On Tuesday August 9, 2005, Coeur d Alene Mines Corporation (the Company ) filed a Form 12b-25 with the Securities and Exchange Commission ( SEC ) regarding a delay in filing of the Company s Form 10-Q for the quarter ended June 30, 2005. The reason for the delay is due to additional time needed to review the Company s second quarter income tax benefit associated with the Company s operations in Argentina. This Amendment to Form 12b-25 is filed to further clarify the item under review.

**PART IV OTHER INFORMATION**

The last sentence of the explanation hereunder is revised to read as follows:

**The Company does not believe the amount of the net loss for the quarter ended June 30, 2005 will be materially affected by the amount of the income benefit associated with the Company s operations in Argentina, but requires additional time to analyze the issue to determine the final disclosure to be contained in the Form 10-Q for the quarter ended June 30, 2005.**

Coeur d Alene Mines Corporation has caused this amended notification to be signed on its behalf by the undersigned hereunto duly authorized.
