During Meridian's fiscal years ended September 30, 2004 and 2003 and through December 13, 2004, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused them to make a reference to the subject matter of the disagreement(s) in connection with their reports on the consolidated financial statements for such years.
