Part II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents previously filed by the Registrant with the Securities and Exchange Commission are incorporated in this Registration Statement by reference:

(a) The Registrant's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005;

(b) The Registrant's Quarterly Report on Form 10-QSB for the quarterly period ended March 31, 2006; and

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), subsequent to the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities.

Not applicable.

Edgar Filing: TAITRON COMPONENTS INC - Form S-8

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 204 of the General Corporation Law of the State of California (the "California Law") permits the limitation of the personal liability of a director for monetary damages in an action brought by or in the right of the corporation for breach of a director's duties to the corporation and its shareholders under certain conditions and subject to certain limitations.

Section 317 of the California Law (i) permits indemnification of directors, officers, employees and other agents of the corporation under certain conditions and subject to certain limitations and (ii) provides that the corporation has the power to purchase and maintain insurance on behalf of its directors, officers, employees and other agents against any liability asserted against or incurred by them in such capacity or arising out of their status as such.

The Registrant's Articles of Incorporation include a provision that eliminates the personal liability of its directors to the Registrant and its shareholders for monetary damages for breach of the directors' fiduciary duties in certain circumstances. This limitation has no effect on a director's liability (i) for acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (ii) for acts or omissions that a director believes to be contrary to the best interests of the Registrant or its shareholders or that involve the absence of good faith on the part of the director, (iii) for any transaction from which a director derived an improper personal benefit, (iv) for acts or omissions that show a reckless disregard for the director's duty to the Registrant or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing a director's duties, of a risk of a serious injury to the Registrant or its shareholders, (v) for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the Registrant or its shareholders, (vi) under Section 310 of the California Law (concerning contracts or transactions between the Registrant and a director) or (vii) under Section 316 of the California Law (concerning directors' liability for improper dividends, loans and guarantees). The provision does not extend to acts or omissions of a director in his capacity as an officer. Further, the provision will not affect the availability of injunctions and other equitable remedies available to the Registrant's shareholders for any violation of a director's fiduciary duty to the Registrant or its shareholders.

The Registrant's Articles of Incorporation also include an authorization for the Registrant to indemnify its agents (as defined in Section 317 of the California Law), through bylaw provisions, by agreement or otherwise, to the fullest extent permitted by law. Pursuant to this latter provision, the Registrant's Bylaws provide for indemnification of the Registrant's directors, officers and employees. In addition, the Registrant, at its discretion, may provide indemnification to persons whom the Registrant is not obligated to indemnify. The Bylaws also allow the Registrant to enter into indemnity agreements with individual directors, officers, employees and other agents. Indemnity agreements have been entered into with four of our directors (Johnson Ku, Stewart Wang, Richard Chiang and Felix Sung) and provide the maximum indemnification permitted by law. These agreements, together with the Registrant's Bylaws and Articles of Incorporation, may require the Registrant, among other things, to indemnify such directors and officers against certain liabilities that may arise by reasons of their status or service as directors or

Edgar Filing: TAITRON COMPONENTS INC - Form S-8

officers (other than liabilities resulting from willful misconduct of a culpable nature), and to advance expenses to them as they are incurred, provided that they undertake to repay the amount advanced if it is ultimately determined by a court that they are not entitled to indemnification.

Section 317 of the California Coded and the Registrant's Bylaws make provision for the indemnification of officers, directors and other corporate agents in terms sufficiently broad to indemnify such persons, under certain circumstances, for liabilities (including reimbursement of expenses incurred) arising under the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be

permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 7. Exemption from Registration.

Not applicable.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

(2) That for the purpose of determining any liability under the

Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
