## Edgar Filing: CIT GROUP INC - Form 8-K

This Current Report on Form 8-K includes as an exhibit a press release, dated July 18, 2007, reporting the financial results of CIT Group Inc. as of and for the quarter ended June 30, 2007. The press release is attached as Exhibit 99.1. This press release includes certain non-GAAP financial measures. A reconciliation of those measures to the most directly comparable GAAP measures is included as a table to the press release. The information furnished under this Item 2.02, including Exhibit 99.1 (except for the paragraph set forth under the heading "Earnings Guidance", which is furnished under Item 7.01), shall be considered filed for purposes of the Securities Act of 1934, as amended.

### Item 2.05. Costs Associated with Exit or Disposal Activities.

On July 16, 2007, the Board of Directors of CIT Group Inc. authorized the Registrant to exit its Home Lending business and transfer the assets of that business into assets held for sale. Upon moving the Home Lending receivables (\$10.4 billion) into assets held for sale, the Registrant took a pretax charge of \$731 million (net of pre-existing reserves of \$210 million) to adjust the fair value of the portfolio. The Registrant may incur additional types of costs associated with this action, such as costs for termination benefits or for terminating contracts or leases, depending on the terms and conditions of the actual disposition of the Home Lending business, but those costs cannot be estimated at this time. The Registrant determined the current charge based upon an analysis as of June 30, 2007 of the expected cash proceeds of any future sale or liquidation transaction, including professional and other transaction fees and expenses. In determining this fair value, we considered available market information, including recent comparable market transactions, as well as internal and external valuations.
