PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The report on Form N-SAR by Ellsworth Convertible Growth and Income Fund, Inc. (the "Company") for the period ended March 31, 2005, could not be filed timely because the financial statements to be contained therein have not been completed as a result of the re-evaluation by the Company, in consultation with the Company's independent public accountants, of its historical accounting practices with respect to the amortization of premiums and discounts of convertible bonds purchased by the Company. As a result, the process of compiling and disseminating the information required to be included in the Form N-SAR for the current period, as well as the completion of the required review of the registrant's financial information, could not be completed without incurring undue hardship and expense.
