(b) We acquired Players International, Inc., (Players) in March 2000. In 1995, Players acquired a hotel and land adjacent to its riverboat gaming facility in Lake Charles, Louisiana, for cash plus future payments to the seller based on the number of passengers boarding the riverboat casinos during a defined term. In accordance with the guidance provided by ASC 805 regarding the recognition of liabilities assumed in a business combination accounted for as a purchase, Players estimated the net present value of the future payments to be made to the sellers and recorded that amount as a component of the total consideration paid to acquire these assets. Our recording of this liability in connection with the purchase price allocation process following the Players acquisition was originally reported in 2000. Our casino operations in Lake Charles sustained significant damage in late third quarter 2005 as a result of Hurricane Rita. As a result of hurricane damage, and upon the Company's subsequent decision to scale back operations in Lake Charles and ultimately sell the property, the current and long-term portions of this obligation were written down in fourth quarter 2005; the credit was included in Discontinued operations on our Consolidated Statements of Operations. We sold Harrah's Lake Charles in fourth quarter 2006. Prior to the sale, the current and long-term portions of this obligation were included in Liabilities held for sale on our Consolidated Balance Sheets. The remaining long-term portion of this liability is included in Deferred credits and other on our Consolidated Balance Sheets; the current portion of this obligation is included in Accrued expenses on our Consolidated Balance Sheets.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) that, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness.
