Report of Independent Registered Public Accounting Firm

To the Board of Trustees of  
The Putnam Funds and the Board  
of Directors of Putnam Fiduciary Trust Company

We have examined managements assertion, included in the accompanying Management Statement Regarding Compliance with Certain Provisions of the Investment Company Act of 1940, about The Putnam Funds (the Funds) compliance with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 (the Act) as of March 26, 2004. Management of Putnam Fiduciary Trust Company on behalf of the Funds is responsible for the Funds compliance with those requirements. Our responsibility is to express an opinion on managements assertion about the Funds compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Funds compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of March 26, 2004, and with respect to agreement of security purchases and sales, for the period from September 26, 2003 (the date of our last examination), through March 26, 2004:

Obtained confirmation of all securities recordkept at banks with whom the custodian and the Funds have contracted to provide sub-custodian services including Mellon Bank, State Street Bank and Trust, Brown Brothers Harriman & Co., United Missouri Bank, JP MorganChase, and Citibank;

Reconciled all such securities to the books and records of the Funds and the custodian;

Confirmed with brokers or inspected documentation for selected securities purchased but not received; and

Agreed selected securities purchased and securities sold or matured since our last report from the books and records of the Funds to broker confirmations.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Funds compliance with specified requirements.

In our opinion, managements assertion that the Funds were in compliance with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of March 26,
