Each officer is elected by, and serves at the discretion of, the Board. Each of our officers and directors devote the amount of time necessary to discharge their duties to the Company.

There are no family relationships between any of our directors or executive officers.

Audit Committee

The Company has a separately-designated standing Audit Committee, which currently consists of Steven Berns (Chairman), Steve Liguori and Michael McManus. The Board has determined that each member of the Audit Committee is "independent" under the Nasdaq's listing standards and the applicable rules of the SEC, that each member of the Audit Committee is "financially literate" under the Nasdaq's listing standards and that Mr. Berns qualifies as an Audit Committee Financial Expert under the applicable rules of the SEC.

The Audit Committee hires our independent accountants and is charged with the responsibility of overseeing our financial reporting process. In the course of performing its functions, the Audit Committee reviews, with management and the independent accountants, our internal accounting controls, the annual financial statements, the report and recommendations of the independent accountants, the scope of the audit and the qualifications and independence of the auditors. A copy of the Audit Committee charter is available upon request to the following address: L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY, 10019, Attn: Secretary.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Michael McManus (Chairman) and Steven Berns. The Board has determined that each member is independent under the Nasdaq's listing standards. The Committee is responsible for identifying individuals who are qualified to become directors, recommending nominees for membership on the Board and committees of the Board, promulgating minimum qualifications that it believes must be met by director nominees, establishing policies for considering director candidates recommended by stockholders, implementing procedures for stockholders in submitting recommendations for director candidates and developing and recommending to the Board corporate governance guidelines.

The Committee has established the following minimum qualifications for prospective nominees: (1) high accomplishments in his or her respective field, with superior credentials and recognition, (2) if applicable, a demonstrated history of actively contributing at board meetings, (3) high personal and professional integrity, exceptional ability and judgment, and effectiveness, in conjunction with the other nominees to the Board, in serving the long-term interests of the stockholders and (4) sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve. In addition, the Committee may consider a variety of other qualities and skills, including whether the nominee has direct experience in the industry or in the markets in which we operate and the definition of independence within the meaning of Rule 4200 of the Nasdaq listing standards. Nominees must also meet any applicable requirements of the SEC's regulations, state law and our charter and by-laws.

The Committee has established a process for identifying and evaluating nominees for director. The Committee may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. The Committee will then, without regard to the source of the initial recommendation of such proposed director candidate, review and evaluate

Edgar Filing: LQ CORP INC - Form 10-K/A

the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. Upon identifying individuals qualified to become members of the Board, consistent with the minimum qualifications and other criteria approved by the Board from time to time, and provided that we are not legally required to provide third parties with the ability to nominate individuals for election as a member of the Board, the Committee will then recommend that the Board select the director nominees for election at each annual meeting of stockholders.

4

The Committee will consider director candidates recommended by our stockholders. A stockholder wishing to propose a nominee should submit a recommendation in writing to our Secretary at least 120 days before the mailing date for proxy material applicable to the annual meeting for which such nomination is proposed for submission, setting forth, among other things required by the Committee's charter, (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee for the past five years, (iii) the consent of the proposed director candidate to be named in the proxy statement relating to our annual meeting of stockholders and to serve as a director if elected at such annual meeting and (iv) any additional information regarding director nominees pursuant to the rules of the SEC. The Committee anticipates that it would use these sources as well as stockholder recommendations to identify candidates in the future.

Copies of the Nominating and Corporate Governance Committee charter and the Corporate Governance Guidelines are available upon request to the following address: L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019 Attn: Secretary.

The Compensation Committee sets the compensation of our Chief Executive Officer and other senior executives, administers our stock option plans and executive compensation programs, determines eligibility for, and awards under, such plans and programs, and makes recommendations to the Board with regard to the adoption of new employee benefit plans, stock option plans and executive compensation plans. A copy of the Compensation Committee charter is available upon request to the following address: L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019 Attn: Secretary.

Such officers, directors and 10% shareholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of copies of Forms 3, 4, 5 and amendments thereto furnished to us and certain representations made to us, we believe that during the fiscal year ended December 31, 2006 all reports required by Section 16(a) to be filed by our officers, directors and 10% beneficial owners were filed on a timely basis, except that, due to administrative oversight, Ms. McKeever and Mr. Cassetta did not timely file their respective Forms 3 upon becoming directors.

ITEM 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We compensate our executive management through a combination of base salaries, merit based performance bonuses and long-term equity compensation. Our executive compensation is structured to align management's incentives with the long-term interests of our shareholders, and to maximize profitability and shareholder value.

5

We adhere to the following compensation policies, which are designed to support the achievement of our business strategies:

- o Our executive compensation should strengthen the relationship between compensation, both cash and equity-based, and performance by emphasizing variable compensation that is dependent upon the successful achievement of corporate and individual performance goals.
- o A portion of each executive's total compensation should be comprised of long-term compensation to focus management on the long-term interests of shareholders.
- o An appropriately balanced mix of incentive cash and equity-based compensation aligns the interests of our executives with that of our shareholders. The equity-based component promotes a continuing focus on building profitability and shareowner value.
- o Total compensation should enhance our ability to attract, retain, motivate and develop knowledgeable and experienced executives upon whom, in large part, our successful operation and management depends.

A core principle of our executive compensation is the belief that compensation paid to executive officers should be closely aligned with our near- and long-term success, while simultaneously giving us the flexibility to recruit and retain qualified key executives. Our compensation program is structured so that it is related to our stock performance and other factors, direct and indirect, which may influence long-term shareholder value.

As a result, we have designed our executive compensation to include the

Edgar Filing: LQ CORP INC - Form 10-K/A

following elements:

- o Annual Base Salaries;
- o Annual Performance-Based Cash Bonuses; and
- o Long-Term Equity-Based Compensation.

We utilize each of these elements of executive compensation to ensure proper balance between our short- and long-term success as well as between our financial performance and shareholder return. In this regard, we believe that the executive compensation for our named executive officers is consistent with our financial performance and the performance of each named executive officer.

Elements of Compensation

Base Salaries

The base salaries of the Company's named executive officers are evaluated annually. In evaluating appropriate pay levels and salary increases for such officers, the Compensation Committee considers achievement of the Company's strategic goals, level of responsibility, individual performance, internal equity and external pay practices. In addition, the Committee considers the scope of the executives' responsibilities, taking into account to the extent deemed appropriate competitive market compensation for similar positions, the seniority of the individual, our ability to replace the individual and other primarily judgmental factors deemed relevant by our Board of Directors and Compensation Committee. The Compensation Committee and our Board have also taken into account the contribution certain executive officers made to the ACPG and SES transactions as well as the fact that from January 2003 until December 2005 we did not operate any business.

Bonuses

Bonus awards are designed to focus management attention on achieving key operational and performance goals for the current fiscal year. Cash bonus awards are distributed based upon the Company and the individual's performance. The final determination for all bonus payments is made by our Compensation Committee. The Compensation Committee and our Board have also taken into account the contribution certain executive officers made to the ACPG and SES transactions as well as the fact that from January 2003 until December 2005 we did not operate any business.

Equity Incentive Grants

Long-term incentives also comprise an important component of our executives' total compensation package. These incentives are designed to motivate and reward executives for maximizing shareholder value and encourage the long-term employment of key employees.

To date, stock options have been our primary long-term compensation vehicle for our executive officers. Stock options are granted at the prevailing market price on the date of grant and will have value only if our stock price increases. Grants of stock options generally are based upon our performance, the level of the executive's position, and an evaluation of the executive's past and expected

Edgar Filing: LQ CORP INC - Form 10-K/A

future performance.

No decision has been made whether or not stock options will continue to be used as the predominant form of stock-based compensation. The Compensation Committee is in the process of considering all forms of long-term equity compensation, including restricted stock grants.

Other Benefits

There are no other benefits provided to employees at this time, including pension, severance or change in control benefits.

1996 Equity Incentive Plan

In September 1996, the Board of Directors adopted the 1996 Equity Incentive Plan (the "1996 Plan"), which initially provided for the granting of up to 1,144,000 incentive stock options and nonqualified stock options. In August 1997, October 1998 and April 1999, an additional 441,000, 88,000 and 1,600,000 shares, respectively, were authorized for grants under the 1996 Plan. Under the 1996 Plan, incentive stock options may be granted to employees of the Company and nonqualified stock options and stock purchase rights may be granted to consultants, employees, directors and officers of the Company. Options granted under the 1996 Plan are for periods not to exceed ten years, and must be issued at prices not less than 100% and 85%, for incentive and nonqualified stock options, respectively, of the fair market value of the stock on the date of grant as determined by the Board of Directors. Options granted under the 1996 Plan generally vest 25% after the first year and then 2.083% each month thereafter until 100% vested. Options granted to stockholders who own greater than 10% of the outstanding stock must be for periods not to exceed five years and must be issued at prices not less than 110% of the estimated fair market value of the stock on the date of grant as determined by the Board of Directors. In April 1999, the 1996 Plan was also amended to provide for annual increases on January 1 equal to the lesser of 1,500,000 shares, 5% of the outstanding shares on

such date or a lesser amount determined by the Board of Directors. For the year ended December 31, 2006, approximately 123,000 options were granted under the 1996 Plan.

2000 Nonstatutory Stock Option Plan

In April 2000, the Board of Directors adopted the 2000 Nonstatutory Stock Option Plan (the "2000 Plan"), which provided for the granting of up to 500,000 nonqualified stock options. Under the 2000 Plan, stock options may be granted to employees of the Company. Options granted under the 2000 Plan are for periods not to exceed ten years, and are issued at prices determined by the Board of

Edgar Filing: LQ CORP INC - Form 10-K/A

Directors or any of its committees. Options granted under the 2000 Plan vest at terms and conditions determined by the Board of Directors or any of its committees. No options were granted under the 2000 Plan for the year ended December 31, 2006 and 2005, respectively.

1999 Employee Stock Purchase Plan

In April 1999, the Board of Directors adopted the 1999 Employee Stock Purchase Plan (the "Purchase Plan") and reserved 500,000 shares of common stock for issuance thereunder. The Purchase Plan was approved by the stockholders in June 1999. On January 1, each year, the aggregate number of shares reserved for issuance under the Purchase Plan is increased by the lesser of 750,000 shares, 3% of the outstanding shares on such date or a lesser amount determined by the Board of Directors. The Purchase Plan became effective on the first business day on which price quotations for the Company's common stock were available on the Nasdaq National Market, which was July 8, 1999. Employees are eligible to participate if they are customarily employed by the Company or any participating subsidiary for at least 20 hours per week and more than five months in any calendar year and do not (i) immediately after grant own stock possessing 5% or more of the total combined voting capital stock, or (ii) possess rights to purchase stock under all of the employee stock purchase plans at an accrual rate which exceeds \$25,000 worth of stock for each calendar year. The Purchase Plan permits participants to purchase common stock through payroll deductions up to 15% of the participant's compensation, as defined in the Purchase Plan, but limited to 2,500 shares per participant per purchase period. Each offering period includes four six-month purchase periods, and the Purchase Plan was amended in June 2000 so that purchase periods begin on April 1 and October 1 of each year, except for the offering period which started on the first trading day on or after the effective date of the public offering. The price at which the common stock is purchased under the Purchase Plan is 85% of the lesser of the fair market value at the beginning of the offering period or at the end of the purchase period. The Purchase Plan will terminate after a period of ten years unless terminated earlier as permitted by the Purchase Plan. Common stock issued under the plan was 34,940. No shares of common stock were issued under the Purchase Plan in 2006 and 2005, respectively.

Narrative to Director Compensation Table

In February 2003, our Board approved a plan that provides our non-employee directors with cash compensation of \$10,000 upon initial election and on each anniversary of becoming a director during their term of service, and \$1,000 per meeting of the Board attended during their term of service. Attendance at Committee meetings will be compensated at the rate of \$1,000 per meeting for members and \$2,000 per meeting for the chairperson. In 2006, we paid \$25,000 for Board and Committee attendance. In October 2006, our Board approved the payment of an additional \$5,000 in annual cash compensation for the Chairman of the Board. While the Company has paid the Chairman and our other non-employee directors meeting fees during the fiscal year ended December 31, 2006, it has not paid such directors their base compensation during this time period (other than to Ms. McKeever, who was paid \$10,000 following her initial election to the Board) but expects to do so in the future.

Non-employee directors are granted a fully vested option to purchase 21,000 shares of common stock upon initial election and a fully vested option to purchase 1,400 shares of common stock on each anniversary of becoming a director during their term of service at an exercise price equal to the fair market value of a share of common stock as

of the date of grant. While the Company has not granted its directors options in accordance with such plan in 2006, it expects to do so in the future.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

Edgar Filing: LQ CORP INC - Form 10-K/A

In July 2003, we relocated our principal executive offices to 888 Seventh Avenue, 17th Floor, New York, 10019, an office maintained by Barington, a limited partnership whose general partner is a corporation of which James Mitarotonda is Chairman, President and Chief Executive Officer. Mr. Mitarotonda is our former Chairman and former Chief Executive Officer. Sebastian Cassetta, who serves as a director, President and Chief Executive Officer of the Company, is Senior Managing Director and the Chief Operating Officer of Barington. Dianne McKeever, a research analyst at Barington, serves as one of our directors, and Michael McManus, a director of L Q Corporation, holds an equity interest in certain affiliates of Barington.

From April 2003 through May 16, 2004, we paid Barington a monthly fee of \$7,290 to perform certain administrative and accounting services on our behalf. We entered into a new services agreement with Barington dated as of November 18, 2004, which ran through June 30, 2006. Under this agreement, we agreed to pay Barington \$8,000 per month for providing certain administrative, accounting and other services on our behalf and a fee of \$125 per hour for any legal services provided by Barington at our request. We also agreed that in the event Barington identifies for us at our request a business transaction such as a merger, acquisition or joint venture, and provides us with financial consulting services in connection with such business transaction, we will pay Barington a fee of two percent of the amount of the consideration paid in the transaction. In connection with the agreement, we granted to Barington or its designees stock options to purchase 56,000 shares of our common stock. The options are

15

fully exercisable and were granted with an exercise price per share equal to \$1.82, the fair market value of our common stock on the grant date. The option grant was reported in a Form 4 filed by Mr. Mitarotonda with the SEC on November 18, 2004, pending designation of the stock option recipients among Mr. Mitarotonda and other designees of Barington. On April 14, 2005, Barington designated Mr. Mitarotonda as a recipient of stock options to purchase 37,000 shares of the common stock.

We entered into an amended services agreement with Barington dated as of January 1, 2005. Under the amended agreement, we agreed to pay Barington a fee of \$15,000 per month for performing certain administrative, accounting and other services on our behalf and a fee of \$175 an hour for providing any legal services on our behalf at our request.

The Board of Directors of the Company approved as of May 10, 2006 an amendment to the services agreement between Barington and the Company dated as of November 18, 2004. Pursuant to the amendment, Barington agreed to continue to provide certain administrative, accounting and other services on our behalf for a fee of \$10,000 per month and legal services on our behalf at our request for a fee of \$175 per hour. Additionally, on July 12, 2006, the Board of Directors of the Company approved another amendment to the services agreement, dated as of June 30, 2006, to extend the terms of the agreement until December 31, 2007. The agreement was previously set to expire by its terms on June 30, 2006. We believe that the fees payable to Barington under the services agreement, as amended, are less than those that would be charged in arm's length transactions between unaffiliated third parties.

We have entered into indemnification agreements with our officers and directors containing provisions which may require us, among other things, to indemnify our

Edgar Filing: LQ CORP INC - Form 10-K/A

officers and directors against certain liabilities that may arise by reason of their status or service as officers or directors (other than liabilities arising from willful misconduct of a culpable nature) and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to execute such agreements with our future directors and executive officers.

SES Resources, Ltd. ("SES Resources") is a minority shareholder of SES with 19.5% of the SES equity. Mr. Bradley Schnur, one of the shareholders of the SES Resources, is serving as President of SES. Two of the other SES Resources shareholders may become members of the SES Advisory Panel in the future. Mr. Dennis Schnur, the remaining shareholder of SES Resources, is Mr. B. Schnur's father and also serves as Chairman of the SES Advisory Panel. Mr. Cassetta serves as Vice Chairman of the SES Advisory Panel. As described above, Mr. Cassetta is presently the Senior Managing Director and Chief Operating Officer of Barington. As remuneration for their duties, Mr. D. Schnur and Mr. Cassetta, as well as other SES Advisory Panel members, may receive remuneration fees in connection with the gross profit earned by SES. In connection with the acquisitions of ACPG and SEC, Barington served as a transaction advisor and received a fee of approximately \$60,000 in January 2006. Such amount was approved by our independent directors at a meeting of our Board of Directors on October 26, 2005.

With respect to our merger with Dynabazaar, Barington and certain of its affiliates which have joined with Barington in the filing of a statement on Schedule 13D, collectively own greater than 10% of the outstanding common stock of both Dynabazaar and us. Pursuant to a separate letter agreement dated February 26, 2007, Barington agreed to vote, and to cause its affiliates to vote, all of our shares now owned or hereafter acquired by Barington and its affiliates in favor of the transaction, in proportion to the votes of our other stockholders. Additionally, Mr. Mitarotonda is a director of Dynabazaar. Mr. Cassetta is the Chief Executive Officer of Costar Video Systems, LLC, a subsidiary of Dynabazaar.

Prior approval need not be given with respect to the provision of non-audit services if certain "de minimis" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. The
