Report of Independent Auditors

Board of Directors and Stockholders  
One Liberty Properties, Inc.

We have audited the statement of revenues and certain expenses of CarMax Auto Dealership ("CarMax") as described in Note 1 to be acquired by OLP Knoxville LLC, a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company") for the period from July 28, 2003 (commencement of lease) to December 31, 2003. The statement of revenues and certain expenses is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of revenues and certain expenses based on our audit.

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K/A

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K of One Liberty Properties, Inc. and is not intended to be a complete presentation of CarMax's revenues and expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of CarMax as described in Note 1 for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States.

CarMax Auto Dealership

Notes to Statement of Revenues and Certain Expenses  
December 31, 2003

1. Organization and Basis of Presentation

Presented herein is the statement of revenues and certain expenses related to the operation of CarMax (the "Property"), an auto dealership located in Knoxville, Tennessee for the period from July 28, 2003 (lease commencement) to December 31, 2003. The Property which has approximately 35,330 square feet of leasable space is leased in its entirety by CarMax, Inc. The Property, which is currently owned by GECBAF Rainier Trust, is not a legal entity, but rather a property which is under contract for purchase by OLP Knoxville LLC, a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company").

The accompanying statement of revenues and certain expenses has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the statement of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest, depreciation, and amortization.

2. Use of Estimates

The preparation of the statement of revenues and certain expenses in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the statement of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

## Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K/A

### 3. Revenue Recognition

The lease with the tenant is accounted for as an operating lease. Rental income includes base rent that the tenant is required to pay in accordance with the terms of its lease.

### 4. Risks and Uncertainties

The Property is leased to a single tenant, CarMax, Inc. ("the Tenant"), which occupies 100% of the Property's total gross leasable area under a triple-net lease. Therefore, the Property's results of operations are significantly dependent on the overall health of the Tenant and the auto industry.

#### Notes to Statement of Revenues and Certain Expenses (Continued)

### 5. Future Minimum Rents

Future minimum lease payments to be received by the Property as of December 31, 2003 under a noncancellable operating lease are approximately as follows:

2004	\$ 1,004,063
2005	1,004,063
2006	1,004,063
2007	1,004,063
2008	1,004,063
Thereafter	9,622,266
	-----
	\$14,642,581

### 6. Interim Unaudited Financial Information

The statement of revenues and certain expenses for the three months ended March 31, 2004 is unaudited, however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the statement of revenues and certain expenses for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
