 Plan”). The 2016 Plan was then approved by our stockholders in November 2016. The 2016 Plan allows for the issuance of up to 20.0 million shares of our Common Stock to be issued in the form of stock options, stock awards, stock unit awards, stock appreciation rights, performance shares and other share-based awards. The 2016 Plan includes an evergreen provision in which the number of shares of Common Stock authorized for issuance and available for future grants under the 2016 Plan will be increased each January 1 after the effective date of the 2016 Plan by the number of shares of Common Stock equal to the lesser of: (a) 4% of the number of shares of Common Stock issued and outstanding on a fully-diluted basis as of the close of business on the immediately preceding December 31, or (b) a number of shares of Common Stock set by our Board of Directors. In March 2017, our Board of Directors approved an increase of 5,663,199 shares of Common Stock to the shares authorized under the 2016 Plan in accordance with the evergreen provision in the 2016 Plan. The exercise price for all equity awards issued under the 2016 Plan is based on the fair market value of the common stock on the date of issuance. Generally, each vested stock unit entitles the recipient to receive one share of our Common Stock, which is eligible for settlement at the earliest of their termination, a change in control of the Company, or a specified date. RSUs can vest according to a schedule or immediately upon award. Stock options generally vest over a three-year period, first year cliff vesting with quarterly vesting thereafter on the three-year awards and have a ten-year life. Stock options outstanding are subject to

time-based vesting, as described above, and thus are not performance-based. As of December 31, 2017, 21,008,882 shares were available for issuance under the 2016 Plan.

The Audit Committee has also discussed with Hall & Company, Inc. those matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 16.

The information contained above under the caption “Report of the Audit Committee of the Board of Directors” shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference into such filing.

ADDITIONAL INFORMATION

Deadline for Receipt of Stockholder Proposals

Pursuant to Rule 14a-8 under the Exchange Act, stockholder proposals to be presented at our 2018 Annual Meeting of Stockholders and included in our Proxy Statement and form of proxy relating to that annual meeting must be received by us at our principal executive offices at 8845 Rehco Road, San Diego, California 92121, addressed to our Corporate Secretary, not later than 90 days nor more than 120 days prior to the first anniversary of the preceding year’s annual meeting. These proposals must comply with applicable Nevada law, the rules and regulations promulgated by the SEC and the procedures set forth in our Bylaws.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and all other applicable requirements.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are stockholders of the Company will be “householding” the Company’s proxy materials. A single set of the Company’s proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of the Company’s proxy materials, please notify your broker or direct a written request to the Corporate Secretary at 8845 Rehco Road, San Diego, California 92121, or by calling 858-964-5123. The Company undertakes to deliver promptly, upon any such oral or written request, a separate copy of its proxy materials to a stockholder at a shared address to which a single copy of these documents was delivered. Stockholders who currently receive multiple copies of the Company’s proxy materials at their address and would like to request “householding” of their communications should contact their broker, bank or other nominee, or contact the Company at the above address or phone number.

Other Matters

At the date of this proxy statement, the Company knows of no other matters, other than those described above, that will be presented for consideration at the Annual Meeting. If any other business should come before the Annual Meeting, it is intended that the proxy holders will vote all proxies using their best judgment in the interest of the Company and the stockholders.

The Board of Directors invites you to attend the Annual Meeting in person. Whether or not you expect to attend the Annual Meeting in person, please submit your vote by internet, telephone or mail as promptly as possible so that your shares will be represented at the Annual Meeting.

REGARDLESS OF WHETHER YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON, PLEASE READ THE PROXY STATEMENT AND THEN VOTE BY MAIL AS PROMPTLY AS POSSIBLE. VOTING PROMPTLY WILL SAVE US ADDITIONAL EXPENSE IN SOLICITING PROXIES AND WILL ENSURE THAT YOUR SHARES ARE REPRESENTED AT THE ANNUAL MEETING.
