ITEM 7. EXHIBITS

EXHIBIT 99.1 CONTRACT STATUS SUMMARY AT OCTOBER 31, 2003

ITEM 9. REGULATION FD DISCLOSURE

The ATWOOD HUNTER is currently idle offshore Egypt preparing to mobilize for its next contract. The rig has been awarded a contract by MP Zarat to drill one well offshore Tunisia, which should commence around mid-November 2003 and should take approximately 20 to 25 days to complete. The contract provides for a dayrate of \$40,000, with mobilization and demobilization fees totaling \$520,000. It is anticipated that the drilling unit will be moved back to Egypt following completion of this contract. Future contract opportunities for additional work are being pursued in the Mediterranean area, as well as outside of the Mediterranean.

The ATWOOD SOUTHERN CROSS is being mobilized to India to commence its one well contract with Cairn Energy India Pty. Limited in early December 2003.

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

The ATWOOD EAGLE is currently drilling its one well contract for CNR Ranger (Angola) Limited which is expected to be completed in late November to mid-December 2003.

Additional information with respect to the Company's Contract Status Summary October 6, 2003 is attached hereto as Exhibit 99.1 which is being furnished in accordance with Rule 101(e)(1) under Regulation FD and should not be deemed to be filed.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors: the Company's dependence on the oil and gas industry; the risks involved in the construction of a rig; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism; risks associated with a possible disruption in operations due to war; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2002, filed with the Securities and Exchange Commission.

SIGNATURES
