Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 28, 2007, Silicon Storage Technology, Inc. paid a bonus of \$80,940 to Yaw Wen Hu, our Executive Vice President and Chief Operating Officer and a bonus of \$22,942 to Chen Lung Tsai, our Senior Vice President, Worldwide Backend Operations. The amount of the bonus was equal to the withholding tax due on the gain between the exercise price and the market price of certain non-qualified stock options exercised by Dr. Hu and Mr. Tsai that were due to expire during 2007. The stock options were originally incentive stock options but have been reclassified to non-qualified status due to a change in their measurement date as a result of our review of our historical stock option practices. The shares underlying such stock options were not sold during 2007 due to our inability to file our periodic reports with the Securities and Exchange Commission during 2007. We are required to withhold and remit these amounts pursuant to the Internal Revenue Code of 1986, as amended, and the regulations thereunder.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 28, 2007, the Board of Directors amended Section 51 of our Amended and Restated Bylaws to provide that shares of our capital stock may be either certificated or uncertificated. The amendment was required in order to comply with the requirement that NASDAQ-listed securities be eligible for a Direct Registration Program by January 1, 2008. A Direct Registration Program permits an investor's ownership to be recorded and maintained on the books of the issuer or the transfer agent without the issuance of a physical stock certificate. To be eligible, an issuer is required to use a transfer agent that meets The Depository Trust Company's requirements for direct registered securities. Further, the transfer agent must instruct The Depository Trust Company to designate the issuer's securities as "direct registered eligible securities."
