Item 1. Security and Issuer

This Amendment No. 30 to Schedule 13D on the Common Stock of The Liberty Corporation (the "Issuer") is being filed on behalf of the undersigned to amend the Schedule 13D, as amended (the "Schedule 13D") which was originally filed on May 2, 1990. Unless otherwise indicated, all capitalized terms used herein but not defined herein shall have the same meanings as set forth in the Schedule 13D.

Item 2. Identity and Background

This statement is being filed by Mario J. Gabelli ("Mario Gabelli"), Marc J. Gabelli ("Marc Gabelli") and various entities which either one directly or indirectly controls or for which either one acts as chief investment officer. These entities, except for Lynch Corporation ("Lynch"), Western New Mexico Telephone Company ("Western New Mexico"), Lynch Telephone Corporation ("Lynch Telephone"), Lynch Interactive Corporation ("Interactive"), Brighton Communications Corporation ("Brighton") and Inter-Community Telephone Company ("Inter-Community") (collectively, "Lynch and its affiliates"), engage in various aspects of the securities business, primarily as investment adviser to various institutional and individual clients, including registered investment companies and pension plans, as broker/dealer and as general partner of various private investment partnerships. Certain of these entities may also make investments for their own accounts.

The foregoing persons in the aggregate often own beneficially more than 5% of a class of a particular issuer. Although several of the foregoing persons are treated as institutional investors for purposes of reporting their beneficial ownership on the short-form Schedule 13G, the holdings of those who do not qualify as institutional investors may exceed the 1% threshold presented for filing on Schedule 13G or implementation of their investment philosophy may from time to time require action which could be viewed as not completely passive. In order to avoid any question as to whether their beneficial ownership is being reported on the proper form and in order to provide greater investment flexibility and administrative uniformity, these persons have decided to file their beneficial ownership reports on the more detailed Schedule 13D form rather than on the short-form Schedule 13G and thereby to provide more expansive disclosure than may be necessary.

Mr. Hayne W. Hipp

Greenville, SC 29602

Dear Hayne:

Evan Carpenter, who covers your company at Gabelli & Company, Inc. and I just reviewed your second quarter report, as well as his model for your company going forward. I asked Evan why the company does not use free cash flow to buy shares back, particularly since you're selling at roughly 7.3 times this year's EBITDA.

Since you don't want to buy shares back, and since we do, on behalf of our clients I will propose that your shareholders remove the poison pill so that we might be in a position to add to your company's shares.

At the same time, we believe it would be totally inappropriate to make acquisitions given the prices that are being paid in the public and the private markets.

I trust we have an opportunity to chat and with best wishes, I am

Sincerely,

/s/

Mario J. Gabelli
