**PART III - NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Corporation is unable, without unreasonable effort or expense, to complete and file its quarterly report on Form 10-Q for the quarter ended March 31, 2004 within the prescribed time period because it requires additional time to evaluate and address a potential adjustment to its financial statements for the year-ended December 31, 2003. The potential adjustment relates to an impairment of the Corporation's investment in its insurance agency subsidiary based on information that was obtained in May 2004. The Corporation, with the advice of its independent auditors, is evaluating whether the impairment should be reflected in the Corporation's 2003 financial statements.

**PART IV - OTHER INFORMATION**

(1) Name and telephone number of person to contact in regard to this notification.

(Name) (Area Code) (Telephone number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statement to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The results of operations for the quarter ended March 31, 2004 will show a decrease in net income of \$91,000, or 8.0%, from the same period in 2003. This decrease is principally the result of a decline of \$327,000 in net interest income and an increase of \$577,000 in operating expenses (including a \$233,000 executive severance expense), offset by gains of \$795,000 on the sale of investment securities.
