PROXY STATEMENT

FOR THE JOINT ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 29, 2015

This proxy statement (“Proxy Statement”) is furnished to the holders of common shares of beneficial interest, par value \$0.01 per share (“Shares”), of Fiduciary/Claymore MLP Opportunity Fund (“FMO”), Guggenheim Build America Bonds Managed Duration Trust (“GBAB”), Guggenheim Credit Allocation Fund (“GGM”), Guggenheim Enhanced Equity Income Fund (“GPM”), Guggenheim Enhanced Equity Strategy Fund (“GGE”), Guggenheim Equal Weight Enhanced Equity Income Fund (“GEQ”) and Guggenheim Strategic Opportunities Fund (“GOF”) (FMO, GGM, GBAB, GPM, GGE, GEQ and GOF are each referred to herein as a “Fund” and collectively as the “Funds”) in connection with the solicitation by the Board of Trustees (the “Board”) of each Fund of proxies to be voted at the joint annual meeting of shareholders of the Funds to be held on Wednesday, April 29, 2015, and any adjournments, postponements or delays thereof (the “Annual Meeting”). The Annual Meeting will be held at the offices of Guggenheim Funds Investment Advisors, LLC, 227 West Monroe Street, Chicago, Illinois 60606 on Wednesday, April 29, 2015, at 10:00 a.m. (Central time).

This Proxy Statement will give you the information you need to vote on the matters listed on the accompanying Notice of Joint Annual Meeting of Shareholders (“Notice of Joint Annual Meeting”). Much of the information in this Proxy Statement is required under rules of the U.S. Securities and Exchange Commission (“SEC”). If there is anything you don’t understand, please contact us at our toll-free number, (800) 345-7999.

Each Fund will furnish to any shareholder, without charge, a copy of such Fund’s most recent annual report and/or semi-annual report to

shareholders upon request. Requests should be directed to Guggenheim Funds Distributors, LLC, 227 West Monroe Street, 7th Floor, Chicago Illinois 60606, (800) 345-7999.

The Notice of Annual Meeting, this Proxy Statement and the enclosed proxy card(s) are first being sent to the Funds' shareholders on or about March 27, 2015.

• Why is a shareholder meeting being held?

The Shares of each Fund are listed on the New York Stock Exchange ("NYSE") and the rules of the NYSE require each Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year.

• What Proposal will be voted on?

To elect Trustees in the following manner:

(a) With respect to each of FMO, GBAB, GGM, GPM, GGE and GEQ:

(i) To elect, as Class II Trustees, the Trustee nominees named in this proxy statement (Dr. Jerry B. Farley, Mr. Roman Friedrich III and Mr. Ronald A. Nyberg) to serve until each Fund's 2018 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

(b) With respect to GOF only:

(i) To elect, as Class II Trustees, the Trustee nominees named in this proxy statement (Dr. Jerry B. Farley, Mr. Robert B. Karn III, Mr. Ronald A. Nyberg, Mr. Maynard F. Oliverius and Mr. Ronald E. Toupin, Jr.) to serve until the Fund's 2017 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

Will my vote make a difference?

Yes! Your vote is important and could make a difference in the governance of the Fund(s), no matter how many Shares you own.

• Who is asking for my vote?

The enclosed proxy card is solicited by the Board of each Fund for use at the Annual Meeting to be held on Wednesday, April 29, 2015, and any adjournments, postponements or delays thereof, for the purposes stated in the Notice of Joint Annual Meeting.

- How does the Board recommend that shareholders vote on the Proposal?

The Board unanimously recommends that you vote “FOR” the nominees of the Board of your Fund.

The Board has reviewed the qualifications and backgrounds of the Board’s nominees and believes that they are experienced in overseeing investment companies and are familiar with the Funds, their investment strategies and operations and the investment adviser and investment sub-advisers of the Funds. The Board has approved the nominees named in this Proxy Statement and believes their election is in your best interests as shareholders.

- Who is eligible to vote?

Shareholders of record of each Fund at the close of business on March 20, 2015 (the “Record Date”), are entitled to be present and to vote at the Annual Meeting or any adjournments, postponements or delays thereof. Each Share is entitled to one vote on the Proposal and a fractional vote with respect to fractional Shares, with no cumulative voting. Shares represented by duly executed proxies will be voted in accordance with your instructions.

- How do I vote my Shares?

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders’ respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund’s Shares, in order to gain admission you must show photographic identification, such as your driver’s license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver’s license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker’s statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the

Annual Meeting unless you have previously requested and obtained a “legal proxy” from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don’t fill in a vote, your Shares will be voted in accordance with the Board’s recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies’ discretion.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Broker-dealer firms holding Shares of a Fund in “street name” for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on the Proposal before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain “routine” matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm’s request for voting instructions. Each Proposal is a “routine” matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the Proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner’s Shares should be voted on the Proposal may be deemed an instruction to vote such Shares in favor of the Proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

- What vote is required to elect a Trustee nominee?

For FMO, GBAB, GGM, GOF, GEQ, and GGE the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee.

For GPM, the affirmative vote of a plurality of the shares voted is necessary to elect a Trustee nominee.

- Why does this Proxy Statement list multiple closed-end funds?

The Funds have similar proposals and it is cost-efficient to have a joint Proxy Statement and joint Annual Meeting. The Annual Meeting is scheduled as a joint meeting of the Funds and certain affiliated funds, whose votes on similar proposals applicable to such funds are being solicited separately, because the shareholders of the funds are expected to consider and vote on similar matters. In the event that any shareholder present at the Annual Meeting objects to the holding of a joint meeting and moves for the adjournment of his or her Fund's meeting to a time immediately after the Annual Meeting so that each Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the respective proposal relating to their Fund. In any event, an unfavorable vote on any Proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the Proposal is approved by the shareholders of that Fund.

- How many shares of each Fund were outstanding as of the record date?

At the close of business on March 20, 2015, the Funds had the following Shares outstanding:

Fund	Number of Shares Outstanding
FMO	33,413,667
GBAB	17,413,674
GGM	6,629,481
GPM	19,077,318
GGE	4,993,991
GEQ	8,774,050
GOF	16,993,564

The other Trustees of the Funds will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

- (2) Officers serve at the pleasure of the Board and until his or her successor is appointed and qualified or until his or her resignation or removal. The year set forth above is the earliest year in which the officer was appointed as an officer of any Fund.

Board Leadership Structure

The primary responsibility of the Board is to represent the interests of the Funds and to provide oversight of the management of the Funds. The Funds' day-to-day operations are managed by the Adviser, the applicable Sub-Adviser and other service providers who have been approved by the Board. The Board is currently comprised of six Trustees, five of whom (including the chairperson) are Independent Trustees. Generally, the Board acts by majority vote of all the Trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has appointed an Independent Chairman, Ronald E. Toupin, Jr., who presides at Board meetings and who is responsible for, among other things, participating in the planning of Board meetings, setting the tone of Board meetings and seeking to encourage open dialogue and independent inquiry among the Trustees and management. In addition, the Independent Chairman acts a liaison with officers, counsel and other Trustees between meetings of the Board. The Independent Chairman may also perform such other functions as may be delegated by the Board from time to time. The Board has established four standing committees (as described below) and has delegated certain responsibilities to those committees, each of which is comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Funds'

activities, review contractual arrangements with service providers, review the Funds' financial statements, oversee compliance with regulatory requirements, and review performance. The Board may also establish informal working groups from time to time to review and address the policies and practices of the Trust or the Board with respect to certain specified matters. The Independent Trustees are represented by independent legal counsel experienced in 1940 Act matters and are represented by such independent legal counsel at Board and committee meetings. The Board has determined that this leadership structure, including an Independent Chairman, a supermajority of Independent Trustees and committee membership limited to Independent Trustees, is appropriate in light of the characteristics and circumstances of the Funds.

Board Committees

The Trustees have determined that the efficient conduct of the Funds' affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The committees of the Board are the Executive Committee, the Audit Committee, the Nominating and Governance Committee, and the Contracts Review Committee.

Executive Committee. Donald A. Chubb, Jr. and Ronald E. Toupin, Jr., who are not "interested persons" of the Funds, as defined in the 1940 Act, serve on the Funds' Executive Committee. The Executive Committee is authorized to act on behalf of and with the full authority of the Board of Trustees when necessary in the intervals between meetings of the Board of Trustees.

Audit Committee. The Board has an Audit Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Donald A. Chubb, Jerry B. Farley, Maynard F. Oliverius, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Karn serves as Chairman of the Audit Committee.

The Audit Committee is charged with selecting an independent registered public accounting firm for the Funds and reviewing accounting matters with the Funds' independent registered public accounting firm. Each member of the Audit Committee is an Independent Trustee as defined above and also meets the additional independence requirements for audit committee members as defined by the NYSE listing standards.

The Audit Committee is governed by a written charter (the "Audit Committee Charter"). The Audit Committee Charter is available on the Funds' website at www.guggenheiminvestments.com.

The Audit Committee presents the following report on behalf of each Fund:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Fund with management of the Fund, (ii) the Audit

Committee discussed with the Fund's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance), and (iii) the Audit Committee received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Public Company Accounting Oversight Board's Ethics & Independence Rule 3526 and has discussed with the Fund's independent registered public accounting firm the independence of the Fund's independent registered public accounting firm. Based on the Audit Committee's reviews and discussions referred to above, including its discussion with management and the Fund's independent registered public accounting firm, the Audit Committee recommended to the Board of Trustees of the Fund that the financial statements be included in the Fund's Annual Reports for the past fiscal year.

Nominating and Governance Committee. The Board has a Nominating and Governance Committee, which is composed of Randall C. Barnes, Donald A. Chubb, Jr., Jerry B. Farley, Maynard F. Oliverius, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Nyberg serves as Chairman of the Nominating and Governance Committee.

The Nominating and Governance Committee is governed by a written charter (the "Nominating and Governance Committee Charter"). The Nominating and Governance Committee Charter is available on the Funds' website at www.guggenheiminvestments.com.

The Nominating and Governance Committee (i) evaluates and recommends all candidates for election or appointment as members of the Board and recommends the appointment of members and chairs of each committee of the Board, (ii) reviews policy matters affecting the operation of the Board and committees of the Board, and (iii) periodically evaluates the effectiveness of the Board and committees of the Board.

In considering Trustee nominee candidates, the Nominating and Governance Committee requires that Trustee candidates have a college degree or equivalent business experience and may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): availability and commitment of a candidate to attend meetings and perform the responsibilities of a Trustee, relevant experience, educational background, financial expertise, the candidate's ability, judgment and expertise and overall diversity of the Board's composition. The Nominating and Governance Committee may consider candidates recommended by various sources, including (but not limited to): such Fund's Trustees, officers, investment advisers and shareholders. The Nominating and Governance Committee will not nominate a person for election to the Board as an

Independent Trustee in contravention of its Independent Trustee Retirement Policy. The Nominating and Governance Committee may, but is not required to, retain a third party search firm to identify potential candidates.

A Trustee candidate must (i) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the Nominating and Governance Committee to evaluate the candidate and to determine, among other matters, whether the candidate would qualify as a Trustee who is not an “interested person” of the Funds as such term is defined under the 1940 Act; (ii) be prepared to submit character references and agree to appropriate background checks; and (iii) be prepared to meet with one or more members of the Nominating and Governance Committee at a time and location convenient to those Nominating and Governance Committee members in order to discuss the nominee’s qualifications.

The Nominating and Governance Committee will consider Trustee candidates recommended by shareholders of the Funds. The Nominating and Governance Committee will consider and evaluate trustee nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.

In considering Trustee nominee candidates, the Nominating and Governance Committee takes into account a wide variety of factors, including the overall diversity of the Board’s composition. The Nominating and Governance Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

To have a candidate considered by the Nominating and Governance Committee, a shareholder must submit the recommendation in writing and must include the information required by the “Procedures for Shareholders to Submit Nominee Candidates” that are set forth as Appendix B to the Nominating and Governance Committee Charter. Shareholder recommendations must be sent to the Funds’ Secretary, c/o Guggenheim Funds Investment Advisors, LLC, 227 West Monroe Street, 7th Floor, Chicago, Illinois 60606.

The nominees for election at the Annual Meeting currently serve as Trustees and were unanimously nominated by the Board of Trustees and the Nominating and Governance Committee.

Contracts Review Committee. The Board has a Contracts Review Committee, which oversees the contract review process, including review of the Funds’ advisory agreements and other contracts with affiliated service providers. The Contracts Review Committee is composed of Donald A. Chubb, Jr., Jerry B. Farley, Maynard F. Oliverius, Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee. Mr. Friedrich serves as Chairman of the Contracts Review Committee.

Information regarding the number of meetings of the Board, Audit Committee, Nominating and Governance Committee and Contracts Review Committee of each Fund during such Fund's most recently completed fiscal year is set forth in the table below:

Fund	Fiscal Year End	Board Meetings	Audit Committee Meetings	Nominating and Governance Meetings	Contracts Review Committee Meetings

Each Trustee attended at least 75% of the meetings of the Board (and any committee thereof on which he serves) held during the portion of each Fund's fiscal year ended in 2014, during which he was a Trustee of the Fund. It is the Funds' policy to encourage Trustees to attend annual shareholders' meetings.

Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Funds, the Board, among other things, oversees risk management of the Funds' investment programs and business affairs directly and through the committee structure it has established. The Board has established the Audit Committee, the Nominating and Governance Committee and the Contracts Review Committee to assist in its oversight functions, including its oversight of the risks the Funds face. Each committee reports its activities to the Board on a regular basis. Risks to the Funds include, among others, investment risk, credit risk, liquidity risk, valuation risk, compliance risk and operational risk, as well as the overall business risk relating to the Funds. The Board has adopted, and periodically reviews, policies, procedures and controls designed to address these different types of risks. Under the Board's supervision, the officers of the Funds, the Adviser, the respective Sub-Adviser and other service providers to the Funds also have implemented a variety of processes, procedures and controls to address various risks. In addition, as part of the Board's periodic review of the Funds' advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of the service providers' operations and the functions for which they are responsible.

The Board requires officers of the Funds to report to the Board and its committees on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Funds' independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Board meets with the Funds' Chief Compliance Officer,

including separate meetings with the Independent Trustees in executive session, to discuss compliance matters and, on at least an annual basis, receives a report from the Chief Compliance Officer regarding the effectiveness of the Funds' compliance program. The Board, with the assistance of Fund management, reviews investment policies and risks in connection with its review of the Funds' performance. In addition, the Board receives reports from the Adviser and respective Sub-Adviser on the investments and securities trading of the Funds. With respect to valuation, the Board oversees a pricing committee comprised of Fund officers and Adviser personnel and has approved Fair Valuation procedures applicable to valuing the Funds' portfolio securities, which the Board and the Audit Committee periodically review. The Board also requires the Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Trustee Communications

Shareholders and other interested parties may contact the Board or any Trustee by mail. To communicate with the Board or any Trustee, correspondence should be addressed to the Board or the Board members with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Secretary of the Fund or Funds at 227 West Monroe Street, 7th Floor, Chicago, Illinois 60606.

Shareholder Approval

With respect to FMO, GBAB, GGM, GGE, GEQ and GOF, the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee. With respect to GPM, the affirmative vote of a plurality of the Shares voted is necessary to elect a Trustee nominee. Record Date. The Board has fixed the close of business on March 20, 2015, as the Record Date for the determination of shareholders of each Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of each Fund as of the close of business on the Record Date will be entitled to one vote on each matter to be voted on by such Fund for each Share held and a fractional vote with respect to fractional Shares with no cumulative voting rights.

Joint Meeting. The Annual Meeting is scheduled as a joint meeting of the Funds and certain affiliated funds, whose votes on similar proposals applicable to such funds are being solicited separately, because the shareholders of the funds are expected to consider and vote on similar matters. In the event that any shareholder present at the Annual Meeting objects to the holding of a joint meeting and moves for the adjournment of his or her Fund's meeting to a time immediately after the Annual Meeting so that each Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the respective Proposal relating to their Fund. In any event, an unfavorable vote on any Proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the Proposal is approved by the shareholders of that Fund.

How to Vote Your Shares. Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed

proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Attending the Annual Meeting. If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

Additional Information Regarding Voting. Broker-dealer firms holding Shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposal before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Each Proposal is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a

proxy card may have their Shares voted by broker-dealer firms in favor of the Proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the Proposal may be deemed an instruction to vote such Shares in favor of the Proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

The Funds will update certain data regarding the Funds, including performance data, on a monthly basis on its website at www.guggenheiminvestments.com. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the Funds.

Independent Registered Public Accounting Firm

Ernst & Young LLP (“E&Y”) has been selected as the independent registered public accounting firm for the Funds by the Audit Committees of the Funds and approved by a majority of each Fund’s Board, including a majority of the Independent Trustees, to audit the accounts of the Funds for and during each Fund’s current fiscal year. The Funds do not know of any direct or indirect financial interest of E&Y in the Funds.

Representatives of E&Y will be available to attend the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to answer questions if necessary.

Audit and Other Fees

Audit Fees. For each Fund’s two most recently completed fiscal years, the aggregate fees billed to each Fund by E&Y for professional services rendered for the audit of such Fund’s annual financial statements are set forth on Annex A.

Audit-Related Fees. For each Fund’s two most recently completed fiscal years, the aggregate fees billed by E&Y and approved by the Audit Committee of each Fund for assurance and related services reasonably related to the performance of the audit of such Fund’s annual financial statements (such fees relate to services rendered, and out of pocket expenses incurred, in connection with the Funds’ registration statements, comfort letters and consents) are set forth on Annex A.

E&Y did not perform any other assurance and related services that were required to be approved by the Funds’ Audit Committees for such fiscal years.

Tax Fees. For each Fund’s two most recently completed fiscal years, the aggregate fees billed by E&Y and approved by the Audit Committee of each Fund for professional services rendered for tax compliance, tax advice, and tax planning (such fees relate to tax services provided by E&Y in connection with

the Fund's excise tax calculations and review of the Fund's tax returns) are set forth on Annex A.

E&Y did not perform any other tax compliance or tax planning services or render any tax advice that were required to be approved by the Funds' Audit Committee for such period.

All Other Fees. For each Fund's two most recently completed fiscal years, the aggregate fees billed for products and services provided by E&Y, other than the services reported above in Audit Fees, Audit-Related Fees, and Tax Fees are set forth on Annex A.

Aggregate Non-Audit Fees. For each Fund's two most recently completed fiscal years, the aggregate non-audit fees billed by E&Y for services rendered to each Fund, Guggenheim Funds, and any entity controlling, controlled by or under common control with Guggenheim Funds that provides ongoing services to the Fund (not including an investment sub-adviser whose primary role is portfolio management and is sub-contracted with or overseen by another investment adviser) that directly related to the operations and financial reporting of the Fund are set forth on Annex A.

(c) For services with estimated fees of \$25,000 or more, but less than \$50,000, the Chair is hereby authorized to pre-approve such services on behalf of the Committee.

(d) For services with estimated fees of \$50,000 or more, such services require pre-approval by the Committee.

(e) The independent auditors or the Chief Accounting Officer of the Trust (or an officer of the Trust who reports to the Chief Accounting Officer) shall report to the Committee at each of its regular quarterly meetings all audit, audit-related and permissible non-audit services initiated since the last such report (unless the services were contained in the initial audit plan, as previously presented to, and approved by, the Committee). The report shall include a general description of the services and projected fees, and the means by which such services were approved by the Committee (including the particular category listed above under which pre-approval was obtained).

V.B.3

Pre-approve any engagement of the independent auditors, including the fees and other compensation to be paid to the independent auditors, to provide any non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust), if the engagement relates directly to the operations and financial reporting of the Trust (unless an exception is available under Rule 2-01 of Regulation S-X).

(a) The Chair or any member of the Committee may grant the pre-approval for non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust) relating directly to the operations and financial reporting of the Trust for which the estimated fees are less than \$25,000. All

such delegated pre-approvals shall be presented to the Committee no later than the next Committee meeting.

- (b) For non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust) relating directly to the operations and financial reporting of the Trust for which the estimated fees are \$25,000 or more, such services require pre-approval by the Committee.

The Audit Committee has pre-approved all audit and non-audit services provided by E&Y to the Funds, and all non-audit services provided by E&Y to Guggenheim Funds, or any entity controlling, controlled by, or under common control with Guggenheim Funds that provides ongoing services to the Funds that are related to the operations of the Funds for the Funds’ two most recently completed fiscal years.

None of the services described above for the Funds’ two most recently completed fiscal years were approved by the Audit Committee pursuant to the pre-approval exception under Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Principal Shareholders

As of the Record Date, to the knowledge of each Fund, no person beneficially owned more than 5% of the voting securities of any class of securities of any of the Funds, except as set forth on Annex B.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, and Section 30(h) of the 1940 Act require each Fund’s officers and Trustees, certain officers of each Fund’s investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than ten percent of a Fund’s shares to file certain reports of ownership (“Section 16 filings”) with the SEC and the NYSE. Based upon each Fund’s review of the copies of such forms effecting the Section 16 filings received by it, each Fund believes that for its most recently completed fiscal year, all filings applicable to such persons were completed and filed in a timely manner, except as follows: for FMO: Form 4 (relating to acquisition of securities) for Roman Friedrich III was amended to correct the transaction date, but such amendment was not filed in a timely manner relative to the transaction date; for GBAB: Form 4 (relating to acquisition of securities) for Roman Friedrich III was amended to correct the transaction date, but such amendment was not filed in a timely manner relative to the transaction date; for GGE: Form 4 (relating to acquisition of securities) for Roman Friedrich III was amended to correct the transaction date, but such amendment was not filed in a timely manner relative to the transaction date.

Privacy Principles of the Funds

The Funds are committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Funds collect, how the Funds protect that information and why, in certain cases, the Funds may share information with select other parties.

Generally, the Funds do not receive any non-public personal information relating to their shareholders, although certain non-public personal information of their shareholders may become available to the Funds. The Funds do not disclose any non-public personal information about their shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Funds restrict access to non-public personal information about their shareholders to employees of Guggenheim Funds with a legitimate business need for the information. The Funds maintain physical, electronic and procedural safeguards designed to protect the non-public personal information of their shareholders.

Deadline for Shareholder Proposals

Each Fund's Amended and Restated By-Laws (the "By-Laws") require compliance with certain procedures for a shareholder to properly make a nomination for election as a Trustee or to propose other business for the Fund. If a shareholder who is entitled to do so under a Fund's By-Laws wishes to nominate a person or persons for election as a Trustee or propose other business for the Fund, that shareholder must provide a written notice to the Secretary of the Fund at the Fund's principal executive offices. Such notice must include certain information about the proponent and the proposal, or in the case of a nomination, the nominee. A copy of each Fund's By-Laws, which includes the provisions regarding the requirements for shareholder nominations and proposals, may be obtained by writing to the Secretary of the Fund at 227 West Monroe Street, 7th Floor, Chicago, Illinois 60606. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's By-Laws.

Shareholder proposals intended for inclusion in a Fund's proxy statement in connection with the 2016 annual meeting of shareholders pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund at the Fund's principal executive offices by November 28, 2015 in order to be considered for inclusion in the Fund's proxy statement. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement.

A proposal, other than a proposal submitted pursuant to Rule 14a-8, must be received by the Fund's Secretary at the Fund's principal executive

offices not earlier than December 29, 2015 and not later than January 28, 2016 (which is also the date after which shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would not be considered “timely” within the meaning of Rule 14a-4(c) under the Exchange Act). If a proposal is not “timely” within the meaning of Rule 14a-4(c), then the persons named as proxies in the proxies solicited by the Board for the 2016 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

Expenses of Proxy Solicitation

The cost of the Annual Meeting, including the costs of preparing and mailing the notice, proxy statement and proxy, and the solicitation of proxies, including reimbursement to broker-dealers and others who forwarded proxy materials to their clients, will be borne by the Funds. Costs will be borne by the Funds in proportion to the number of proxies solicited on behalf of a Fund to the total proxies solicited on behalf of all of the Funds. Certain officers of the Fund and certain officers and employees of Guggenheim Funds or their respective affiliates (none of whom will receive additional compensation therefore) may solicit proxies by telephone, mail, e-mail and/or personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation materials to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Funds for such out-of-pocket expenses.

Other Matters

The management of the Funds knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Failure of a quorum to be present at the Annual Meeting may result in an adjournment. The persons named in the enclosed proxy card may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to a Proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. The chairperson of the Annual Meeting may also adjourn the Annual Meeting. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy card will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of each Fund’s shareholders. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the enclosed instructions to vote by telephone or over the Internet.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on April 29, 2015
