PRESS RELEASE

Magic Software Signs a New Deal with Aviapartner

Magic Software s Subsidiary, HERMES Logistics Technologies, Wins a Deal to Deliver Its State-of-the-Art Cargo Management System to Aviapartner

OR YEHUDA, ISRAEL; December 14, 2010 - <u>Magic Software Enterprises Ltd.</u> (NASDAQ: MGIC), a global provider of cloud and on-premise enabled application platform and business integration solutions, announced today that its wholly owned subsidiary, HERMES Logistics Technologies, a leading provider of air cargo management solutions, has signed a deal to deliver its state-of-the-art HERMES cargo management system to Aviapartner.

Amit Ben-Zvi, CEO of HERMES Logistics Technologies, says, We are very pleased with this new deal, which expands our customer base to include Aviapartner, a leading company in the air cargo field. This win is testimony to the increased efficiency and quality that our product provides to the highly competitive cargo handling market.

The HERMES cargo management system, powered by Magic Software's award-winning application platform, will increase Aviapartner's productivity and efficiency. Aviapartner recognizes its need to invest in a future-proof cargo handling solution, solidifying its customers expectations, blending both reliability and a high level of service.

Aviapartner was awarded the IATA Safety Audit for Ground Operations (ISAGO) certification following the successful completion of a comprehensive audit of its Brussels Head office and 8 stations in its European handling network.

Aviapartner s network covers 35 airports across Belgium, France, Germany, Italy and the Netherlands. Aviapartner s decision to install the HERMES system, the latest technology in ground handling, endorses its strategy and enhances its ability to provide process-driven quality.

With an initial roll-out at the Amsterdam and Frankfurt stations, HERMES will provide Aviapartner with a wave of refreshed processes, embracing the need to supply customers with a consistent level of service and quality.

About HERMES Logistics Technologies

Managing air cargo businesses for Airlines, Ground Handlers and Airports in more than 60 cargo terminals across five continents, HERMES Logistics Technologies develops and markets the HERMES real-time air cargo handling system, which supports terminals with cargo volumes varying from 20,000 to over 1,000,000 metric tons per year.

The HERMES system delivers a complete and integrated solution encompassing all physical handling, documentation and messaging requirements: Real-Time Warehousing, Service Level Profiling/Monitoring, End-User Guidance, Tariff Profiling, Analysis, Audits and Reports.
