File No. 333-157067

Request for Withdrawal of Post-Effective Amendment No. 1 to Registration Statement on Form S-4

Ladies and Gentlemen:

On April 3, 2009, SCM Microsystems, Inc., a Delaware corporation (the Registrant), filed a Post-Effective Amendment No. 1 (the Post-Effective Amendment) to a Registration Statement on Form S-4 (File No. 333-157067) (the Registration Statement) with the U.S. Securities and Exchange Commission (the Commission).

Pursuant to Rule 477 promulgated under the Securities Act of 1933, as amended (the Securities Act), the Registrant hereby requests that the Commission consent to the withdrawal of the Post-Effective Amendment. Upon further consideration, the Registrant has determined that the filing of the Post-Effective Amendment is not necessary. No shares have been distributed, issued or sold pursuant to the Post-Effective Amendment.

The Registrant respectfully requests that the Commission issue an order granting the withdrawal of the Post-Effective Amendment as soon as possible.

If you should have any questions or comments regarding this request, please contact Michael L. Reed of Gibson, Dunn & Crutcher LLP, the Registrant's counsel, at (415) 393-8286. Thank you for your attention to this matter.

Very truly yours,

/s/ Stephan Rohaly
