RESOLUTIONS – FIDELITY BOND COVERAGE

(\$40 Million Joint Fidelity Bond)

WHEREAS, this Board of Trustees/Directors has considered the form of the joint insured broker's blanket bond for the Delaware Investments Family of Funds, and the amount of such joint insured broker's blanket bond, and has considered the value of the aggregate assets of the Funds to which any covered person may have access, the type and terms of the arrangements made for the custody and safekeeping of the assets of each of the Fund's Series, the nature of the securities in each Series' portfolios and the higher cost that would have to be paid to purchase a comparable single insured bond for each Fund; and

WHEREAS, the Board, including all of the Trustees/Directors who were not then interested persons with respect to the Fund, has concluded that the Fund's participation in the proposed joint insured broker's blanket bond is in the best interest of the Fund.

NOW, THEREFORE, IT IS RESOLVED, that the officers of the Fund are authorized and directed to cause each of its Series to participate in the joint insured broker's blanket bonds in the aggregate amount of \$40,000,000, which also covers the other Delaware Investments Funds, and that the Fund shall pay its share of the premium determined in accordance with the allocation methodology discussed with the Trustees/Directors; and it is further

RESOLVED, that the officers of the Fund are hereby authorized and directed to execute an agreement under Section 17(g) of the 1940 Act with the other insureds listed on the broker's blanket bond (the "Agreement"), whereby the Fund will bear its proportionate share of the premium and coverage of the bond, and the share of the premium and coverage of the other Funds shall, if appropriate, be proportionately adjusted; and it is further

RESOLVED, that the Secretary of the Fund is hereby authorized and directed to file with the Securities and Exchange Commission ("SEC") a copy of the bond and a copy of the resolutions approving the amount, type, form and coverage of the bond and the portion of the premium to be paid by each of the Fund's Series, a statement showing the amount of the single insured bond which the Fund would have provided and maintained had it not been named as an insured under the broker's blanket bond described herein, a statement of the period for which premiums have been paid and a copy of the Agreement, all pursuant to Section 17(g) of the 1940 Act, and that the Secretary of the Fund or his appropriate

---

designee be designated as the officer directed to make all necessary filings; and it is further

RESOLVED, that this Board, including those Trustees/Directors who do not have control over or access to any of the portfolio securities, funds or other assets of the Fund's Series, hereby conclude that the amount, scope and coverage of the fidelity bond of the Fund are adequate; and it is further

RESOLVED, that this Board, taking all relevant factors into consideration, hereby determines that it is in the best interest of the Fund and the Fund's shareholders for the Fund and each Series to participate in the joint insured broker's blanket bond described at this meeting, and that the proposed premium allocation to the Fund and to each Series is fair and reasonable to the Fund and each Series based upon a consideration of the relative higher premium that would have been paid if comparable insurance coverage were purchased separately by the insured parties.

Insuring Company: FEDERAL INSURANCE  
COMPANY**

You are hereby notified that, under the Terrorism Risk Insurance Act (the "Act"), this policy makes available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States under the formula set forth in the Act. Under this formula, the United States pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the coverage. Beginning in 2016, the Federal share will be reduced by 1% per year until it reaches 80%, where it will remain.

However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.
