ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On February 4, 2008, Southside Bancshares, Inc. (the “Company”), entered into a Master Software License Maintenance and Services Agreement (the “Agreement”) with Jack Henry & Associates, Inc. (“Jack Henry”) to license software, purchase related necessary hardware and retain Jack Henry to perform certain maintenance services, and processing services. During 2008, the Company will pay approximately \$2.0 million to Jack Henry under the Agreement, which includes software, hardware, licensing fees, maintenance and installation. The Agreement also requires the Company to pay annual maintenance and licensing fees of approximately \$346,000 per year.

The term of the software licenses is 25 years, but the licenses are terminable in the event the Company ceases to use the software in a production environment. The term for the maintenance services ends on July 1, 2008 and automatically renews for successive one year terms unless either party gives 30 days notice of non-renewal. The processing services will be provided for a term of 6 years, and automatically renews for successive one year terms unless either party gives 90 days notice of non-renewal. The processing services are terminable by the Company upon 90 days notice.

Management believes this software solution should meet the Company’s core processing needs and anticipated growth for ten to fifteen years.
