Item 77K: Change in Registrant's Certifying Accountant

Effective May 6, 2002, based on the recommendation of the Fund's Audit Committee, the Fund's Board of Directors determined not to retain Arthur Andersen LLP ("Arthur Andersen") as the Fund's independent auditors. Arthur Andersen's reports on the Fund's financial statements for the fiscal years ended October 31, 2001 and October 31, 2000 contained no adverse opinion or disclaimer of opinion nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the Fund's fiscal years ended October 31, 2001 and October 31, 2000 and the interim period commencing November 1, 2001 and ending May 6, 2002, (i) there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the Funds' financial statements, and (ii) there were no "reportable events" of the kind described in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934, as amended.

On May 6, 2002, the Fund by action of its Board of Directors engaged PricewaterhouseCoopers LLP ("PwC") as the independent auditors to audit the Fund's financial statements for the fiscal year ending October 31, 2002. During the Fund's fiscal years ended October 31, 2001 and October 31, 2000 and the interim period commencing November 1, 2001 and ending May 6, 2002, neither the Fund or anyone on its behalf has consulted PwC on items which (i) concerned the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Fund's financial statements or (ii) concerned the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K and the related instructions) or reportable events (as described in paragraph (a)(1)(v) of said Item 304).

Edgar Filing: MEXICO FUND INC - Form NSAR-B/A

Pursuant to Item 304T of Regulation S-K, after making reasonable efforts to obtain a letter from Arthur Andersen stating whether it agrees with the statements contained above, Registrant has not been able to acquire such a letter.

Report of Independent Accountants
To the Board of Directors and Shareholders
of The Mexico Fund, Inc.

In planning and performing our audit of the financial statements of The Mexico Fund, Inc. (the "Fund") for the year ended October 31, 2002, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and to comply with the requirements of Form N-SAR, not to provide assurance on internal control.

The management of the Fund is responsible for establishing and maintaining internal control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls. Generally, controls that are relevant to an audit pertain to the entity's objective of preparing financial statements for external purposes that are fairly presented in conformity with generally accepted accounting principles. Those controls include the safeguarding of assets against unauthorized acquisition, use or disposition.

Because of inherent limitations in internal control, errors or fraud may occur and not be detected. Also, projection of any evaluation of internal control to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control and its operation, including controls for safeguarding securities, that we consider to be material weaknesses as defined above as of October 31, 2002.

This report is intended solely for the information and use of the Board of Directors, management and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
