Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 15, 2015, Donaldson Company, Inc. (the “Company”) issued a press release reporting that, due to an ongoing investigation, the filing of its Annual Report on Form 10-K for the year ended July 31, 2015 (the “2015 Annual Report on Form 10-K”) will be delayed beyond the October 14, 2015 extended filing due date.

The Company previously disclosed in its Form 12b-25 filed with the Securities and Exchange Commission (the “SEC”) on September 29, 2015 that it was unable to timely file its 2015 Annual Report on Form 10-K because of the additional time required to complete the investigation. For additional information, please see the Form 12b-25.

As a result of the filing delay, the Company informed the New York Stock Exchange (the “NYSE”) on October 14, 2015 that it is working diligently to complete the 2015 Annual Report on Form 10-K. In response, the NYSE provided formal notification to the Company that it is not currently in compliance with the NYSE's continued listing requirements under the timely filing criteria set forth in Section 802.01E of the NYSE Listed Company Manual. Such notices are routinely issued by the NYSE in situations when there are late filings with the SEC. Until the Company files its 2015 Annual Report on Form 10-K, the Company's common stock will remain listed on the NYSE under the symbol “DCI,” but will be assigned a “LF” indicator to signify late filing status and the Company will be posted to the late filers list on the Listing Standards Filing Status page on the NYSE website. Under NYSE rules, the Company has six months from October 14, 2015, subject to ongoing evaluation, to file its 2015 Annual Report on Form 10-K.

Once the investigation is completed, including the evaluation of its findings, the Company expects to complete its assessments as to the impacts to the financial statements and effectiveness of internal controls over financial reporting and file its 2015 Annual Report on Form 10-K, which the Company expects will occur within the six month period described above. Upon filing its 2015 Annual Report on Form 10-K, the Company intends to again be in compliance with the continued listing requirements of the NYSE.

The Company wishes to caution investors that any forward-looking statements (such as those identified by words such as “believe,” “expect,” “intend” or similar expressions) are subject to uncertainties and other risk factors that could cause actual results to differ materially from such statements, including but not limited to risks associated with the timing and outcome of the Audit Committee's investigation, including the possible identification of additional facts that could have an impact on the Company's historical or future financial results. The Company undertakes no obligation to publicly update or revise any forward-looking statements.
